## LHS is Built of People

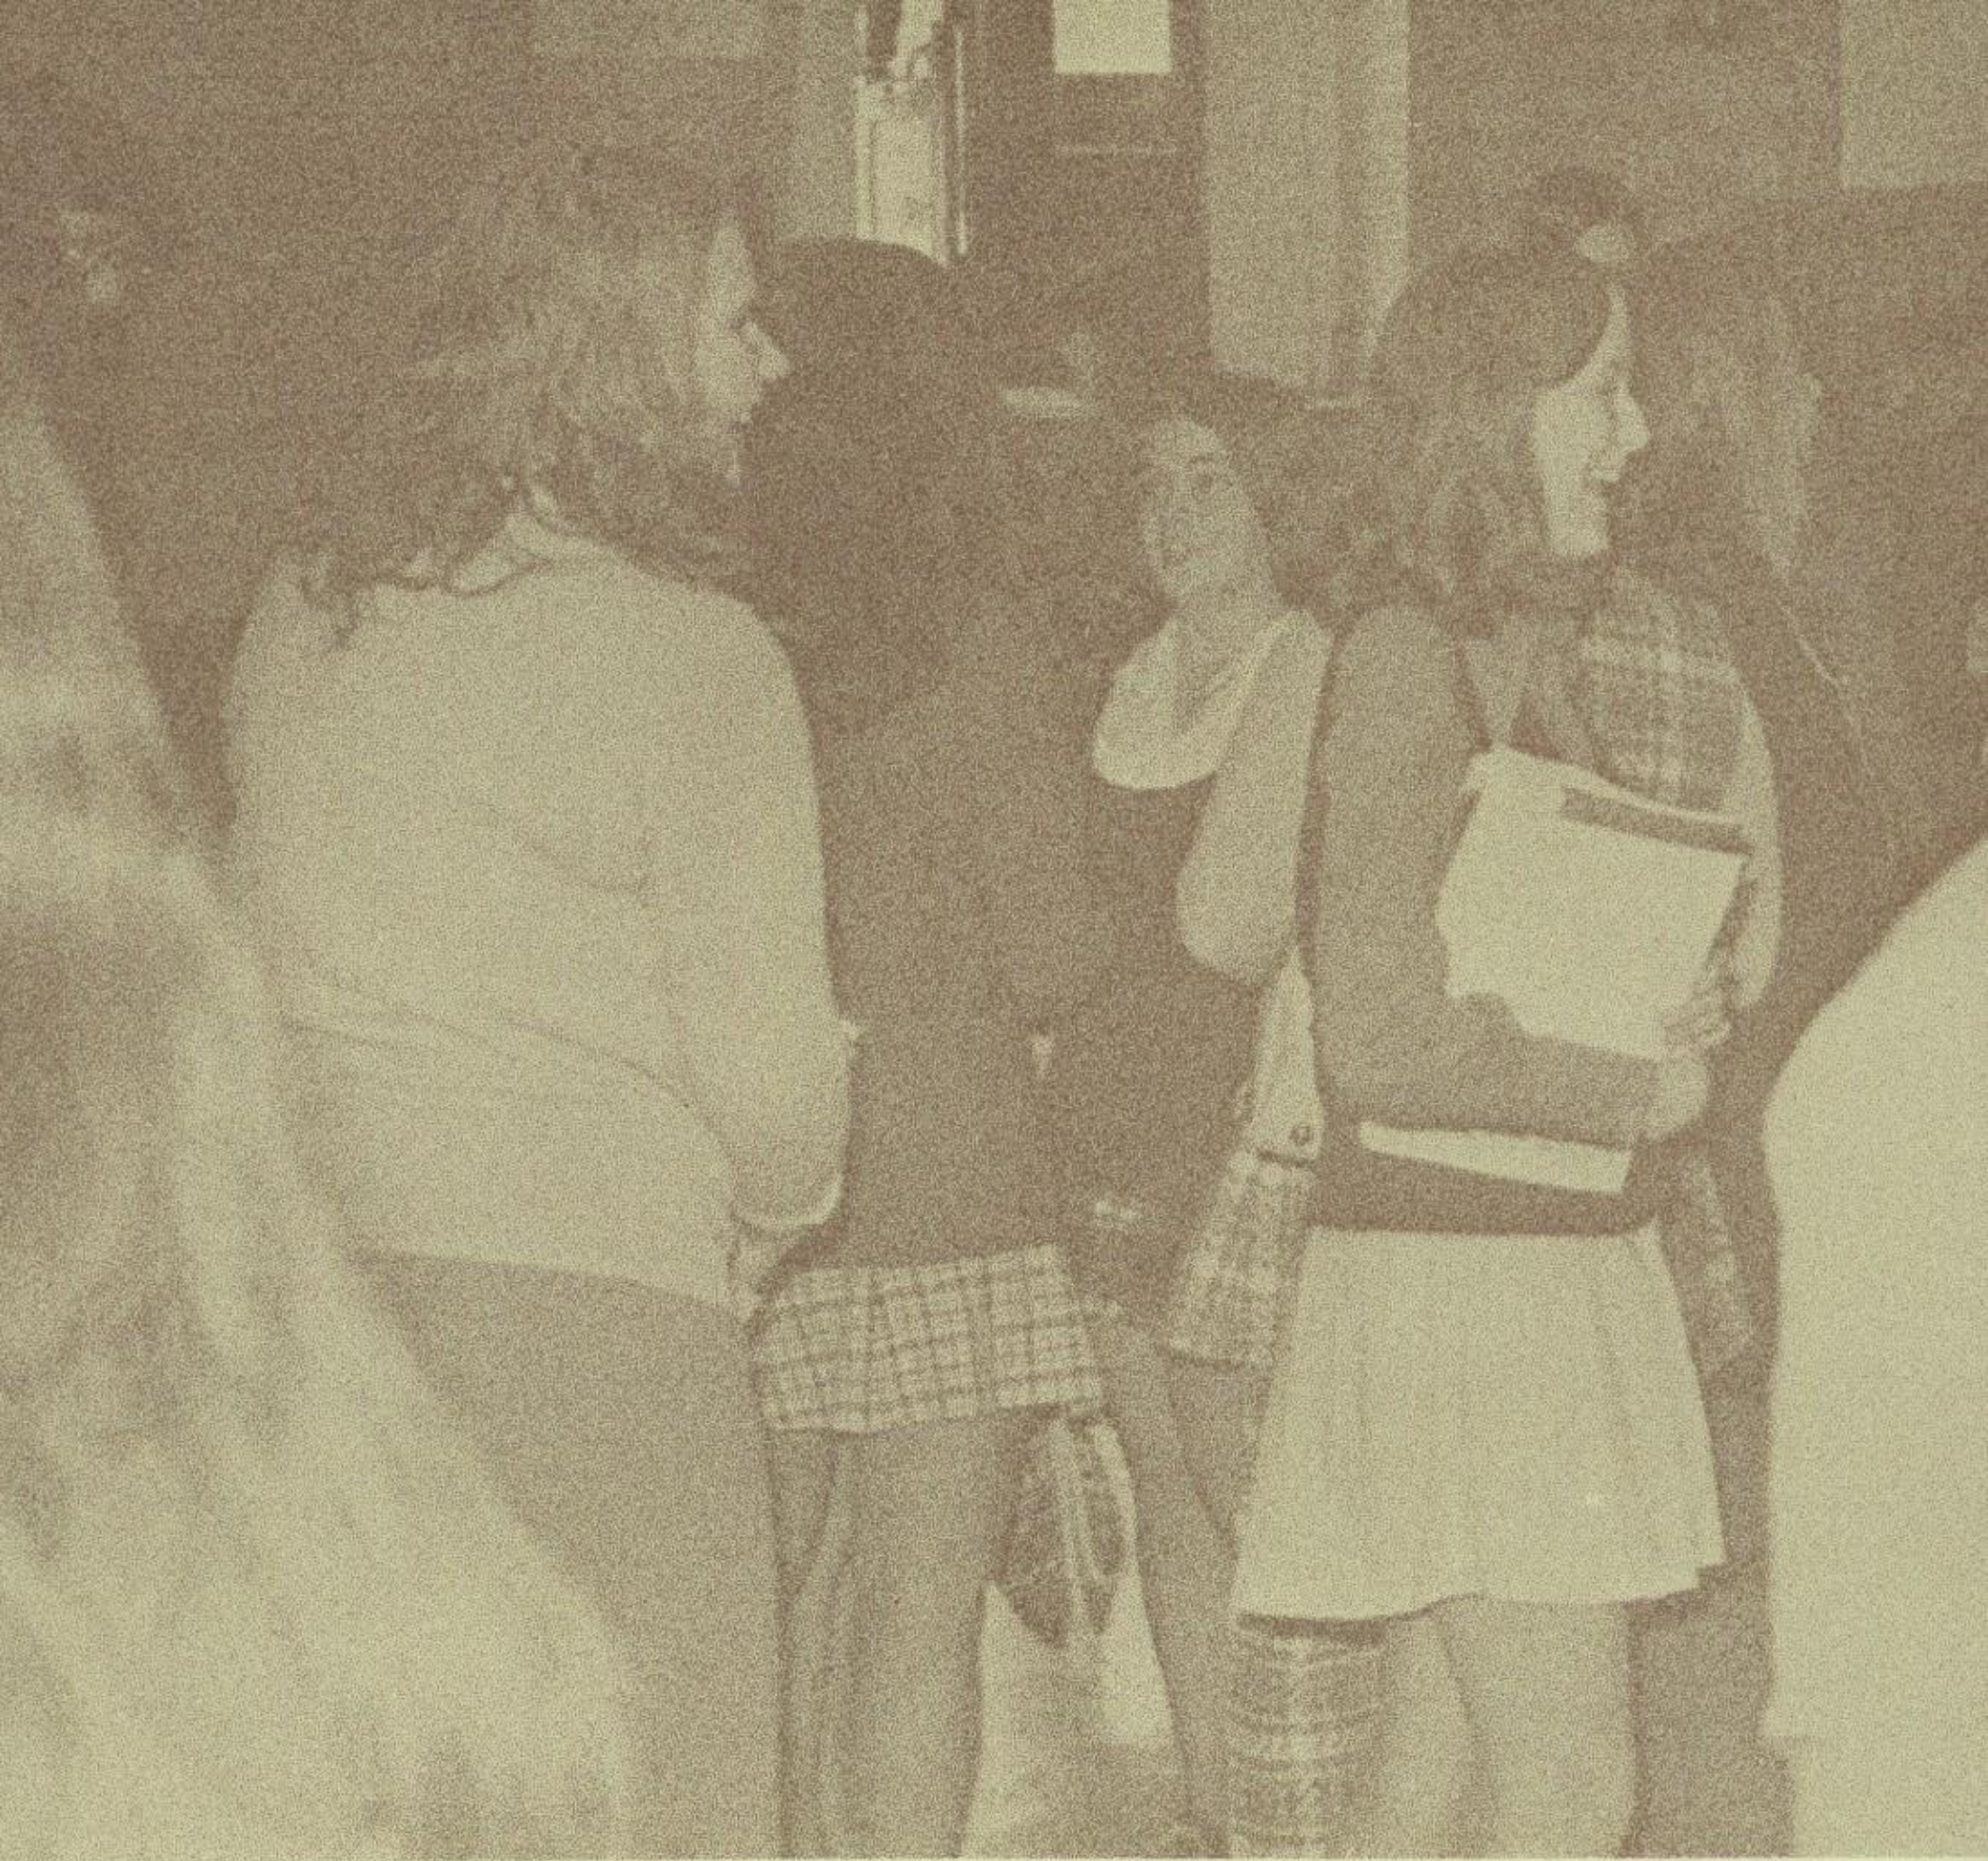

What is LHS? PEOPLE. It is four hundred people, not just studies, games, clubs, or projects. It is people growing and expanding within one brick building. School is a place of learning-learning about yourself and others.

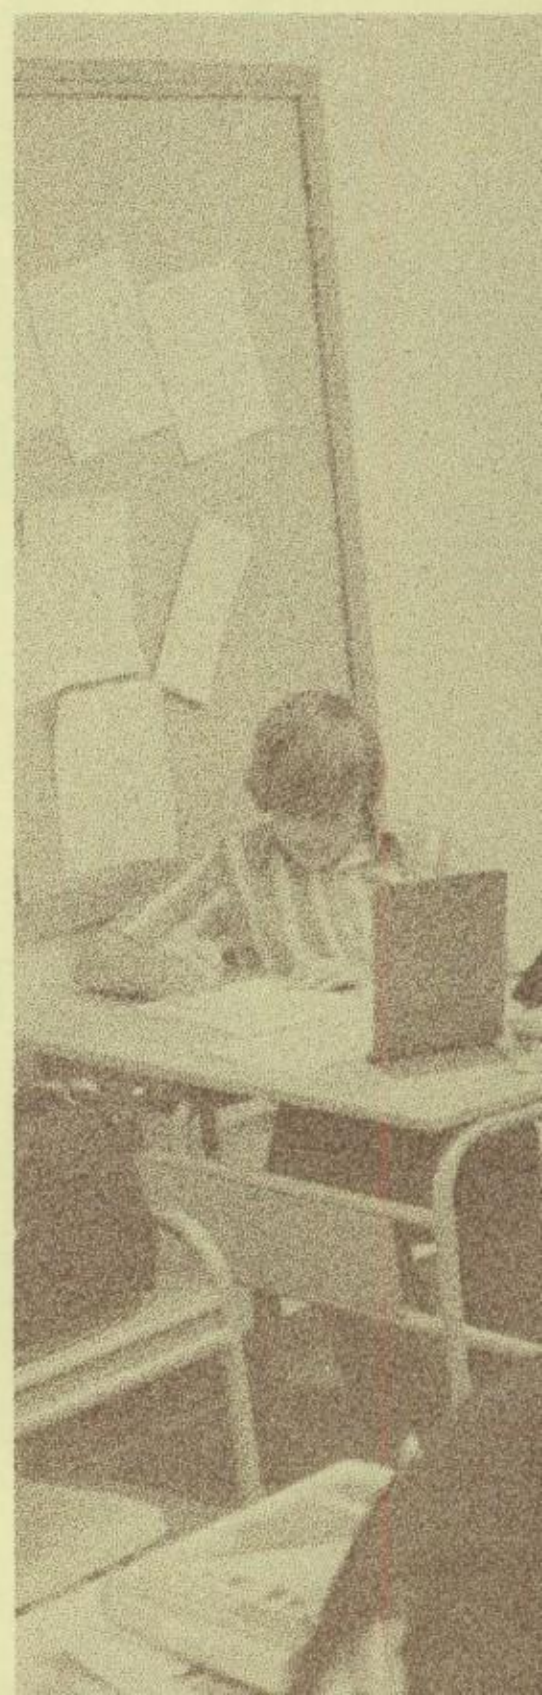

At 8:45 classes begin. Speech, home economics, algebra, history--ACADEMICS fill the rooms and bookshelves. At 3:15 classes end.

At 3:15 the end? Golf, basketball, tennis, cross-country--SPORTS are every practice and every game. Industrial Arts Club, Cedar-ian, NHS, Science Club--ORGANIZATIONS are doing because of involvement. HAPPENINGS are all around, always happening--Junior Play, student council meetings, speech contests, and dances. 3:15 is not the end. LHS is alive.

People

On an autumn day, the Senior students gathered in front of the school to have their picture taken.

The Senior class officers are Mark Cain, vice-president; John Campe, president; Cathy Guthrie, secretary-treasurer.

Starting their final year, the Seniors sponsored a Welcoming Dance for the incoming Freshmen. This began the many activities sponsored by the Seniors to finance their class trip. They gave a car wash which was fun as well as successful. After much discussion at a class meeting, they decided to sponsor a fish fry and the annual girl's basketball game. Both of these proved to be a great success.

The future holds the memories of the joys and sorrows of the past four years at LHS. Even though they leave the halls of our school, their achievements still remain with us.

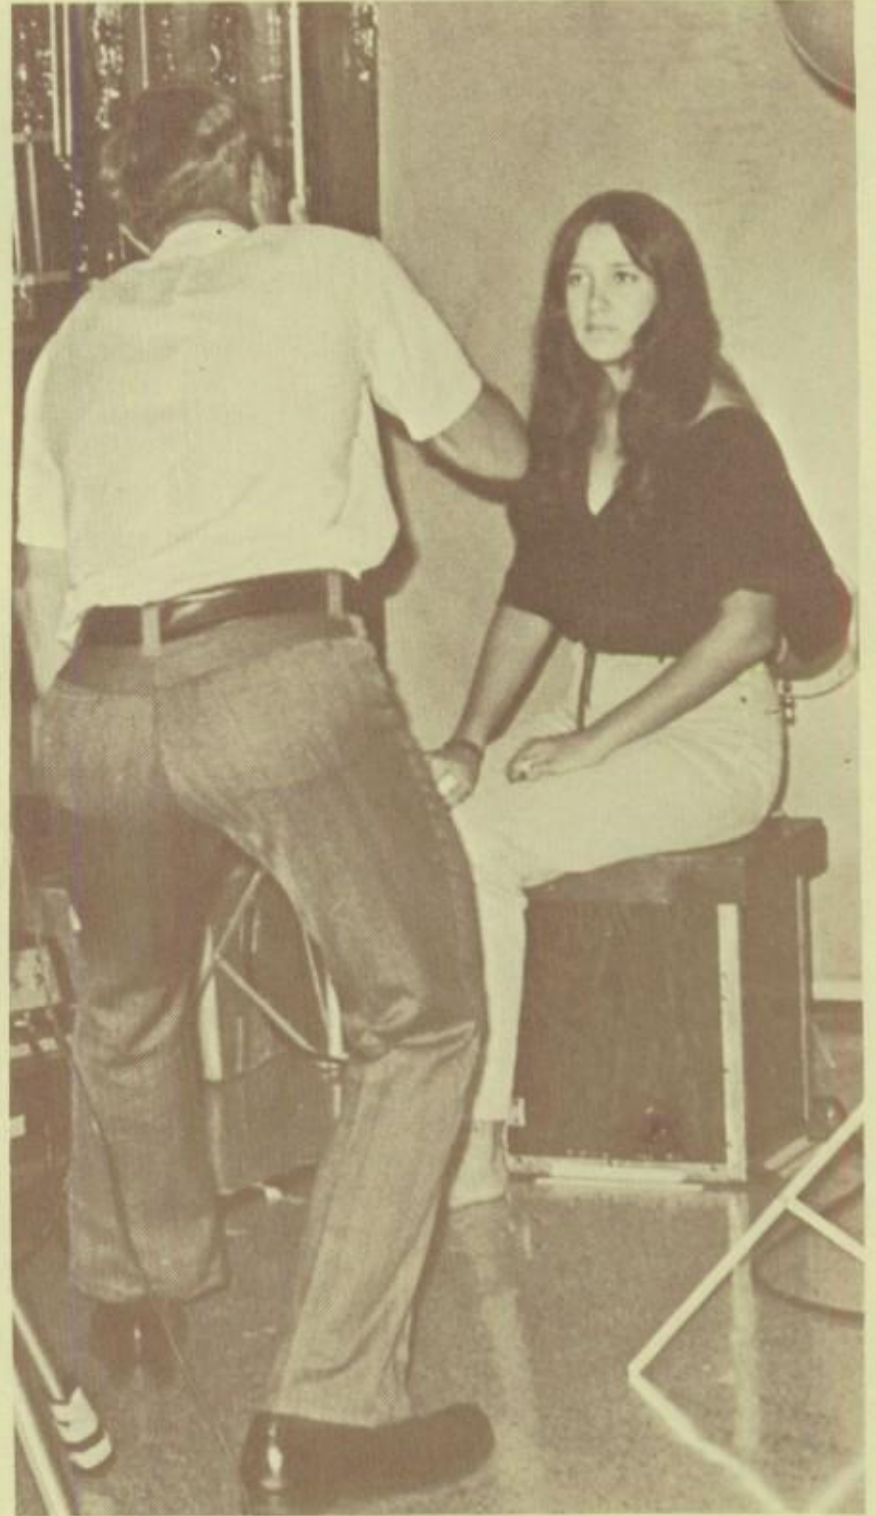

## Seniors Are Involved in Many Activities

Concentration on one's books is a Senior trait.

One of the many events of the Senior year is having pictures taken.

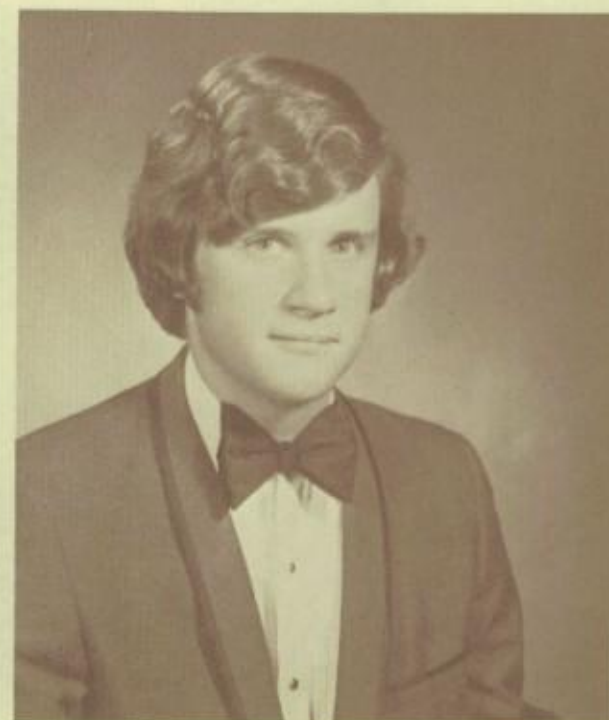

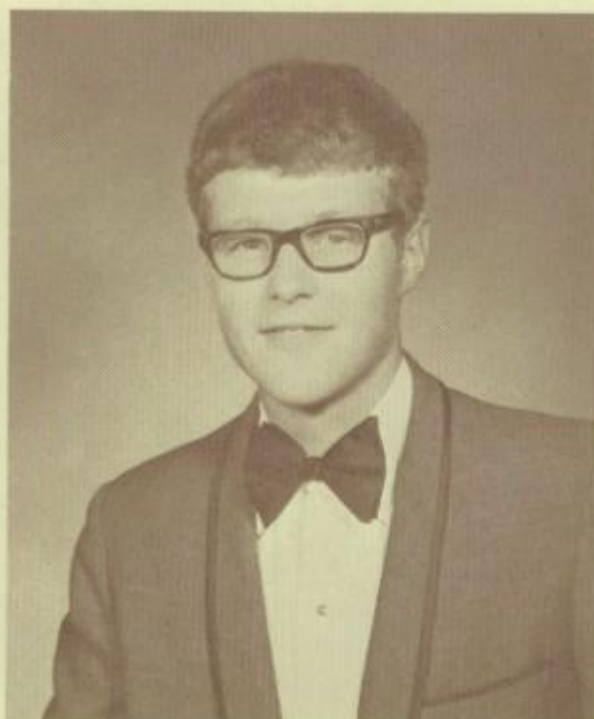

Lorin and Rodney gave a unique performance at the Coffee House.

The Seniors worked and had fun at the car wash.

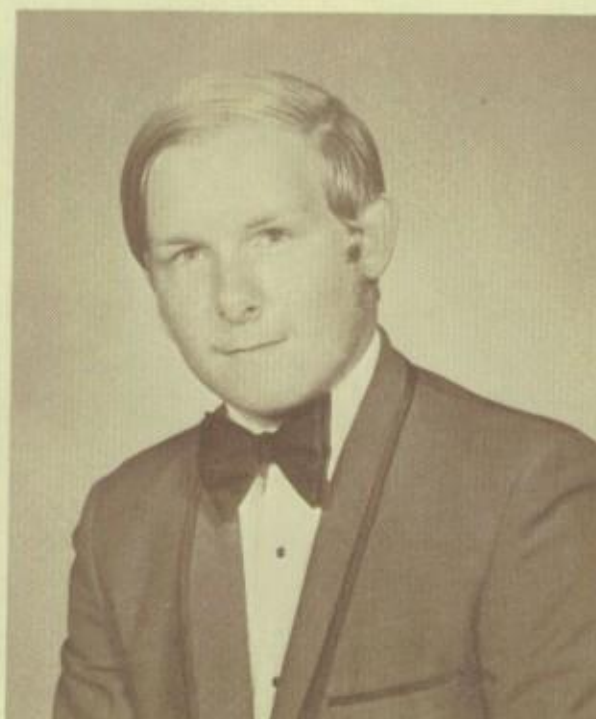

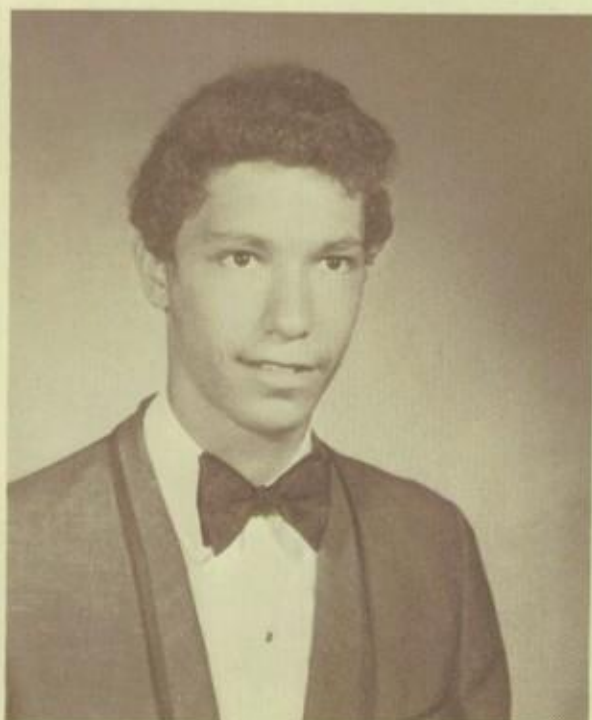

Paul Baer  
How pleasant is Saturday night when  
I've tried all week to be good.

Rodney Baer  
Blessed is he who expects nothing for he  
shall not be disappointed.

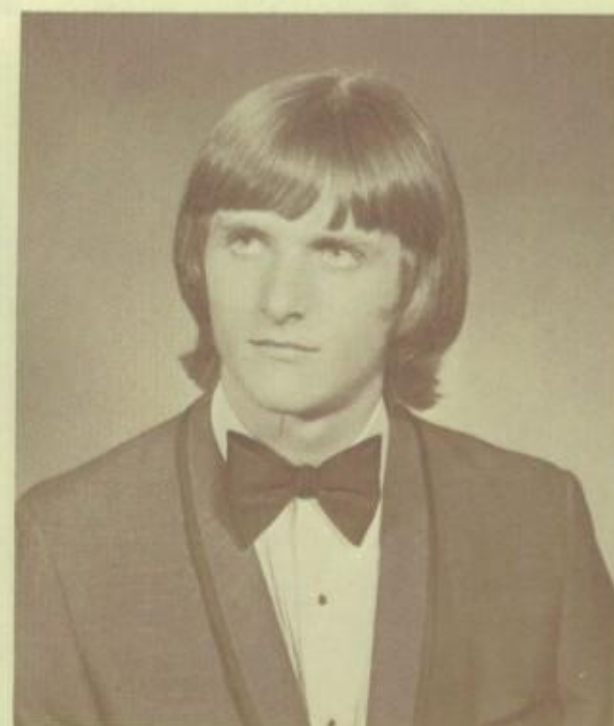

Scott Baer  
Let but the perfect Present, hour by  
hour, Itself remember and itself repeat.

Craig Barton  
Whenever he sees trouble coming he  
steps aside and lets it pass by.

Kevin Bennet  
I consider the world as made for me,  
not me for the world. It is my maxim  
therefore to enjoy it while I can and let  
futura shift for itself.

Stephen Bennett  
I used to be conceited, but now I don't  
have any faults.

## Seniors Are Always on the Move

Because of Helen Howell's and Bill Dunning's coordination and interest in sports, they were voted Most Athletic.

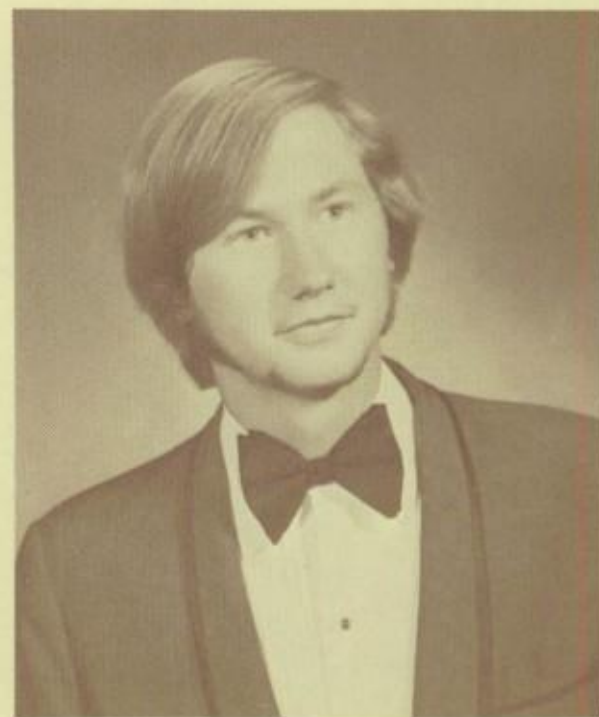

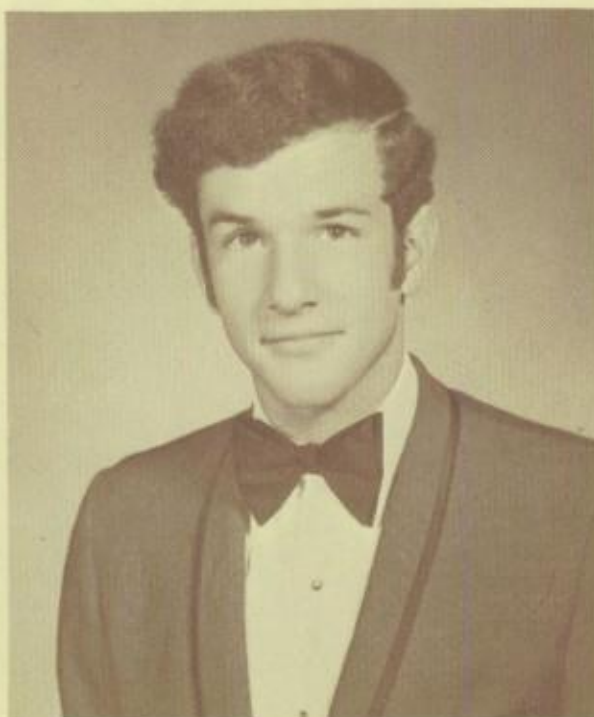

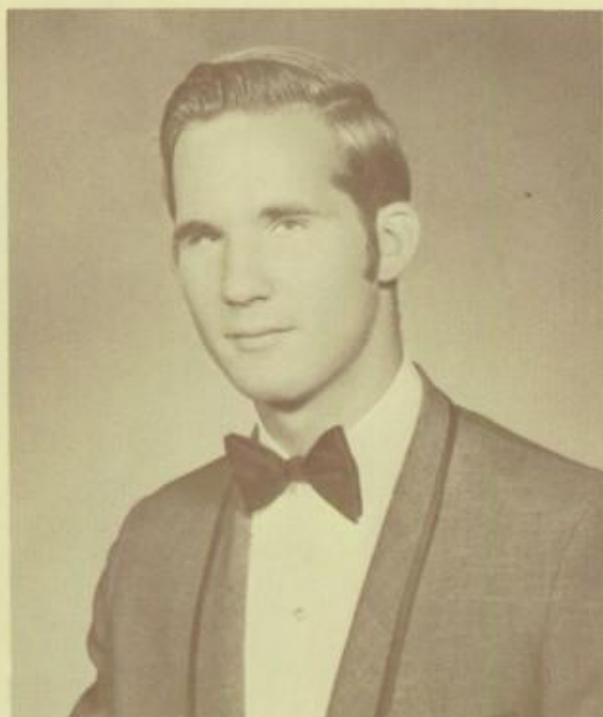

Darryl Brooks  
If it's fun, count on me!

John Brownfield  
A person whose heart is not content is like a snake which tries to swallow an elephant.

Mark Cain  
I got life, mother  
I got laughs, sister  
I got freedom, brother  
I got good times, man  
I got LIFE! LIFE!

John Campe  
Nobody is more dangerously insane than one who is sane all the time.

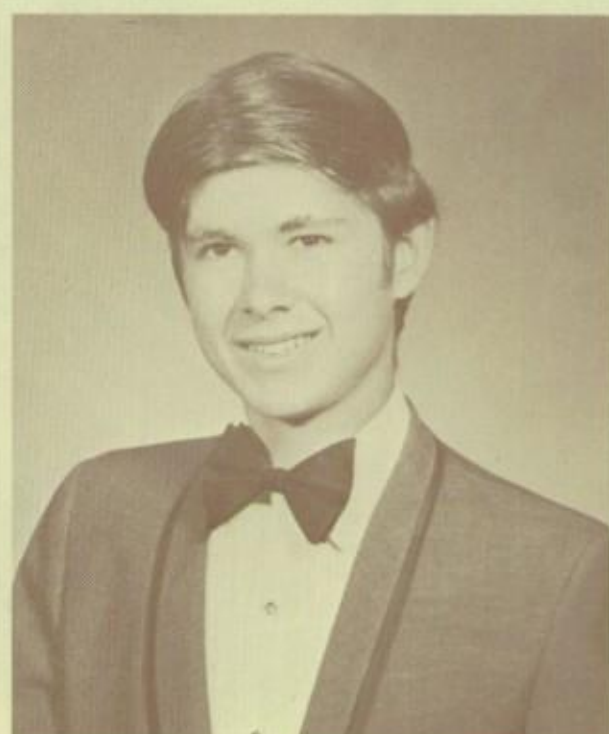

Kenny Cato  
Sometimes I study, but those times are  
few and far between.

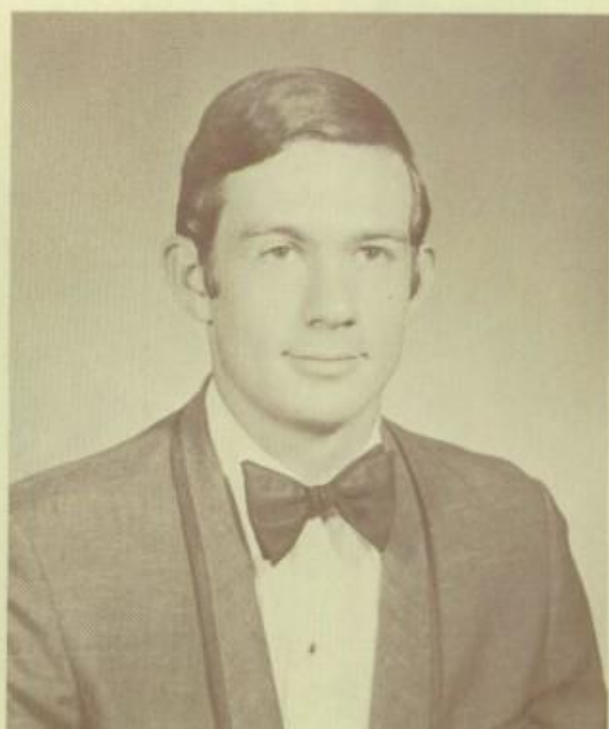

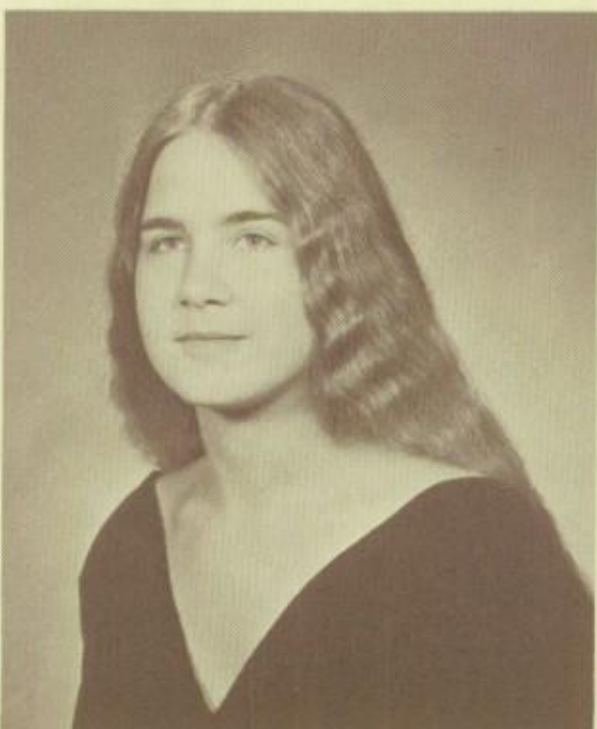

Mary Jo Christ  
"No, my head is quite empty," answered  
the woodman, "but once I had brains,  
and a heart also, so having tried them  
both, I should much rather have a heart."

Nancy Christ  
He who does not understand your silence  
will probably not understand your words.

Terry Crabtree  
Life would be nothing were it not for  
its little amusements.

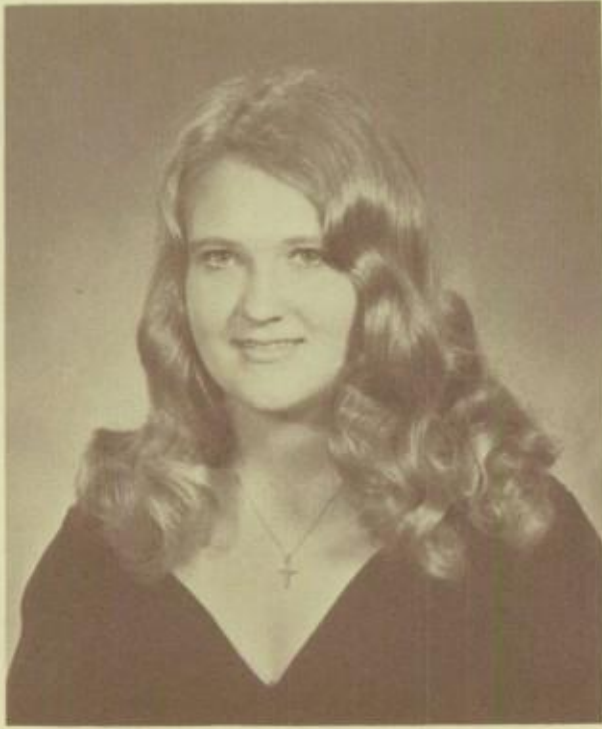

Lorin Cuoco  
No matter how much the Babbitts will  
scheme, One man's reality is another  
man's dream.

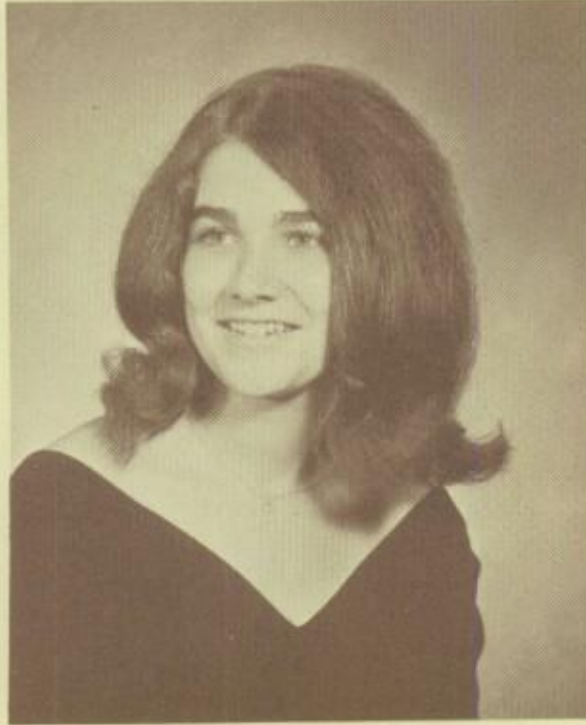

Bill Dunning  
Give a girl a whole heart and she'll break  
it, but give God a broken heart and He'll  
mend it.

## Friendliness is a Virtue of Seniors

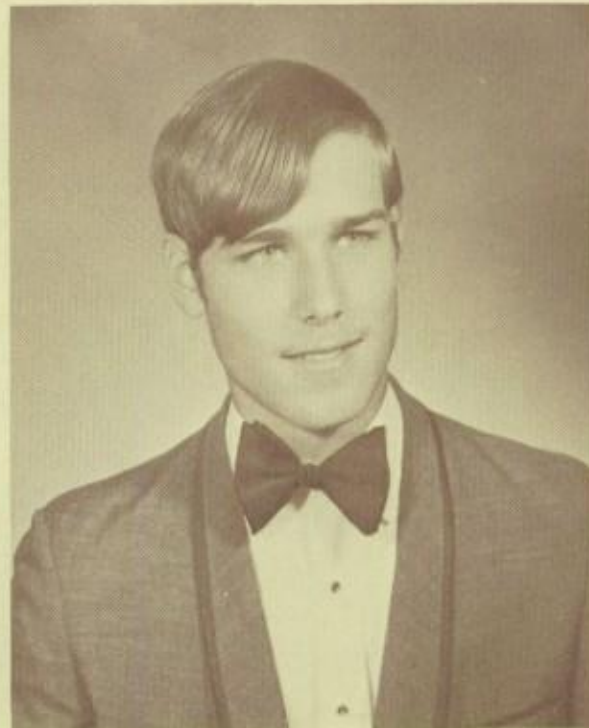

Debbie Erwin  
Sometimes life exceeds all expectations.

Nancy Finley  
Good things come in small packages. . .  
but then so does dynamite.

Earning the title of worst flirt didn't seem to be difficult for Joan Rithman and Dennis King.

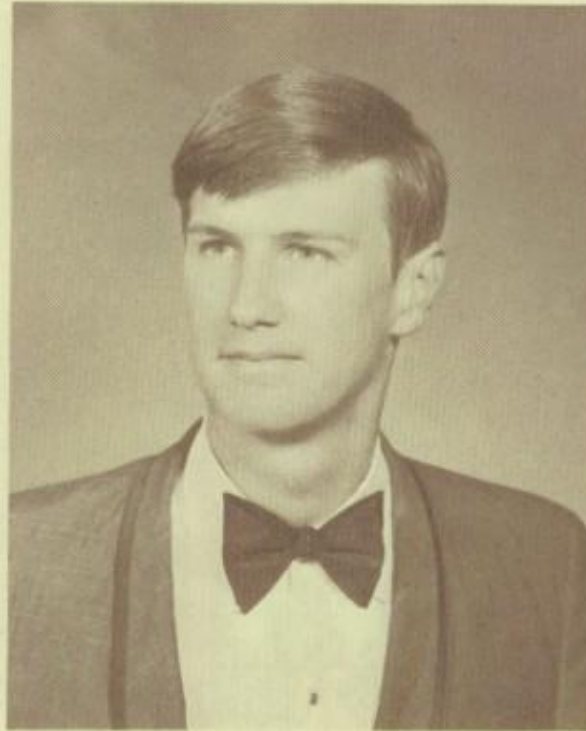

Brad Flinders  
Man is something that is to be surpassed.

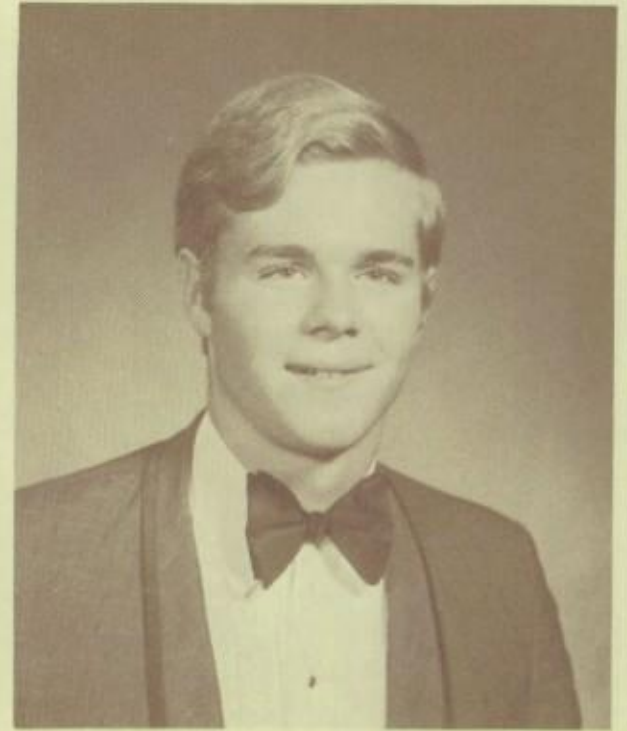

## Smiling Adds Warmth

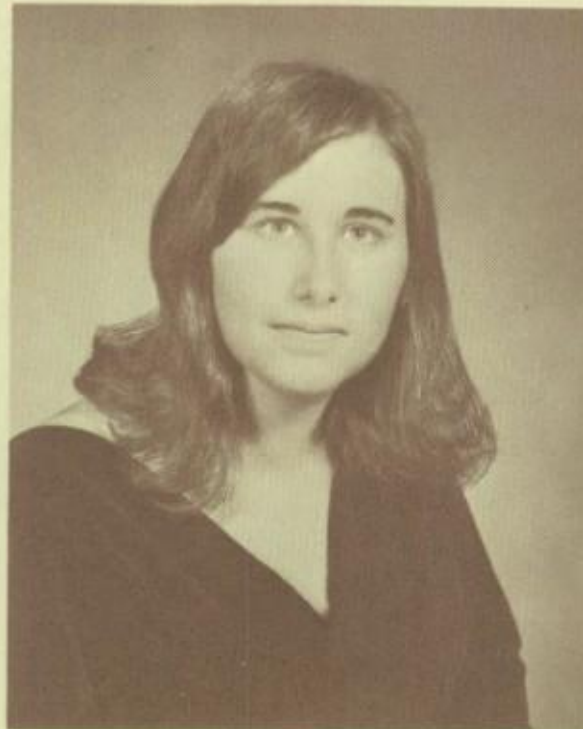

Ken Fohne  
The price of glory doesn't come easy.

Scott Ford  
Everybody's beautiful in his own way.

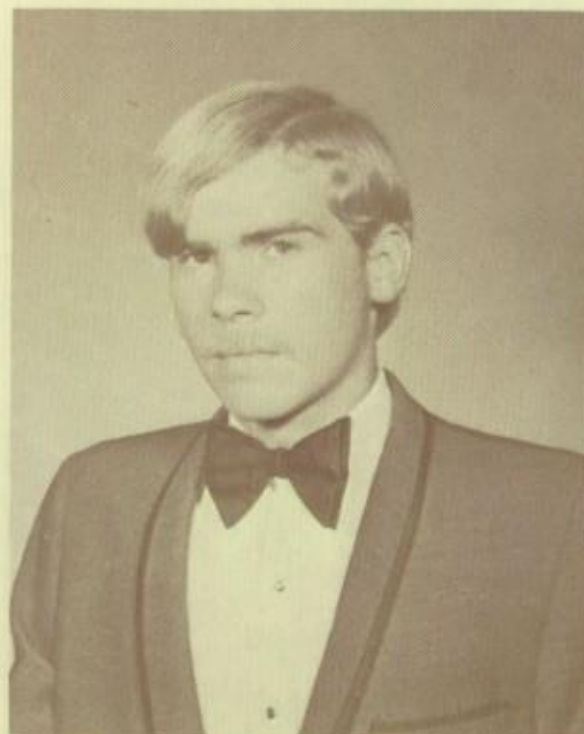

Dale French  
To the question, whether I am a pessimist or an optimist, I answer that my knowledge is pessimistic, but my willing and hope are optimistic.

Suzie James and Rodney Baer possess the fine qualities of being friendly.

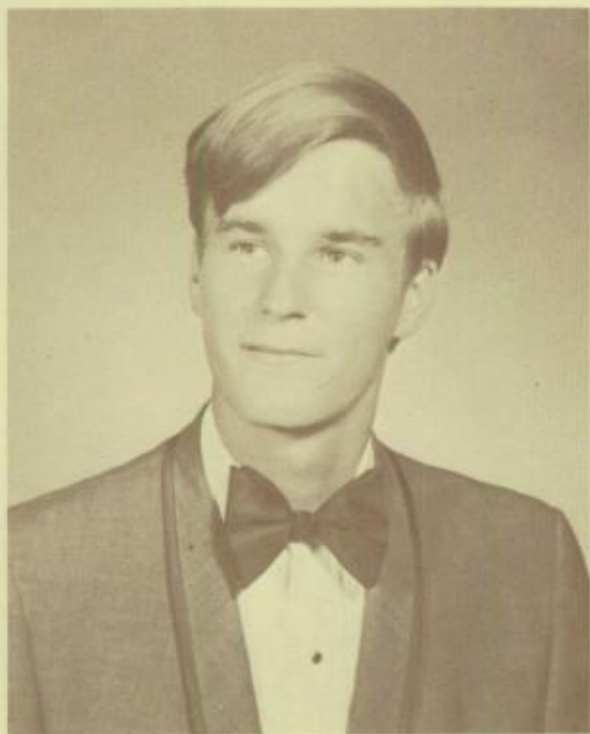

Mike Friend  
Live and let live!

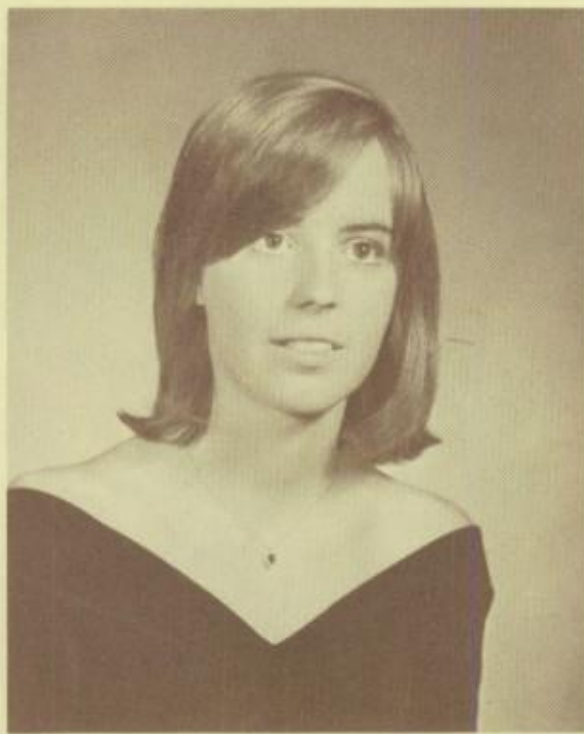

# nd Joy to Everyone

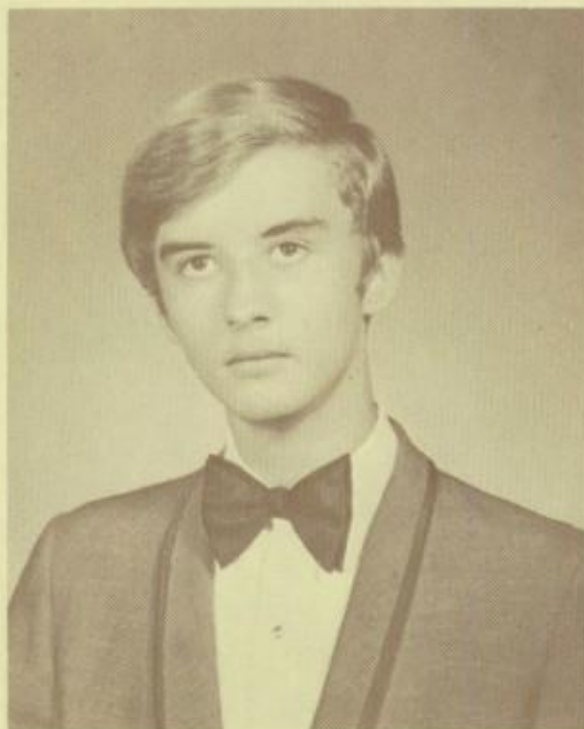

Hank Goehner  
My fun is more important than my  
physique.

Dana Frisby  
The memory of the just is blessed.

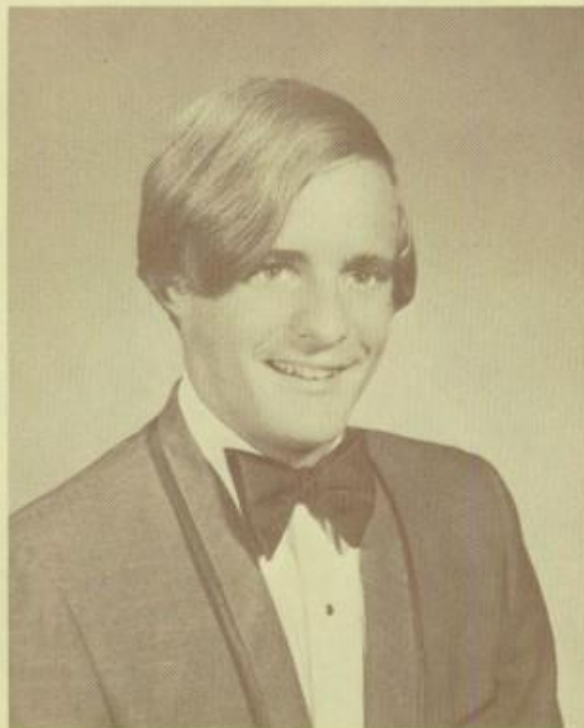

Donna Frisby  
Friends make all things bearable.

Cathy Guthrie  
In the end truth will conquer.

Mary Ann Haury  
Live, love, laugh, and be happy.

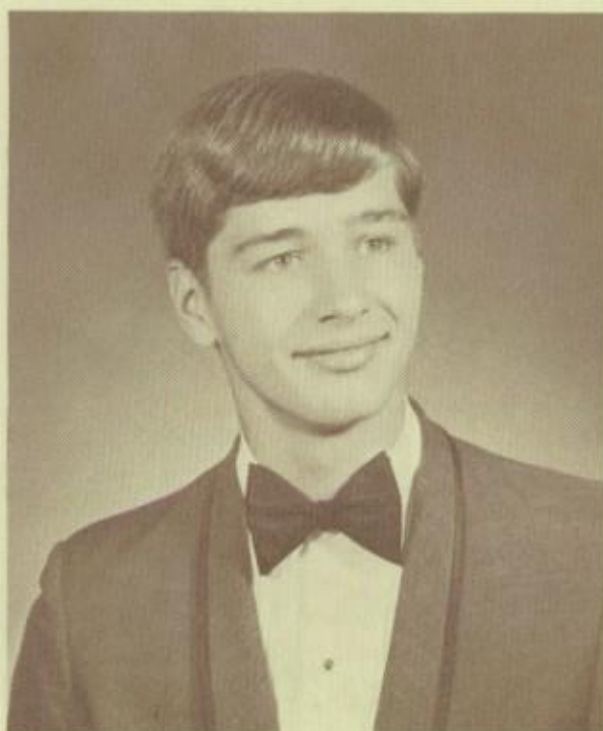

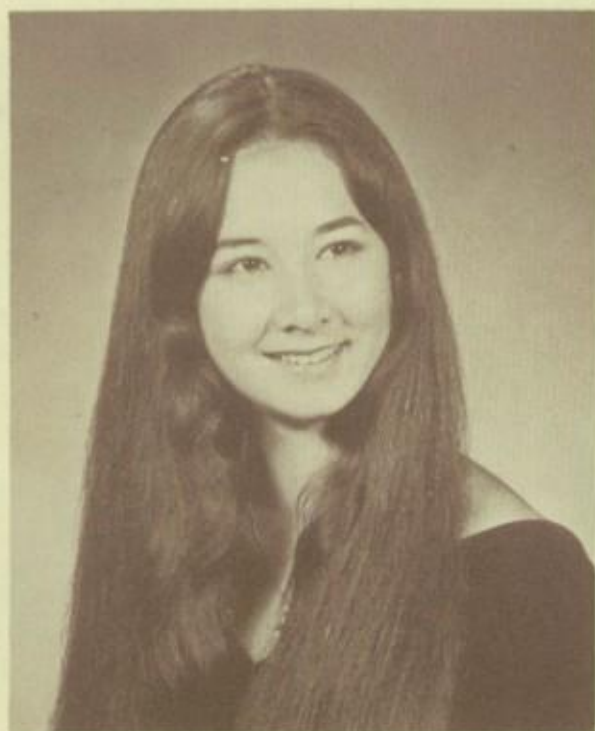

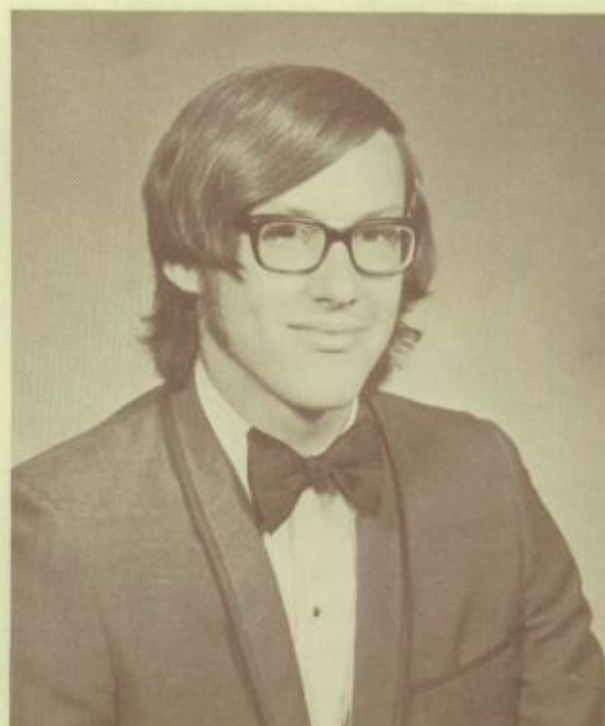

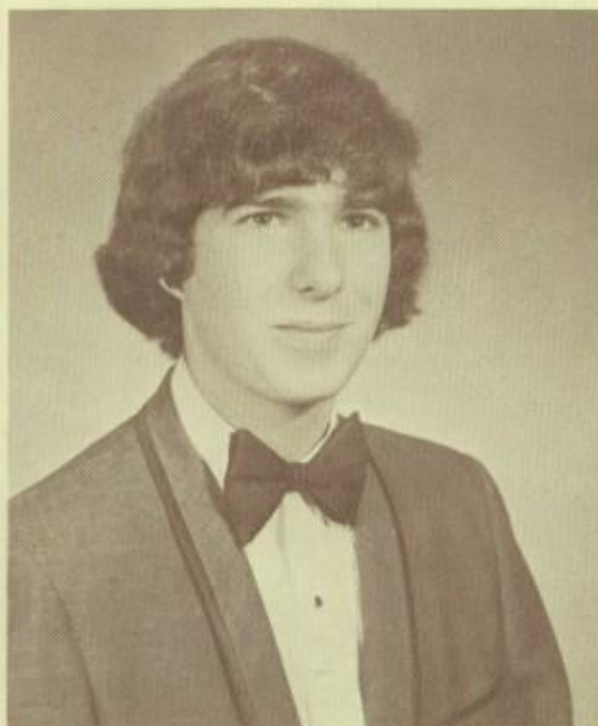

Joe Hogg  
We are not put in this world to sit still  
and know; we are put into it to act.

Joe Hohrein  
Why should I study? Maybe I can get  
by on my reputation. . . I better study!!

Randy Hoolihan  
Life's a big game, but nobody gets out  
alive.

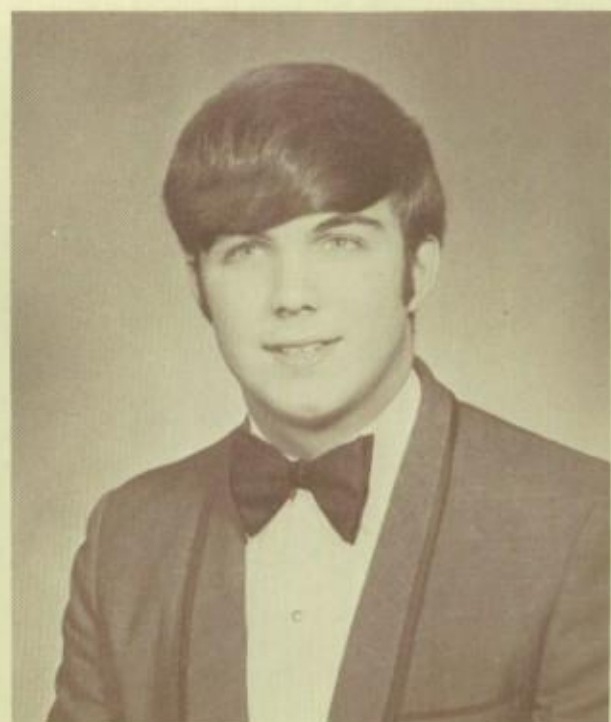

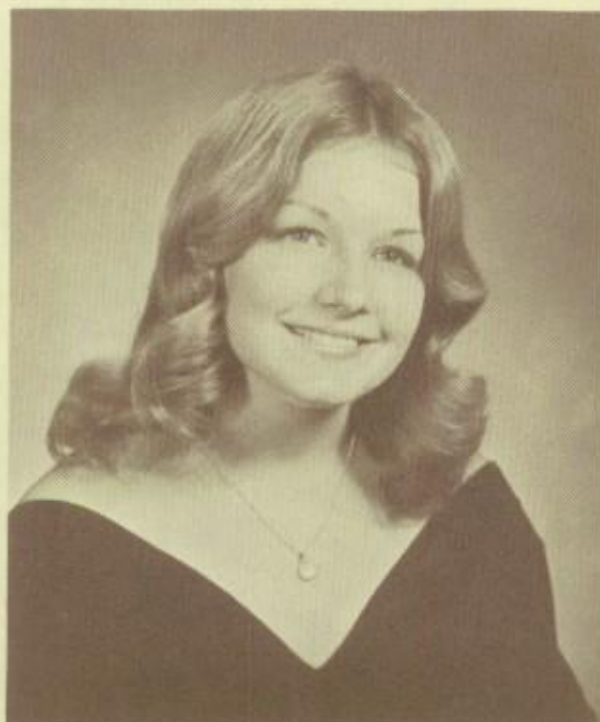

Helen Howell  
It takes both rain and sunshine to make  
a rainbow.

Bill James  
Veni! Vidi! Vici!

Suzie James  
What lies behind us and what lies before  
us are tiny matters, compared to what  
lies within us.

Kirby Ketrow  
Talking is the best form of communica-  
tion, and I try to communicate as much  
as possible.

## Class of '72 Means Creativity

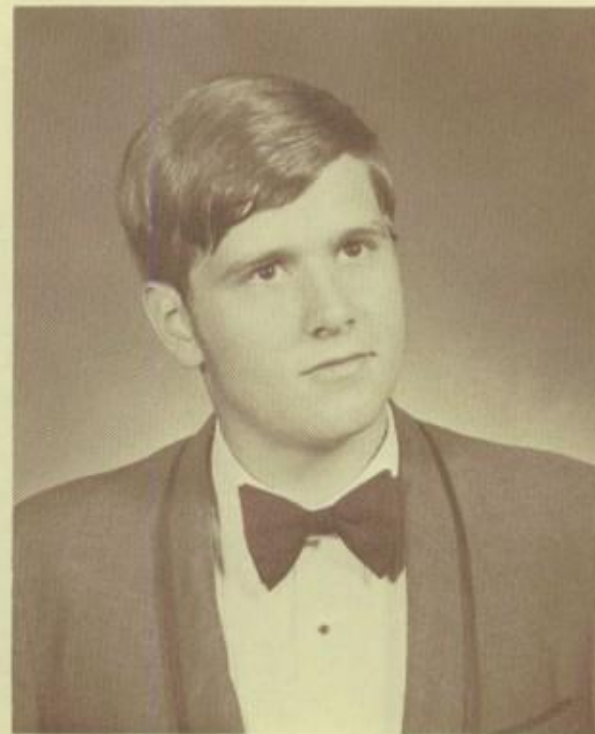

Dennis King  
The best way of avenging thyself is not  
to become like the wrong-doer.

Frances Kohler  
Heaven gives its glimpse only to those  
not close enough to see too clearly.

Debbie McAllister's and Bruce McAllister's many talents won them the  
title Most Talented.

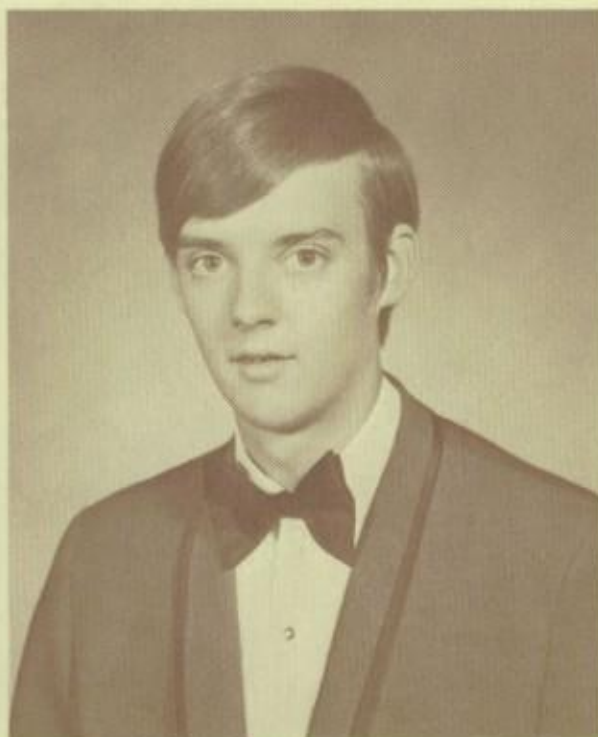

Larry Kunz  
Unless a man undertakes more than he  
possibly can do, he will never do all that  
he can.

Mary Langan  
I want to forget the past, live the present,  
and hope for the future.

Bruce Lintzenich  
To be little is to be little.

Linda Lysakowski  
Nothing is so firmly believed as that  
which we least know.

Debbie Erwin and Kevin Bennet were chosen as the two Most Likely to Succeed.

Greg MacMinn  
Doing an injury puts you below your  
enemy; Revenging one makes you but  
even with him; Forgiving it sets you  
above him.

## Seniors Have Learned Through Experience

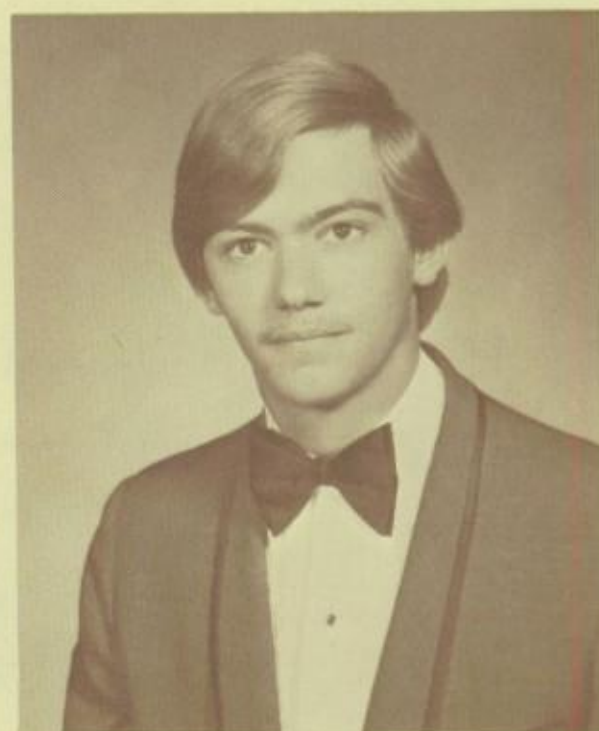

Bruce McAllister

Music can sooth the most savage beast.

Debbie McAllister

If I had but two loaves of bread, I would  
sell one and buy hyacinth, for they  
would feed my soul.

Bill Midgley

Man is immortal till his work is done.

Jill Weil and Darryl Brooks support their team by being very spirited.

Kathy Milledge

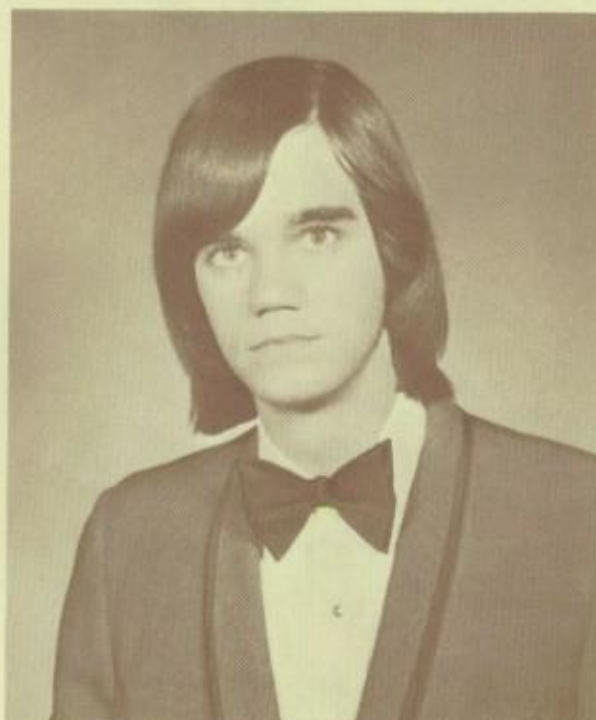

We are children gone astray.

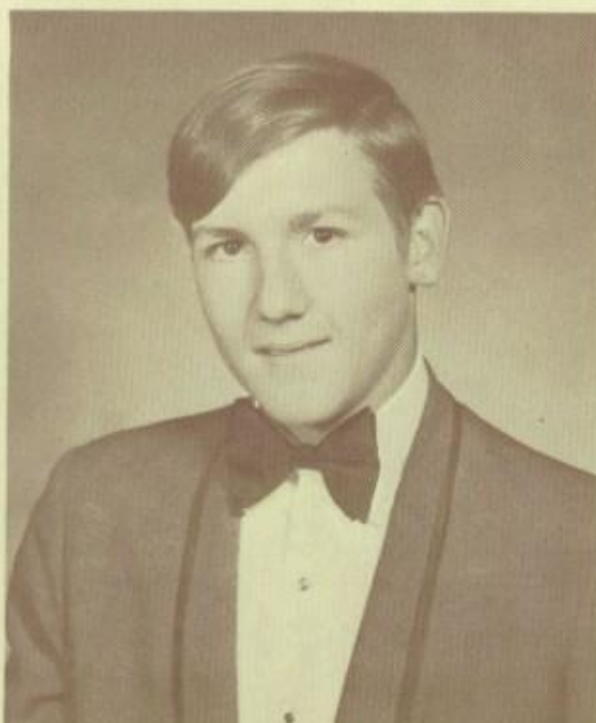

Linda Mueller  
Vague dreams become a fact and rise to  
serve a man.

Bob Noland  
"I'm a walking contradiction, partly  
truth and partly fiction, Taking every  
wrong direction on my lonely way back  
home."

Ron Nunn  
Tis nobler to fail than to cheat.

Pat Pendegraft  
Contentment is better than riches.

Being witty comes naturally to Fran Kohler  
and Larry Reeder.

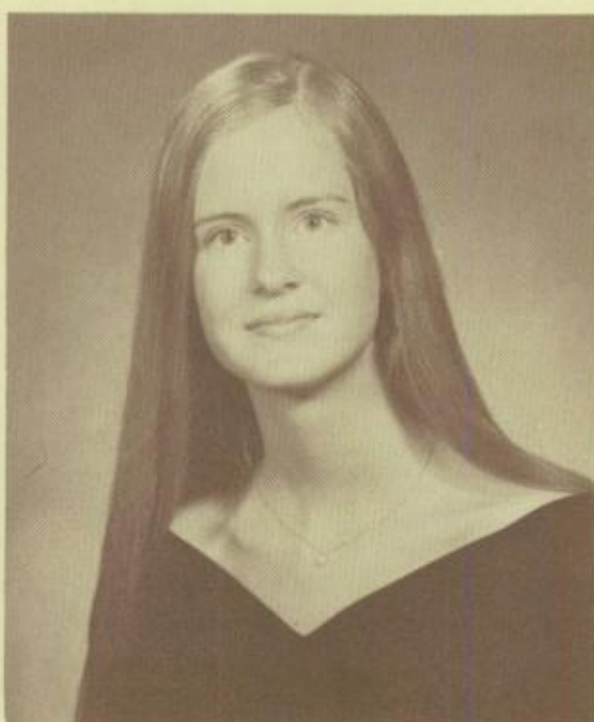

## Laughter is Life for Seniors

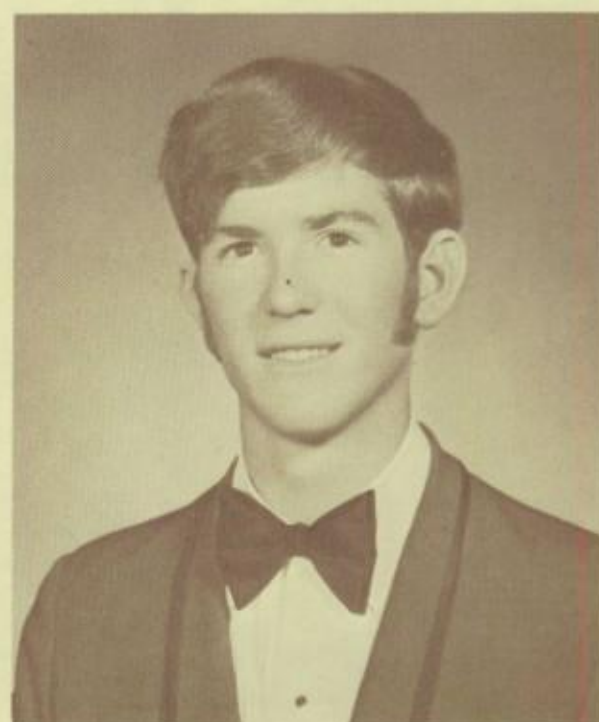

Melissa Peterson

By the accident of fortune a man may rule the world for a time but by virtue of love he may rule the world forever.

Jennifer Pfeffer

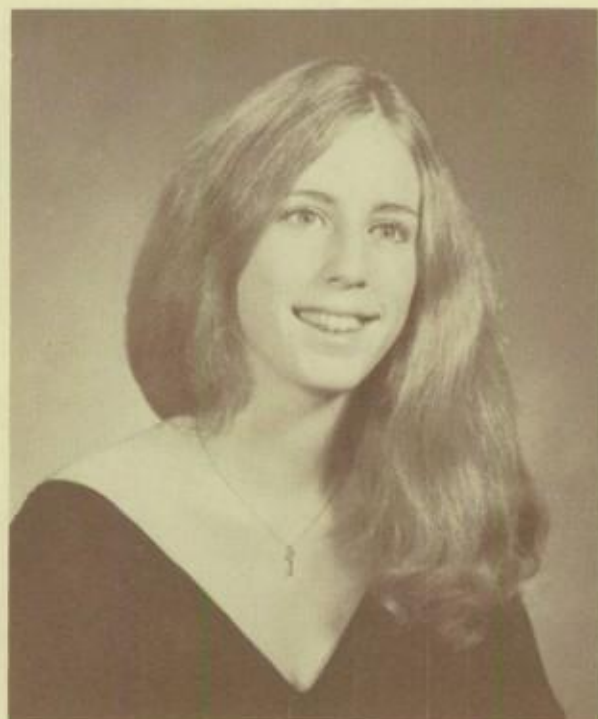

Each dawn is a new beginning.

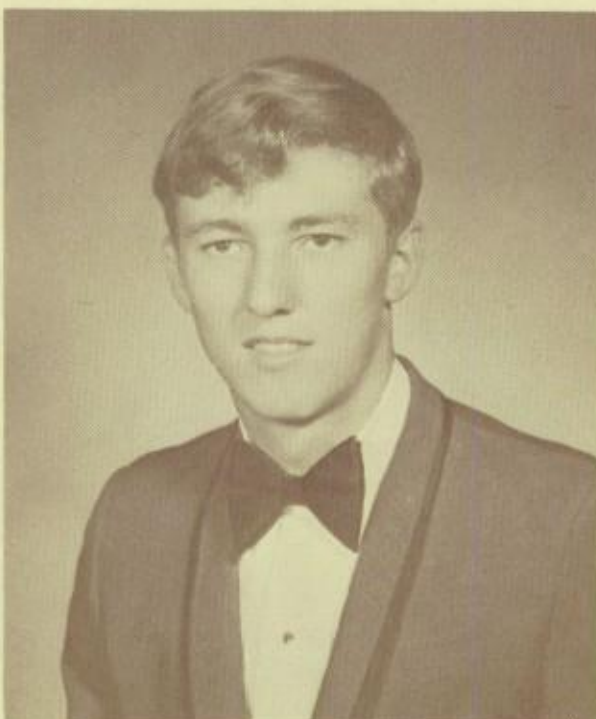

Larry Reeder

The greatest feeling in the world is to say "I love you" to a friend and really mean it.

Anne Reevesman  
Be not too hard for life is short; and nothing is given to man.

Gary Reinacher  
The language of friendship is meaning, not words.

David Renfro  
As a cure for worrying, work is better than whiskey.

Joan Rithman  
Only that day dawns to which we are  
awake.

Shyness seems to be one of Betty Strack's and Tom Wilhelm's outstanding characteristics.

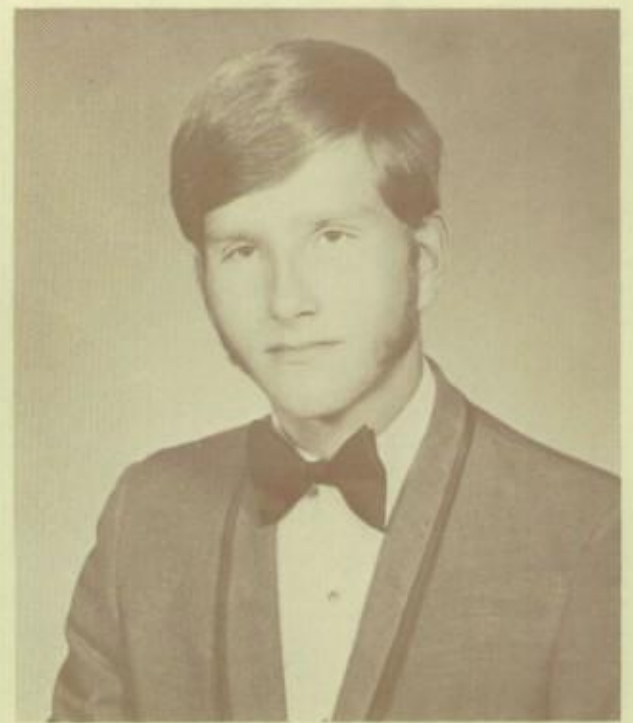

Cheryl Rutherford  
The way to love anything is to realize  
that it might be lost.

Pam Seketa  
Happiness will only come when I fulfill  
my life to its fullest.

Ron Sensel  
We should live and learn; but by the  
time we've learned, it's too late to live.

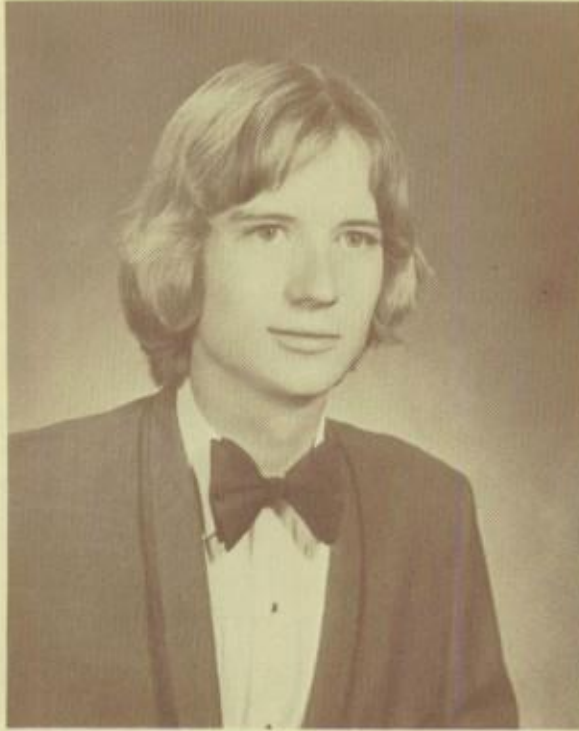

## Seniors Find Time for Silence

David Severit

Experience is not what happens to man;  
it is what a man does with what happens  
to him.

Greg Snead

I put all my problems in my right pocket,  
that's the one with the hole in it.

Joyce Stateler

The god of victory is said to be one  
handed, but peace gives victory to both  
sides.

Betty Strack

When a girl ceases to blush, she has lost  
the most powerful charm of her beauty.

Bill Suydam  
I know you believe you understand what  
you think I said, but I am not sure you  
realize that what you heard is not what I  
meant.

Patti Vest  
By sharing the joy of another, we  
increase it. By sharing the woe of  
another, we diminish it.

Pam Vrell  
In dreams and in love there are no impossibilities.

Jim Weber  
He who is plentifully provided for from within, needs but little from without.

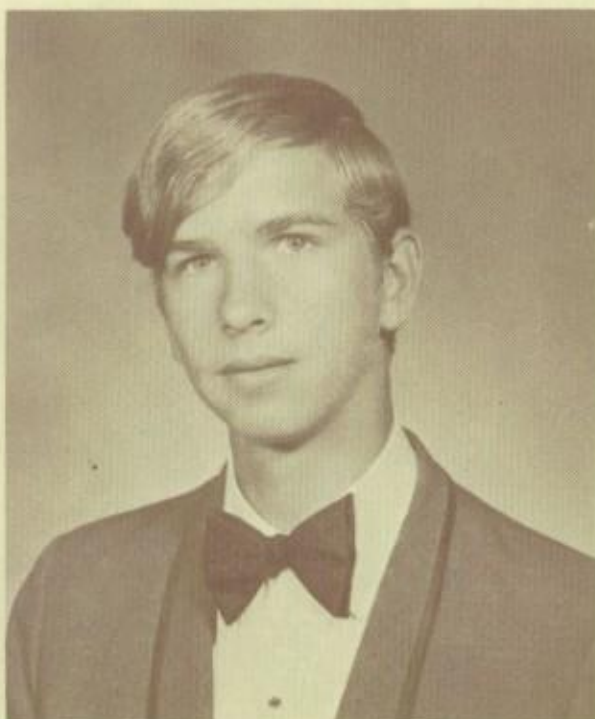

Tom Weber  
Don't be so critical, I'm just learning.

Jo Ann Weik  
All people smile in the same language.

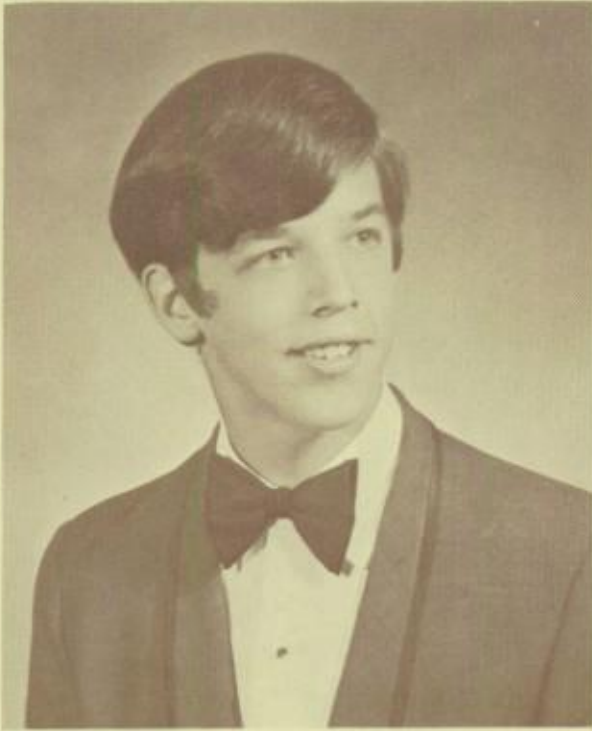

Jill Weil  
Thrift before marriage makes for happiness after the ceremony.

Lennie Whitehouse  
If it is the truth what does it matter who said it?

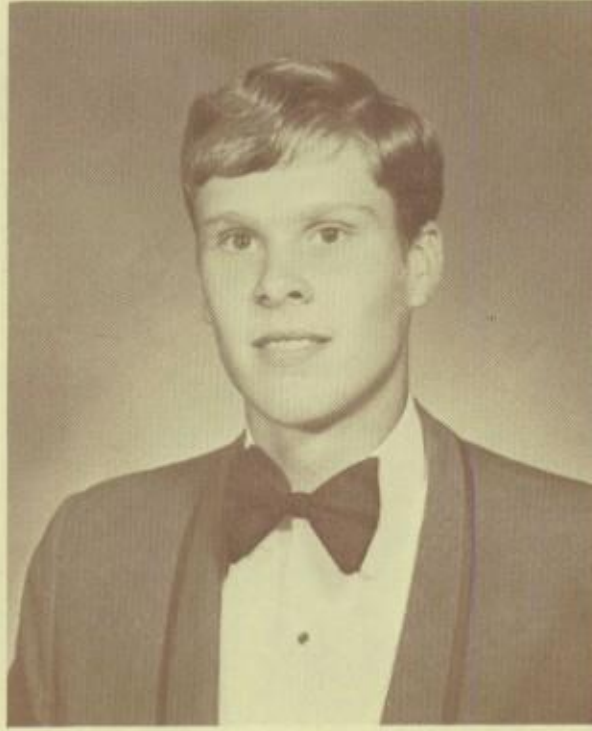

## Success is in the Future

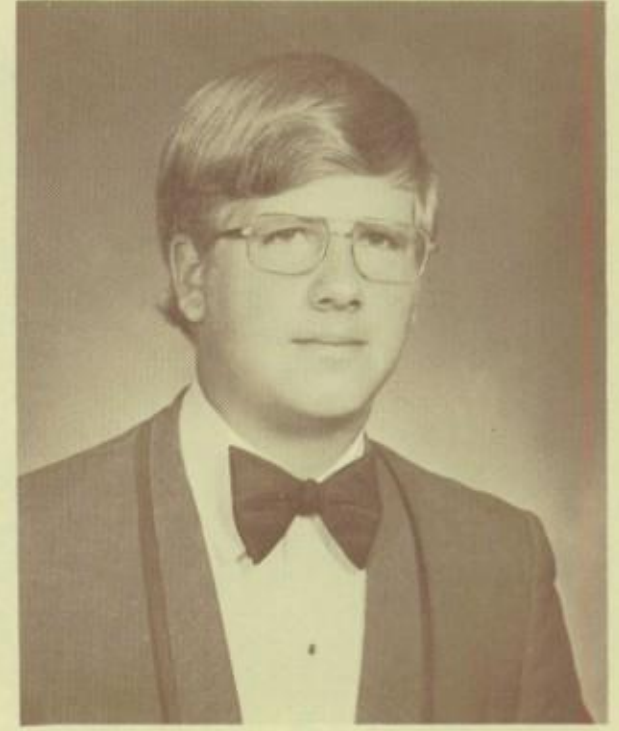

Tom Wilhelm

Live your life out to your fullest potential.

Bruce Winterrowd

Success comes with hard work and enthusiasm.

Tom Wolfslau

A bankbook is worthwhile reading; better than some novels.

Mary Jo Christ and Mark Cain very successfully achieved the title Best All Around.

Joan Zimmerman  
To fear love it to fear life.

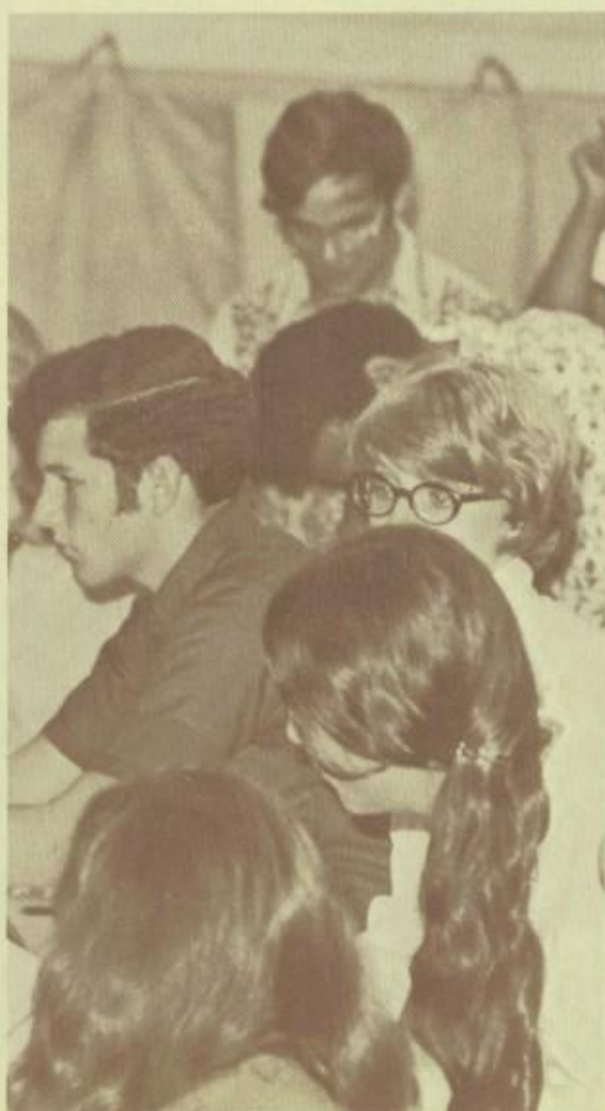

Dana, Greg, and Joe prepare for the big snowball fight.

Tom Weber uses the card catalog to find information for a research paper.

The Seniors discuss this year's activities and make future plans at their first class meeting.

Kirby Ketrow stops to relax after a hard day at school.

Tom works on his theme for English.

## Juniors Strive for Achievement

The class of '73 has increased since its freshman year.

Josalyn, Mitchell, and Michele worked diligently throughout the year to lead and organize the Junior class activities.

Sparked with enthusiasm, the Junior class began the year by selling the most subscriptions in the magazine campaign. Continuing in this spirit of success, the class of '73 created an array of excitement by presenting the "Parade of Fall Fashions". They asserted their abilities in salesmanship and sold both candy and cloth calendars. To display their creative talent and hard work, the Juniors presented the play, "Life with Father," and sponsored a variety show. With these achievements behind them, the Junior class inevitably reached its ultimate goal, a successful 1972 Prom.

At their first class meeting the Juniors elected Josalyn Slaughter as vice-president, Mitchell Loch as president, and Michele Rowe as secretary-treasurer.

Marcia, Debbie, and Alesia take advantage of the new library equipment.

Josalyn seems disgusted with Rich's childish antics.

## Sophomores Begin

On a chilly November afternoon the Sophomore students gathered on the bleachers behind the tennis court for their class picture.

Tyrone, Nancy, and Bill as officers lead the Sophomore class activities.

After completing that first year of confusion and embarrassment, the Sophomores entered their second year of high school with a feeling of confidence and self-assurance. By electing officers and student council representatives, the class of '74 became immediately involved in the government of the student body. The Sophomores increased their bank balance through a dance, candy sale, and other projects they sponsored. After successfully struggling through its first two years of high school, the class of '74 is looking forward to its two final years with spirit and enthusiasm.

The Sophomore class chose Bill Perkins as its president, Nancy Loch as secretary-treasurer, and Tyrone Burns as vice-president.

## Freshmen Participate In Student Government

Lee, Mary, and Sue were chosen as the Freshman officers at their first class meeting.

With the election of qualified officers to lead them, the Freshman class began the new year with high ideals and undying ambitions. The strength of unity combined with hard work made the class's first project, a slave day, very successful. The formation of their own pep club added spirit to the class and gave support to the Freshman athletic teams.

Lee Miller was chosen to fulfill the duties as president, Mary Bryant as secretary, and Sue Haferman as vice-president.

## Happenings

# The 1971 Variety Show Is An Evening of Delightful Entertainment

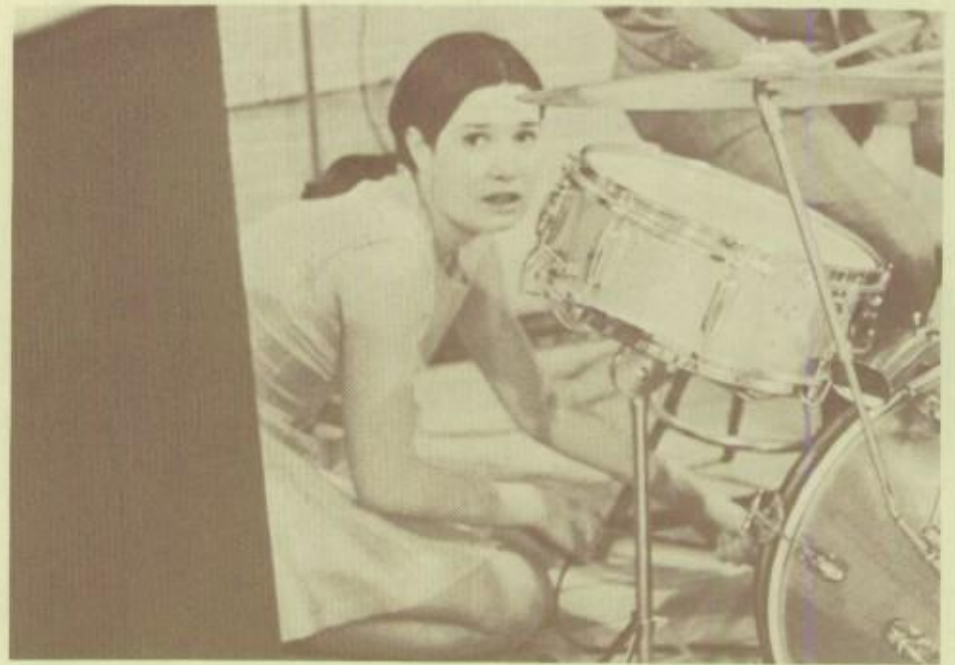

Entertainers gather together for curtain calls.

Last minute preparations are done for the show.

On March 19, 1971, the Class of '72 presented the Variety Show. The show was opened with a dance done by the Junior class girls to "It's a Sign of the Times", the theme of the program. The acts which followed included dances, songs, comedy monologues, a combo, and a dog act. Fran Kohler and Jo Ann Weik added to the gaiety of the evening with their humorous antics as Mistresses of Ceremonies. All the entertainers joined in a grand finale singing "Let the Sunshine In" which created a smashing ending to a delightful evening.

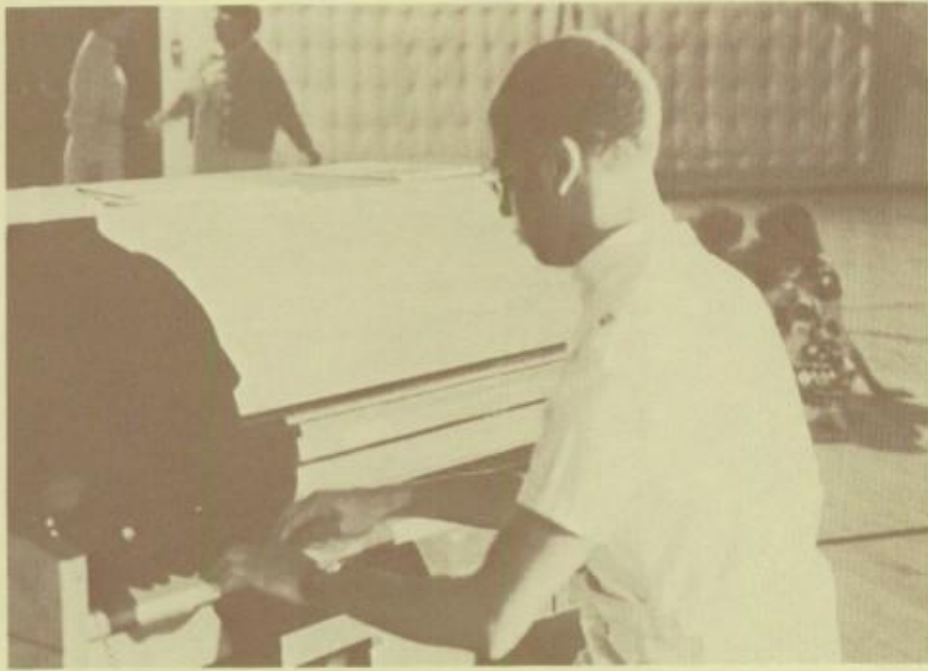

Mary Jo wonders at the workings of a drum.

The Sextet sings selections from "Oliver".

Bruce practices "Love Story" to play in the show.

The Junior girls show off their legs while doing high kicks.

Jo Ann smiles because she has done it right this time.

Larry does his thing on the drums.

Miss Earlene Lucy contemplates on the outcome of the Variety Show.

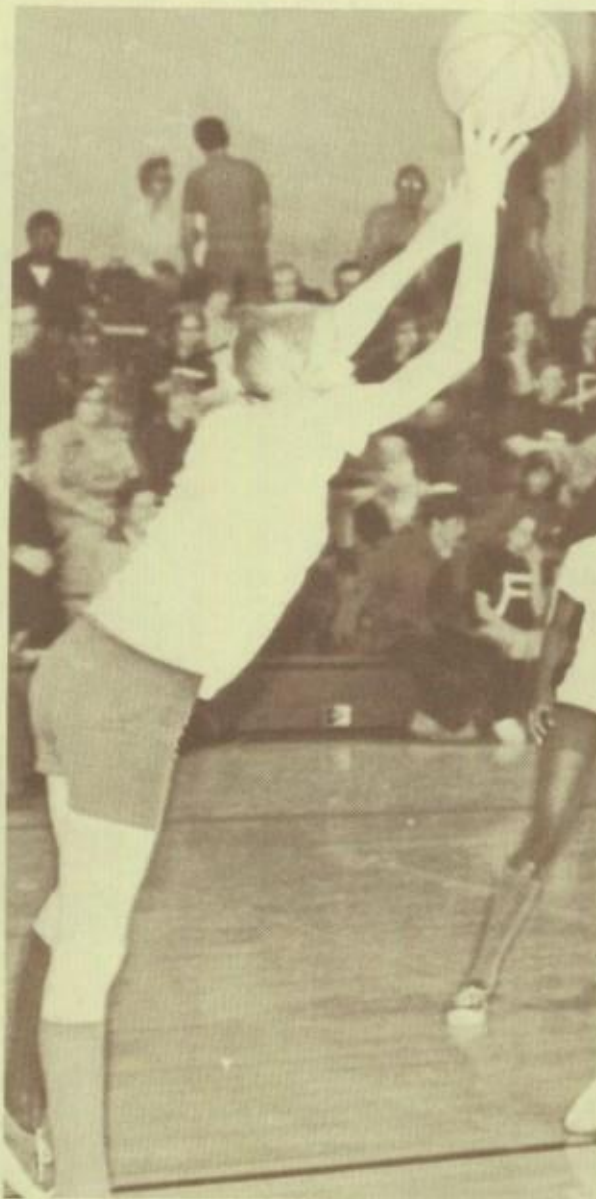

## Sophomores Triumph Over the Seniors

Freshmen girls race to the water fountain at half time.

Debbie Snead is stretching that extra inch for that basket.

Once a year the girls of LHS are given a chance to show off their athletic abilities in the annual basketball game sponsored by the Junior class. In the first game the Frosh team easily subjugated the Juniors with a score of 11 to 3. The second game of the evening ended with the Sophomores beating the Seniors with a score of 12 to 11. After a tough struggle with the Freshmen in the third and final game, the Sophomores were in the number one position with only a one point advantage. The girls' talents together with the help and enthusiasm of the coaches made the game a complete success.

Mary Henman outwits the Brunjes sisters.

Sophomores battle the Seniors for the first-place trophy.

Nellie grieves at the loss of her husband and her money.

Josalyn prepares to go out against her husband's wishes.

Members of the cast were Linda Boone, Nellie McMurray, Kendall Newsome, Kevin Newsome, Josalyn Slaughter, Bob Schiebel, Terry Nunn, Wilson Cornish, and Wendell Turner.

## "A Raisin in the Sun" Deals With Dreams Deferred

Both honest and touching, "A Raisin in the Sun" is the story of a "dream deferred". Written by Lorraine Hansberry, it tells of a crisis in a Negro family whose hopes, anxieties, and feelings cross the color lines.

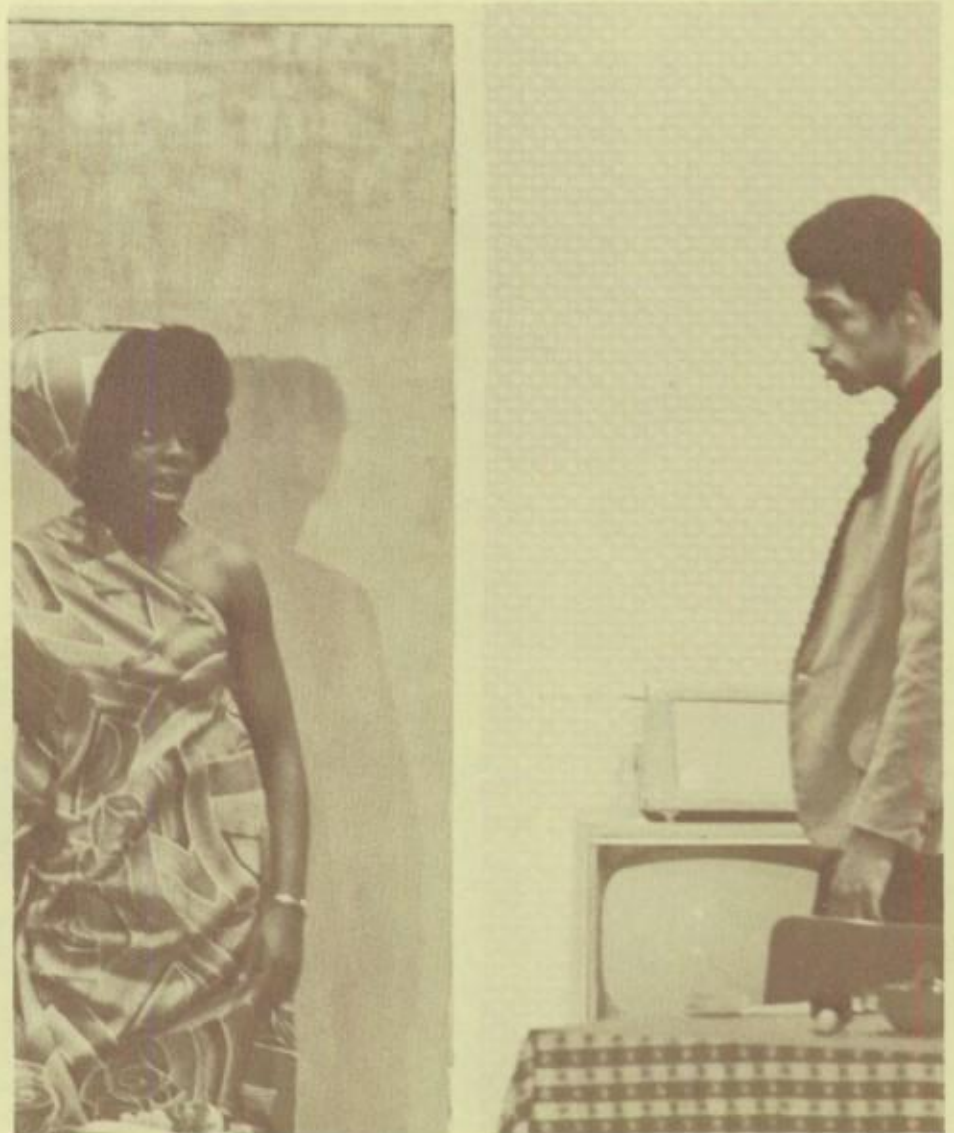

The play concerns the festering hopes and near disillusion of the Youngers--a family that has lived with failure for generations. At first money seems to be an answer to the Youngers' problems. Walter Lee yearns to start his own business. His sister, Beneatha fights to continue her education while her mother imagines herself owning her own house. The Youngers' dream many dreams, all of them vivid and relative to their struggle for dignity.

The Speech department of Lebanon High School presented this play on April 16, and due to popular demand it was given again on April 29. It was directed by Miss Deborah Weider.

Kendall shows much pleasure as he receives fifty cents to take a taxi.

As Wendell and Linda verbally battle, the audience watches attentively.

## "Alice in Wonderland" Creates Mood o

Queen Shelly Hartman and King James Beaston are surrounded by their court.

Roy Alexander escorts Julie Weil.

Junior attendant Janell Browning is escorted by Mike McKee.

Bill MacMinn escorts Maid of Honor Debbie Sobol.

## antasy for 1971 Prom

By creating a dreamlike atmosphere, which included mushrooms and beautiful flowers, the Junior-Senior prom made one feel like Alice in Wonderland. After an opening speech by Helen Howell, Mary Jo Christ welcomed the Seniors and introduced Terry Nunn, the Senior class president. Fran Kohler paid tribute to the class of '71 in a short speech after which Debbie McAllister and Bill James came forward to start the coronation ceremonies by introducing the retiring king and queen, Mark Dillinger and Carol Busch. Janell Browning, the Junior attendant was escorted by Mike McKee. Julie Weil, the Senior attendant, entered with Roy Alexander. They were followed by the Maid of Honor, Debbie Sobol and her escort Bill MacMinn. Joan Zimmerman brought the crown and took her place to watch as Jim Beaston and Shelly Hartman were introduced as the king and queen of the 1971 prom. The guests all offered their congratulations and took part in the ensuing celebration.

Retiring Queen Carol Busch crowns new '71 Queen Shelly Hartman.

Shelly and Jim begin the traditional Queen's Dance.

Joan Zimmerman was selected Crown Bearer for the evening.

Debbie and Bill served as commentators for the coronation ceremony.

## The 1971 Prom Was A

Servers for the evening were Bill Perkins, Stuart Erwin, Bruce Norris, Ken Reeder, Crystal Catchings, Debbie Vrell, Ruth Strack, Nancy Loch, and Jamie Kunz.

One of the many decorations was Alice.

Dressed as Alice and the Mad Hatter, four girls and five boys served at the 1971 Prom. Disguised as the White Rabbit, Jamie Kunz greeted arriving guests at the door. A delicious buffet dinner was served and the music was provided by Bob Donahill's orchestra. The atmosphere and the company made the evening pleasurable and created a lasting memory of a wonderful night.

Prom Chairmen Debbie McAllister, Fran Kohler, and Helen Howell receive their gifts.

Terry Nunn thanks the Junior Class for the lovely prom.

## reamland Come True

Couples are served at the buffet dinner.

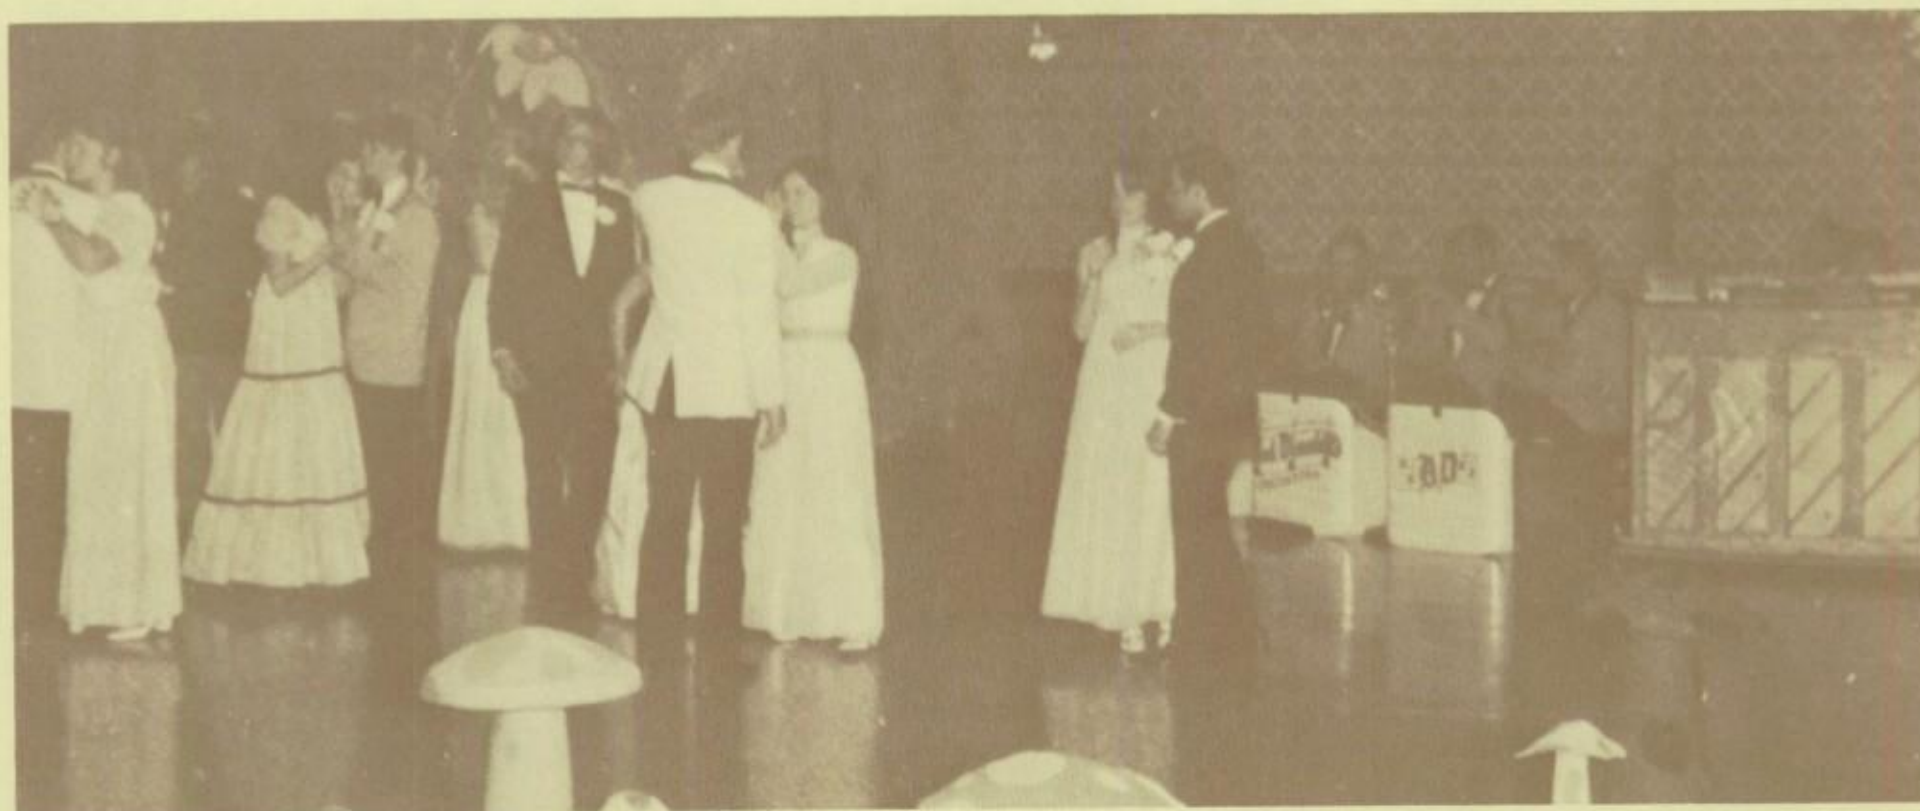

All await the coronation ceremony.

Servers assist in seating guests.

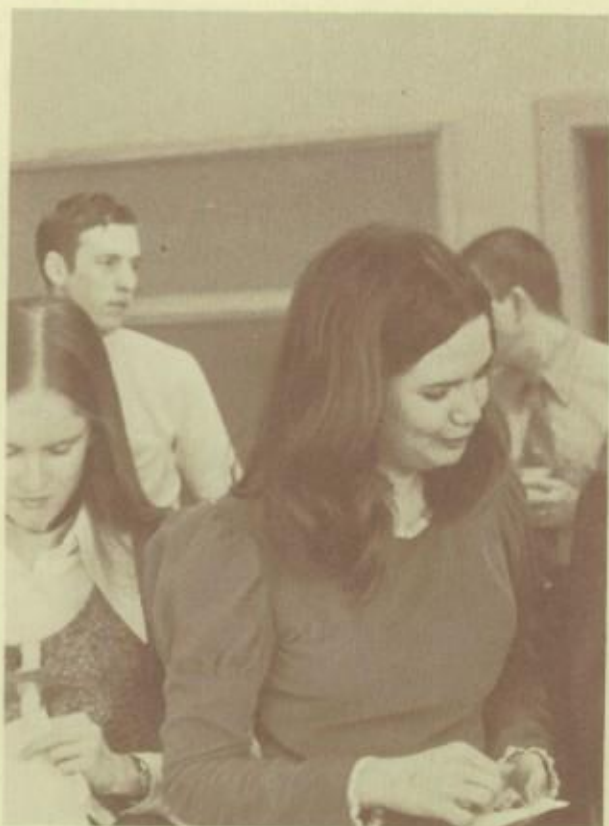

Dancing and socializing add highlights to the evening.

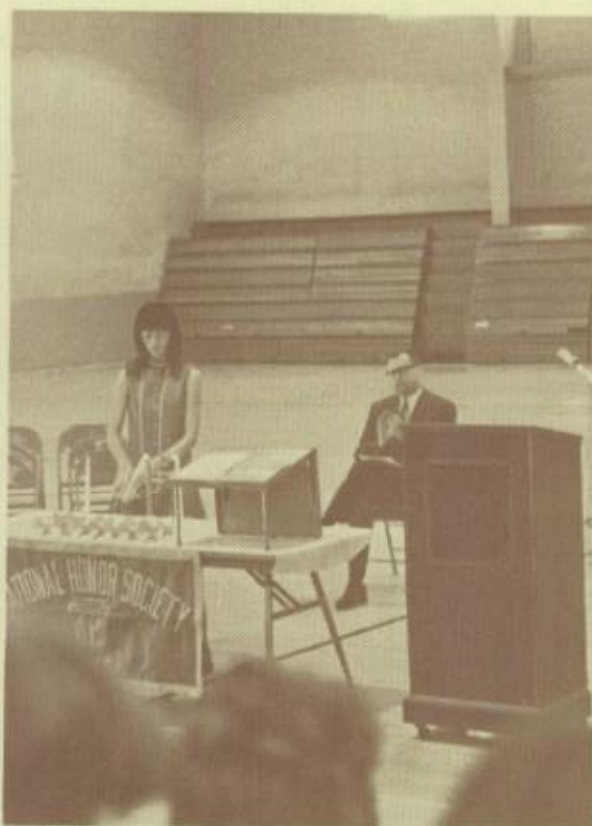

## National Honor Society Holds Induction

Jenny and Mary Jo are thrilled about their acceptance in the National Honor Society.

Julie lights her candle after explaining the qualifications.

In March, 1971, the National Honor Society held the induction for new members. The ceremony began with last year's members speaking on the qualities of NHS members. Each in turn lit a candle signifying these virtues--scholarship, leadership, service, citizenship, and development of character.

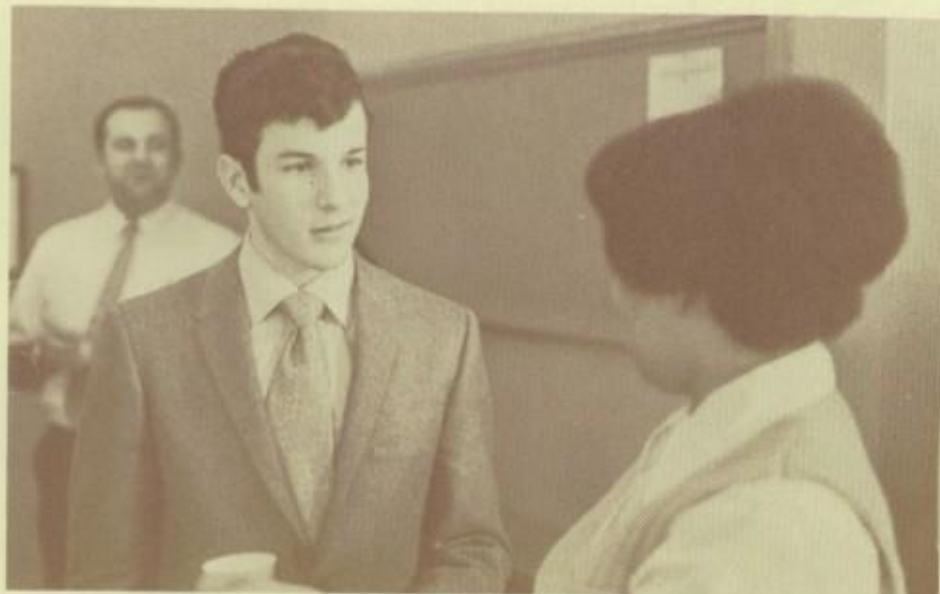

The new members were announced, and they signed their names to the register. After the ceremony, a reception was held for all the members, their parents, and the faculty.

Fran adds her name to the ever growing list of members.

Mark, Mr. Schieppe, and Pat seem to be enjoying the reception.

The parents congratulate the new members at the reception.

## "The Male Animal" Evokes Laughter From All

During its Junior year, the class of '72 produced "The Male Animal", a play written by James Thurber and Elliot Nugent. Based on the concept of freedom of speech, the play centers around a few days in the life of a college professor in the Midwest. When an old flame of his wife's arrives for the big football game, complications arise. Disagreements and misunderstandings are furthered along by the head of the school board who at best was a loud windbag.

Tommy Turner (Rodney) is recovering from his hangover.

Ellen Turner (Mary Jo) is greeting the Professor (Kevin).

Joe Ferguson (Bill) explains the new football procedures with glasses.

"If you're so drunk you can't walk-crawl!"

"That must have been some party! The leftovers are great!"

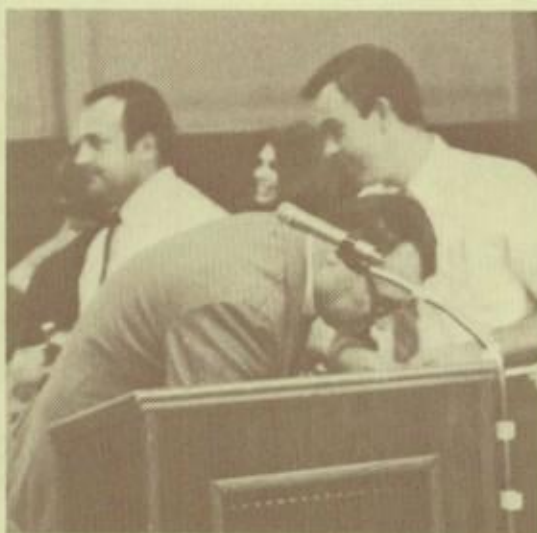

## Students Receive Honors

Craig and Jim receive athletic awards.

On May 22, 1971, special tribute was paid to deserving students as they were feted on Honor's Day. Awards were presented to the cheerleaders, librarians, drill team members, and sports and drama participants. Special awards such as the American Legion Award and Citizenship Award were given to outstanding seniors.

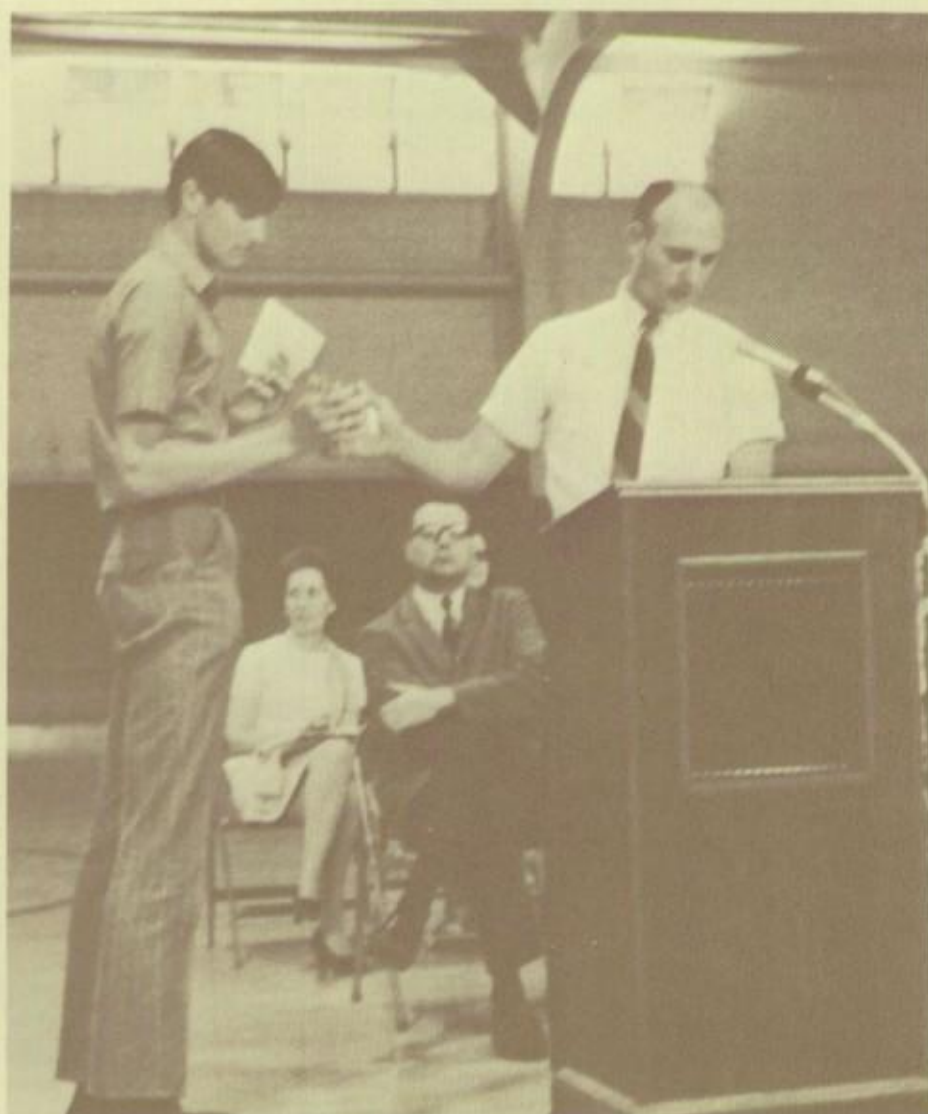

Mr. Wright began and ended the Honor's Day ceremonies.

Debbie McAllister earns an award as a varsity cheerleader.

Ken Fohne receives a trophy for his outstanding performance on the court.

Terry Nunn, Nellie McMurray, Julie Weil, and David Wilhelm receive American Legion awards.

## Senior Class Graduates With High Honors

Graduation is not only the beginning of freedom but the beginning of a new life. High school tries to prepare the student for this oncoming life in the world. The seniors are given a fond good-bye and wished lots of good luck, for the world is now theirs.

Patti Stump rated second.

Linda Heer stood third.

David Wilhelm ranked first in the Class of '71 with a grade average of 4.947.

Julie Weil was in the fourth position.

Diana Widicus was fifth.

## Juniors Set Trend For Fall Fashions

Gina is all ready for a day in the city.

The 71-72 Junior class presented the annual fashion show on October 27. "A Parade of Fall Fashions" found the gymnasium decorated in an autumn and Paris motif. The girls' and women's fashions were provided by Lerner's in Belleville and were described by Ann Pier. The Men's fashions from the H.I.S. Shop in O'Fallon, were described by Dennis Burrows.

Janet models an outfit which looks as if it was made especially for her.

Looking his best, John is ready for a day at school.

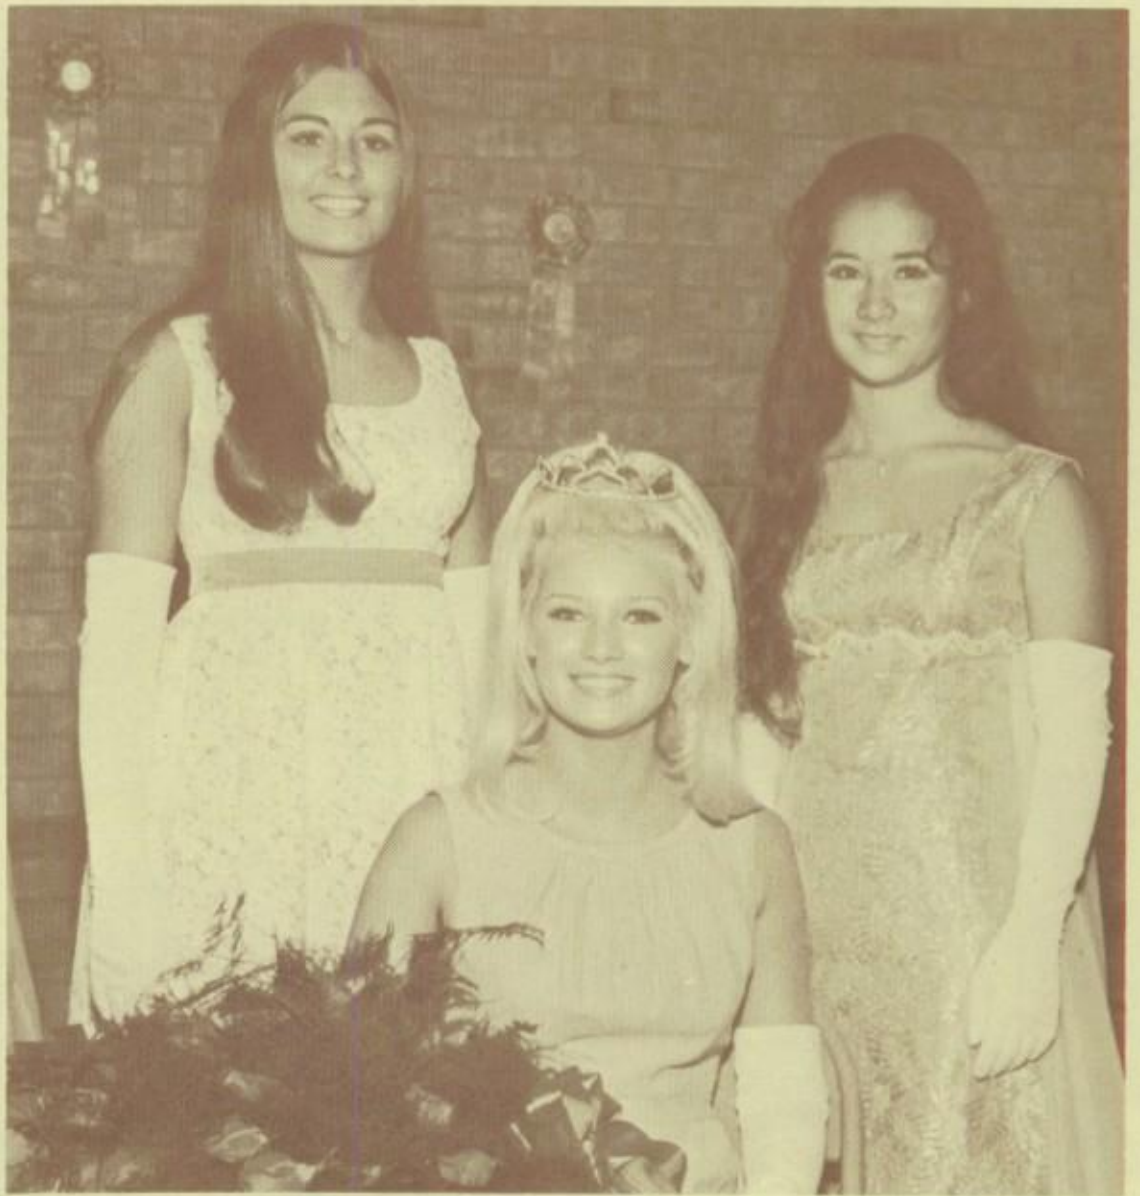

Clothes come in such a wide variety that they allow everyone to be in style.

Helen poses for a picture during the formal competition.

Harvest Queen, Kathy Hermerding, Suzie Pfeiffer, first runner-up, and Helen, second runner-up, pose for a picture after the coronation.

## Helen Howell Represents LHS At Harvest Queen Contest

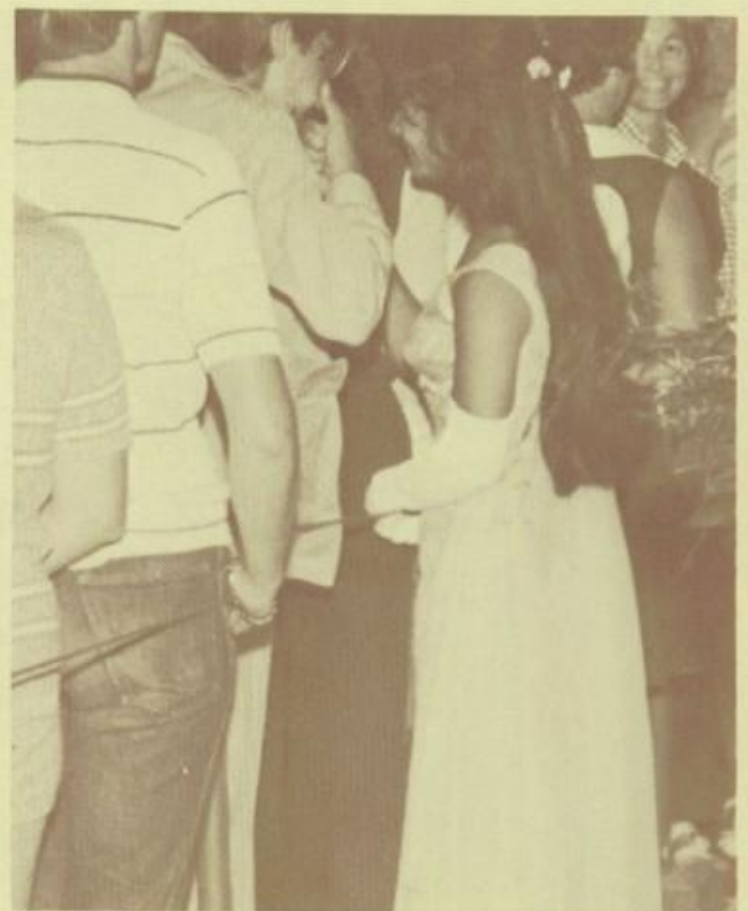

Helen has been a cheerleader for four years and is also involved in many extracurricular activities.

Lebanon students congratulate Helen after the coronation.

In March 1971, Helen Howell was elected "Harvest Queen Representative" to attend the annual Harvest Queen contest in July. Preparations for the contest began early in the month.

Candidates from Belleville West, Belleville East, Mascoutah, Lebanon, New Athens, O'Fallon, and Marissa competed for the title of Harvest Queen.

On July 27, a banquet was held at Fisher's Restaurant where the actual judging took place. The contestants were interviewed privately and before an audience. The girls were rated on poise, personality, and appearance. They also attended a radio and television interview. The coronation took place on July 29, at the Bel Clair Exposition Hall.

## Suzie James is Chosen

"There is in man's nature a secret inclination and motion towards love of others, which, if it be not spent upon some one or a few, doth naturally spread itself towards many and maketh men become human and charitable."

Suzie James has been seen in the Queen's Court before, and this year she was elected as All-School Queen for 1971-1972. Suzie has been very active as a cheerleader for four years and has been elected captain these last two years. She has served as the Secretary-Treasurer of the Varsity Club, Student Council, and her Freshman class. Suzie is also active in the Drama Club and Thespian Society. This year she is the editor of the Greyhound. For two years Suzie has been elected as "Friendliest" by the Juniors, Seniors and teachers.

Last summer Suzie worked at a camp for mentally handicapped children. She plans to go into some field of special education.

# s All School Queen

## Senior Class is Well Represented

"And in the sweetness of friendship  
let there be laughter and sharing of pleasures  
For in the dew of little things the heart  
finds its morning and is refreshed."

Mary Jo Christ was elected as one of the Senior attendants for the 1971 Queen's Ball. Mary Jo has been very involved with LHS activities during her four years of school here. Scholastically she is number one in the Senior Class, and is a member of the National Honor Society. She is a National Merit Commended Scholar and an Illinois State Scholar. Mary Jo is a member of the Pep Club, Drama Club, and Thespian Society. She was elected vice-president of her Sophomore class, president of her Junior class, and president of the Student Council. She worked on the Cedarian staff for three years and is now a co-editor of the year-book. In the future, Mary Jo would like to be a Guidance Counselor.

"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears however measured or far away."

Joan Zimmerman was also elected as a Senior attendant this year. Joan has been active in the Pep Club for four years and has been on the Cedarian staff for two years. She has also served on the Student Council and was secretary-treasurer of her Sophomore class. Last year she was chosen as a member of the National Honor Society.

Joan plans to attend Belleville Area College and is undecided about a career.

## 1971 Queen's Ball Attendants Are Selected By Students

"Quiet minds cannot be perplexed or frightened, but go on in fortune or misfortune at their own private pace, like a clock in a thunderstorm."

The 1971 Freshman attendant was Nancy Martin. Although this is Nancy's first year at LHS, she became involved in activities. She has put her enthusiasm into the Pep Club and FHA. Nancy also shows a love of music and the ability to play the piano.

Nancy has no definite plans for the future, but she is considering teaching English.

"We should welcome the excesses of youth just as we welcome the exuberance of spring, looking forward with delight to the time when people with such an imaginative program for life become mellow and mature--not only gentle as doves, but wise as serpents."

This is Donna Christ's second year as an attendant for the Queen's Ball. Donna is active in the Student Council and was Secretary-Treasurer of her Freshman class.

"Beauty is truth, truth beauty; that is all ye know on earth, and all ye need to know."

Mary Dent was chosen as the Junior attendant. Mary has been a member of the Pep Club for three years and has been a cheerleader for two years. Last summer she also attended the annual cheerleading clinic. Mary is also active in the Varsity Club, Drama Club, and Science Club. She has been on the Greyhound staff for two years. This year Mary is also a member of the library staff.

1972 Queen's Ball Court: Scott Baer, Janine Brunjes, Larry Kunz, Mary Jo Christ, Bill Dunning, Joan Zimmerman, Rachel Johnson, Marianne Hellwig, Suzie James, Kevin Bennet, Helen Howell, Mary Dent, Greg MacMinn, Donna Christ, Bruce Winterrowd, Nancy Martin, Bill James.

## 1971 Queen's Ball Creates Air of Grandeur

Everyone watches attentively as the Queen candidates are announced.

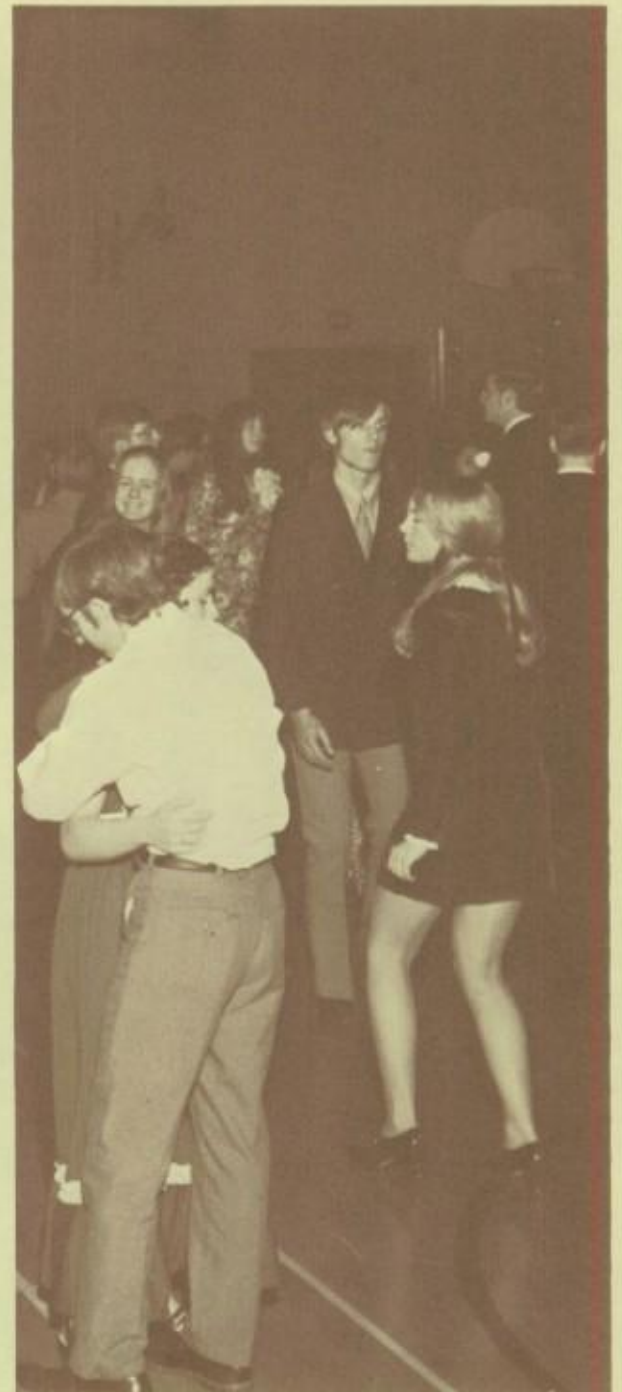

The beautiful decorations of purple, lavender, and gold and good music added to the excitement of the 1971 Queen's Ball. Mark Cain and Jo Ann Weik were introduced as the masters of ceremonies. Janine Brunjes, the retiring queen, entered with Scott Baer and took her place on the throne. Nancy Martin, the Freshman attendant, was escorted by Bill James. Bruce Winterrowd accompanied Donna Christ, the Sophomore attendant. The Junior class was well represented as Mary Dent entered with her escort Greg MacMinn.

Mark and Jo Ann introduced the three Senior representatives, Mary Jo Christ, Suzie James, and Joan Zimmerman were introduced with their respective escorts; Larry Kunz, Kevin Bennet, and Bill Dunning. The climax of the coronation was the announcement of the 1971-1972 All-School Queen, Suzie James.

"You may give them your love but not your thoughts,  
For they have their own thoughts.  
You may house their bodies but not their souls,  
For their souls dwell in the house of tomorrow,  
which you cannot visit, not even in your dreams.  
You may strive to be like them, but seek  
not to make them like you.  
For life goes not backward nor tarries  
with yesterday."

"23rd Street Exit" provided good music for a night of dancing.

## Class of '73 Presents "Life With Father"

"Whitney, wait for your Father."

The entire cast and crew gather on stage for the final curtain call of the evening.

"Delmonico's! Oh, that's marvelous. Think of that, Mary--Delmonico's!"

Mr. and Mrs. Day argue about a common matter--the household accounts.

The Junior Class play of 1971-72 was as excellent as the actors in it. The play, "Life with Father" by Clarence Day, is set in the Victorian Background of the 1880's. The play is about the life of the Day family. The plot centers around the efforts of Mrs. Day as she tries to have her husband baptised. The romance of Mary and Clarence Jr. and the sale of Dr. Bartlett's Beneficent Balm are effective subplots.

"There! Isn't that the darlinest thing you ever saw! It does need a ribbon though."

## Talented Students Bring Christmas Joy to All

Although Joan cannot see a ghost, she is aware of her presence.

After much diligent work and effort, the Junior Class and Drama Club presented two Christmas plays on December 20, 1971. This year the group was directed by two students from McKendree College. The Drama Club presented "Ladies of the Towers", and the Juniors followed with "Cornelia Makes Christmas". The highlight of the evening, for young and old, was the arrival of Santa Claus.

Kathy continues to scrub the floor, unaware that a ghost is watching.

Cornelia found Christmas.

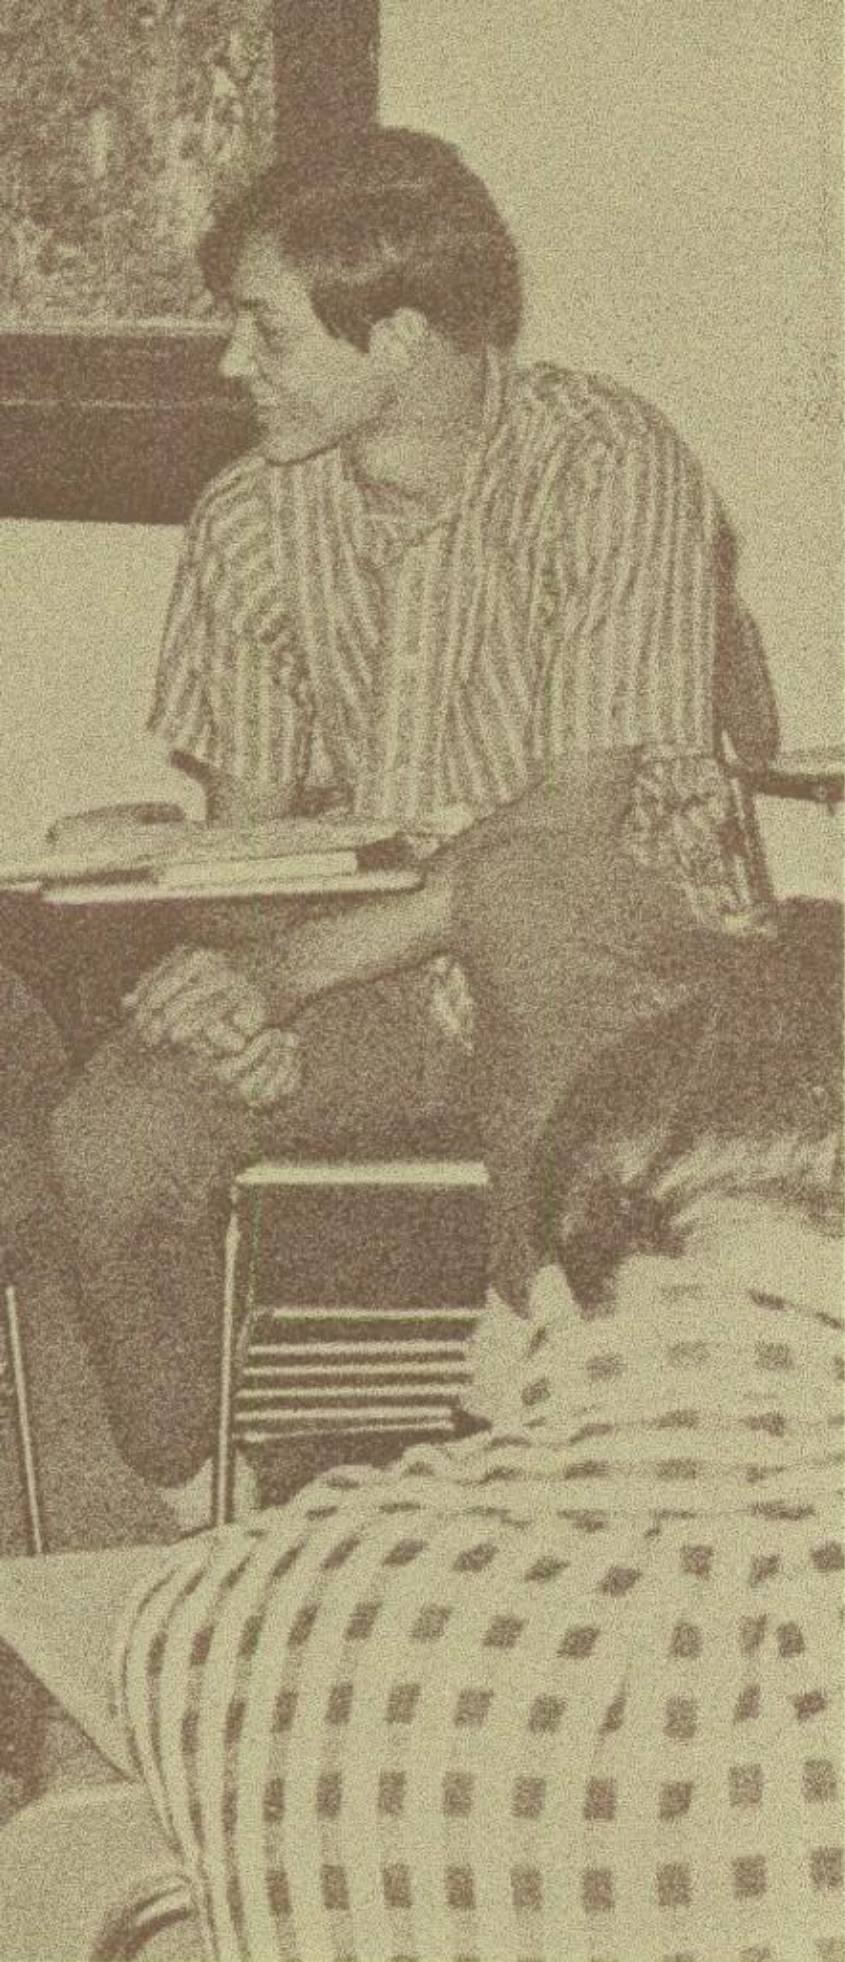

Children wait in line to tell Santa what they want for Christmas.

Mr. Wise  
Custodian

Mr. Campe, Mr. Berberich, Mr. Walker, Mr. Zimmerman, Mr. Laux, and Mr. Kloos are members of the Board of Education for School District Number 9.

## Board and Administration Govern School

Mr. Simmons is the Superintendent of Schools.

Mr. Wright is the Principal of Lebanon High School.

Mr. Symer is the Assistant Principal and the Guidance Counselor for Lebanon High School.

Vicki Mueller is the Secretary for Lebanon High School.

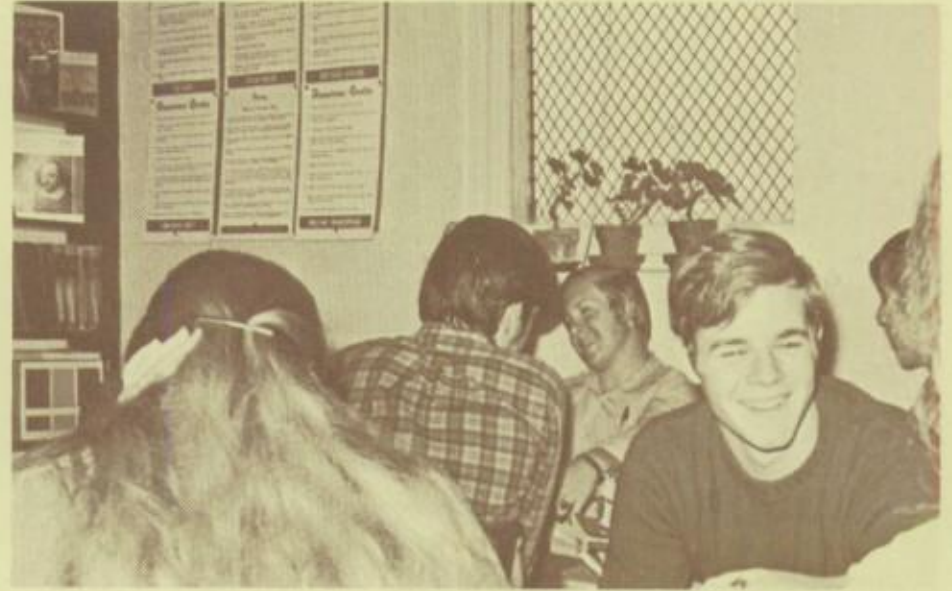

## English Arouses

## Imagination

English I is the first required course for Freshmen.

Scott and Craig seem pleased with College Prep English.

One of the most important factors in a student's education is that he learns to speak and write well. Grammar and vocabulary are the tools a student needs to build these skills. A firm background in literature will add to his knowledge and illustrate the basic rules of the language. The English courses at Lebanon High School include all these teachings so that students can acquire a well-rounded knowledge of the English language and can learn to apply this knowledge.

English III students attack poetry.

## English Inspires Creativity

Donna, Colene, and Robin appear captivated by Mrs. Norris's presentation.

Steve is caught in a moment of deep concentration in CP English.

Hard work shows that progress breeds progress in second year English.

English A gives the pupils a better understanding of grammar which will facilitate the study of more complex courses. English I, II, III, and IV include studies of grammar, composition, and literature. English III is concerned specifically with American literature. The students in English IV study works by English authors. In CP English IV the students are required to write a research paper in addition to the regular requirements of the English IV course.

English III scans the development of our modern American literature.

Lana relates her views to the speech class.

The audiences' comprehension is an essential factor in determining the effectiveness of a speech.

## Speech Expresses

### Ideas

Debbie appears spellbound by Mr. Willyard's lecture.

Speech teaches students to express themselves fluently to an audience. The students learn to write well-organized and effective speeches. Each person is required to give one speech per week on topics ranging from commercials to persuasive political speeches. In addition to these, the students are occasionally asked to present impromptu speeches and to give skits.

Class participation plays an important role in speech.

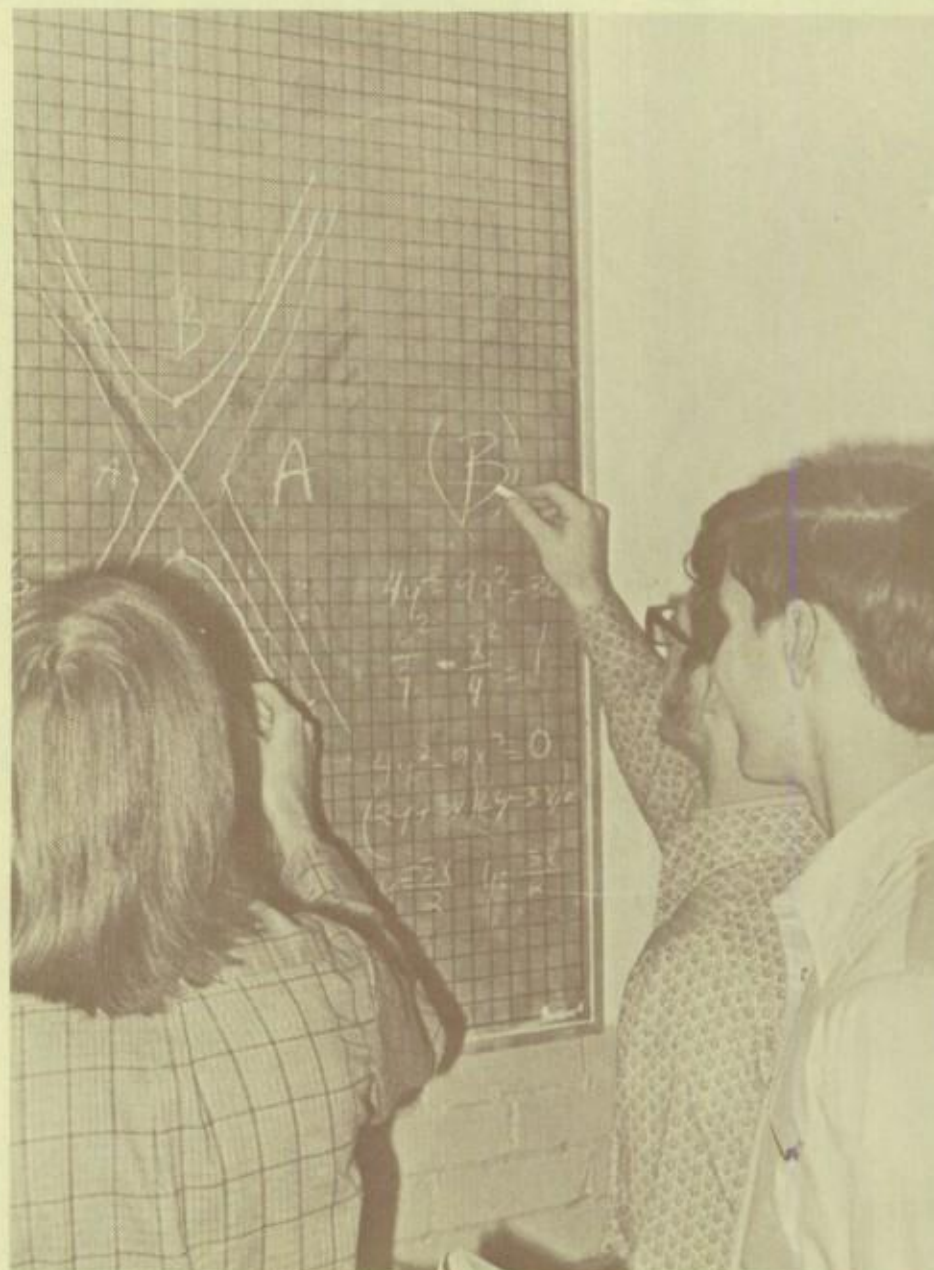

# Math Challenges Student's Reasoning

Although many regard the study of mathematics as a specialized field, the courses enable those who have taken them to solve a problem logically and accurately. This sense of order and organization that students should acquire from math is very beneficial.

General Math gives students a basic understanding of the operations of simple numbers. The pupils review the skills they have already learned and receive new knowledge about these basic techniques.

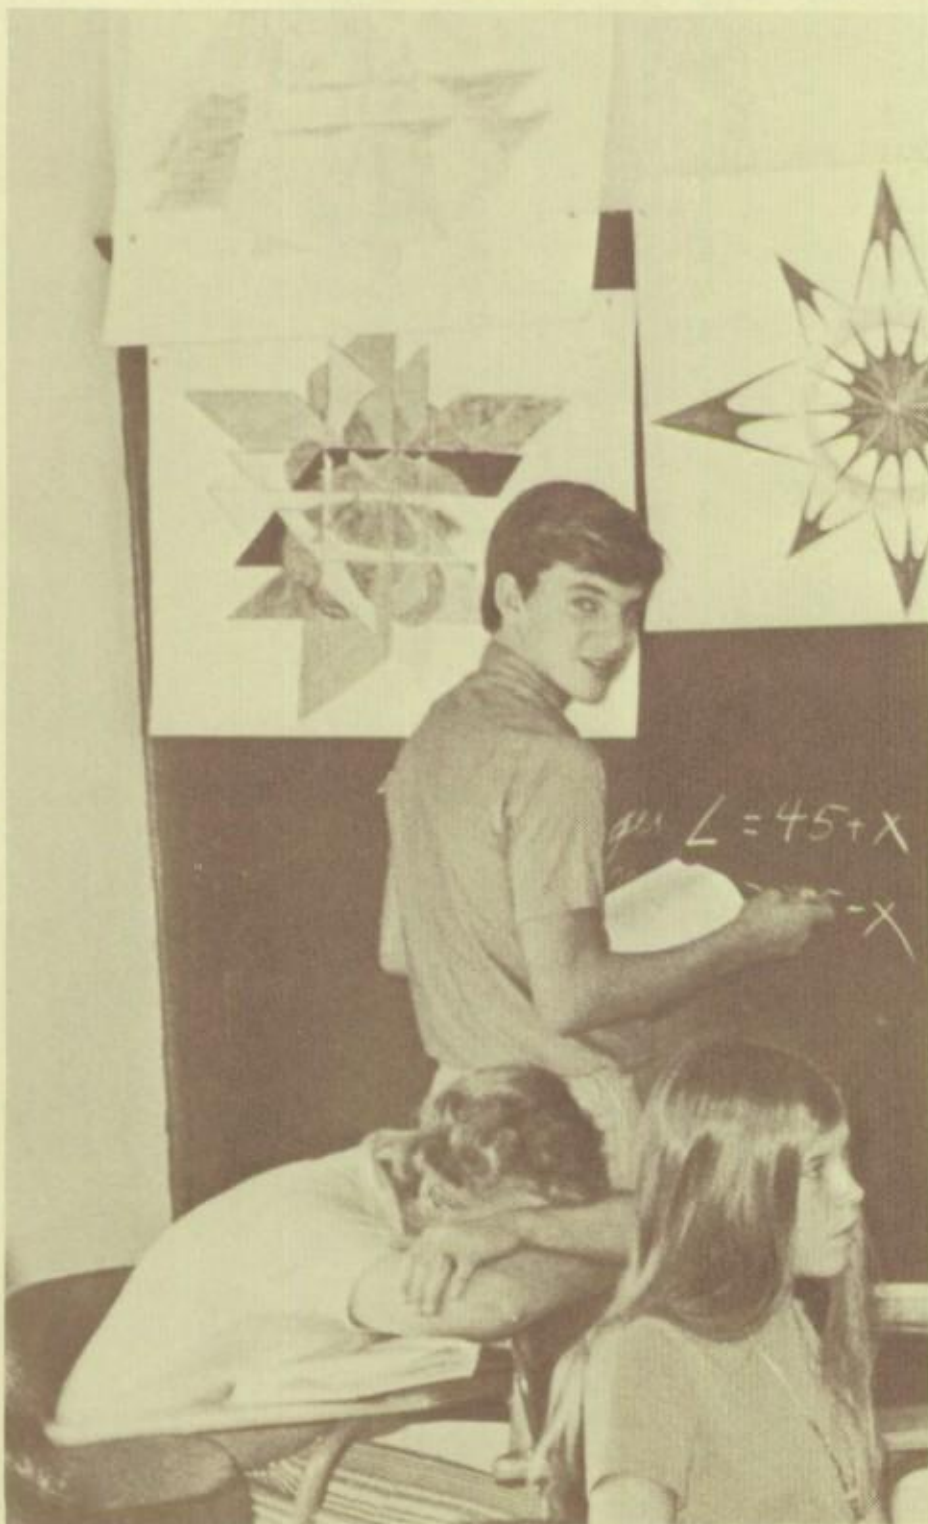

If a student wishes to work in algebra, one branch of mathematics, he may choose from four courses, Pre-Algebra I, Pre-Algebra II, Algebra I, or Algebra II, according to his ability and previous knowledge.

Stu could use a little help in Geometry.

Sometimes in Math Analysis it takes a combination of minds to achieve a solution.

Algebra II is for the student who strives to learn more.

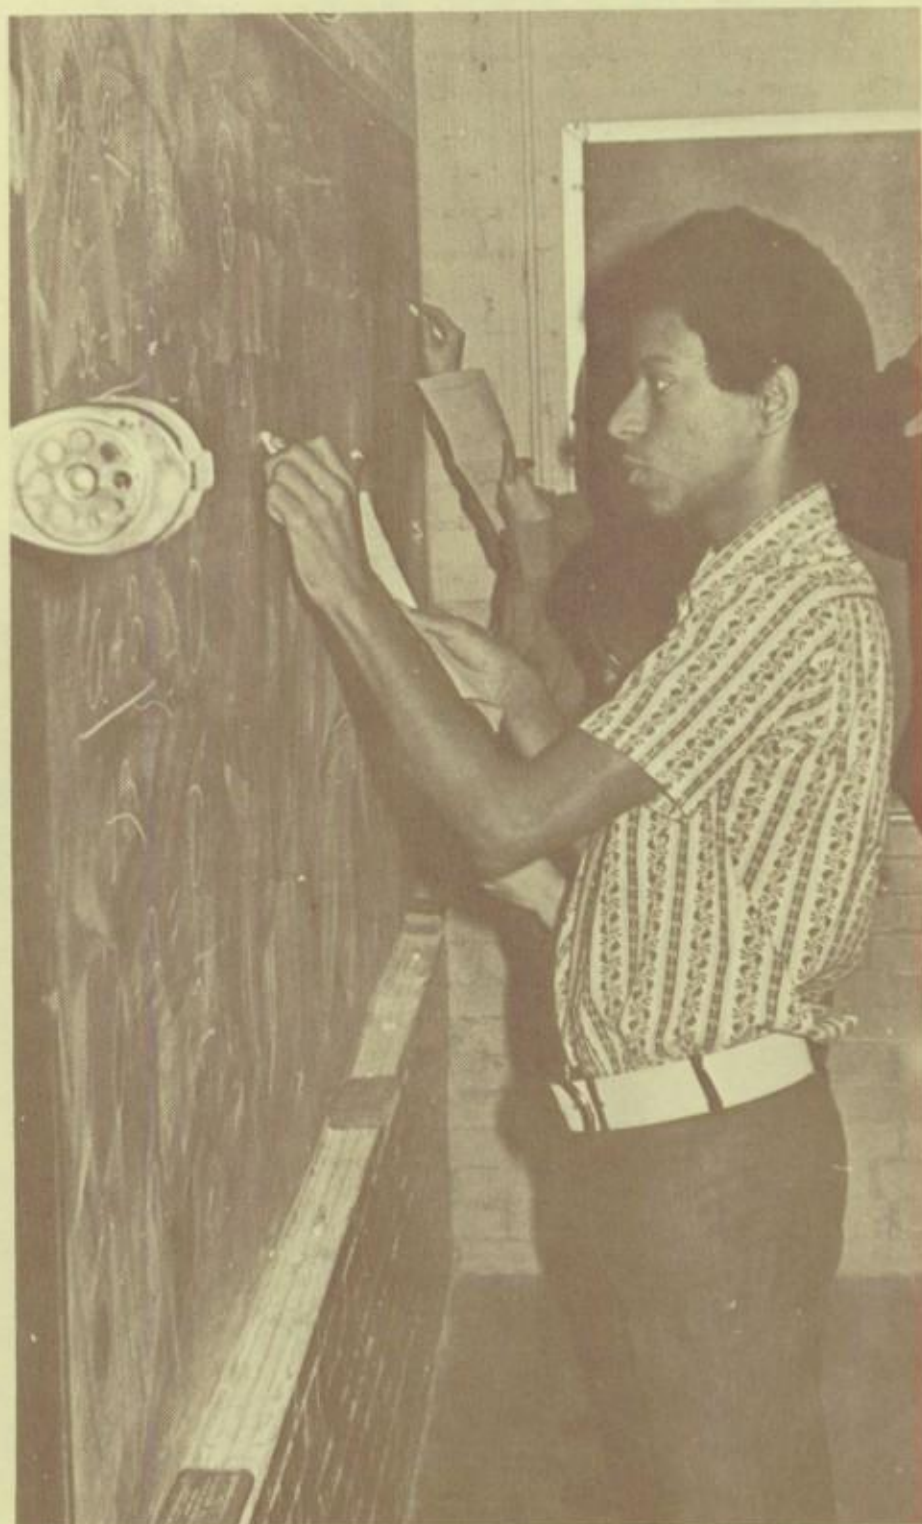

These boys seem to be enjoying this Algebra I class.

Darryl concentrates on a problem in Algebra II.

In Geometry, pupils are taught properties of points, lines, angles, surfaces, and solids. Logical thinking is a great asset to this course in which proof is essential.

If students wish to delve deeper into the study of mathematics, they may take Math Analysis. This course is made up of college algebra and preliminary calculus.

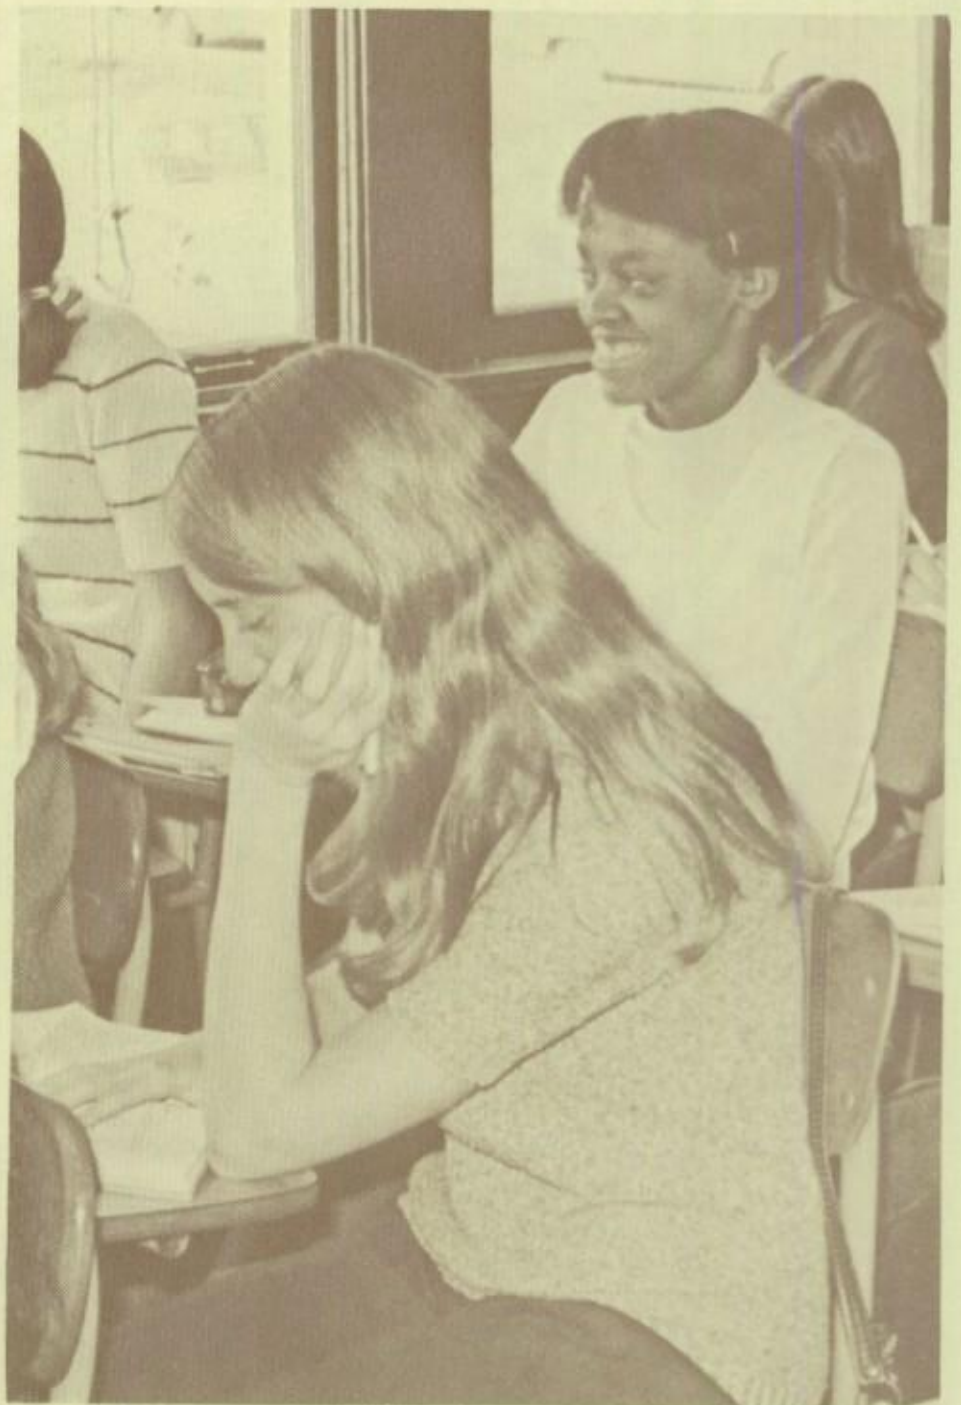

# The Key to Mathematics is Understanding Why

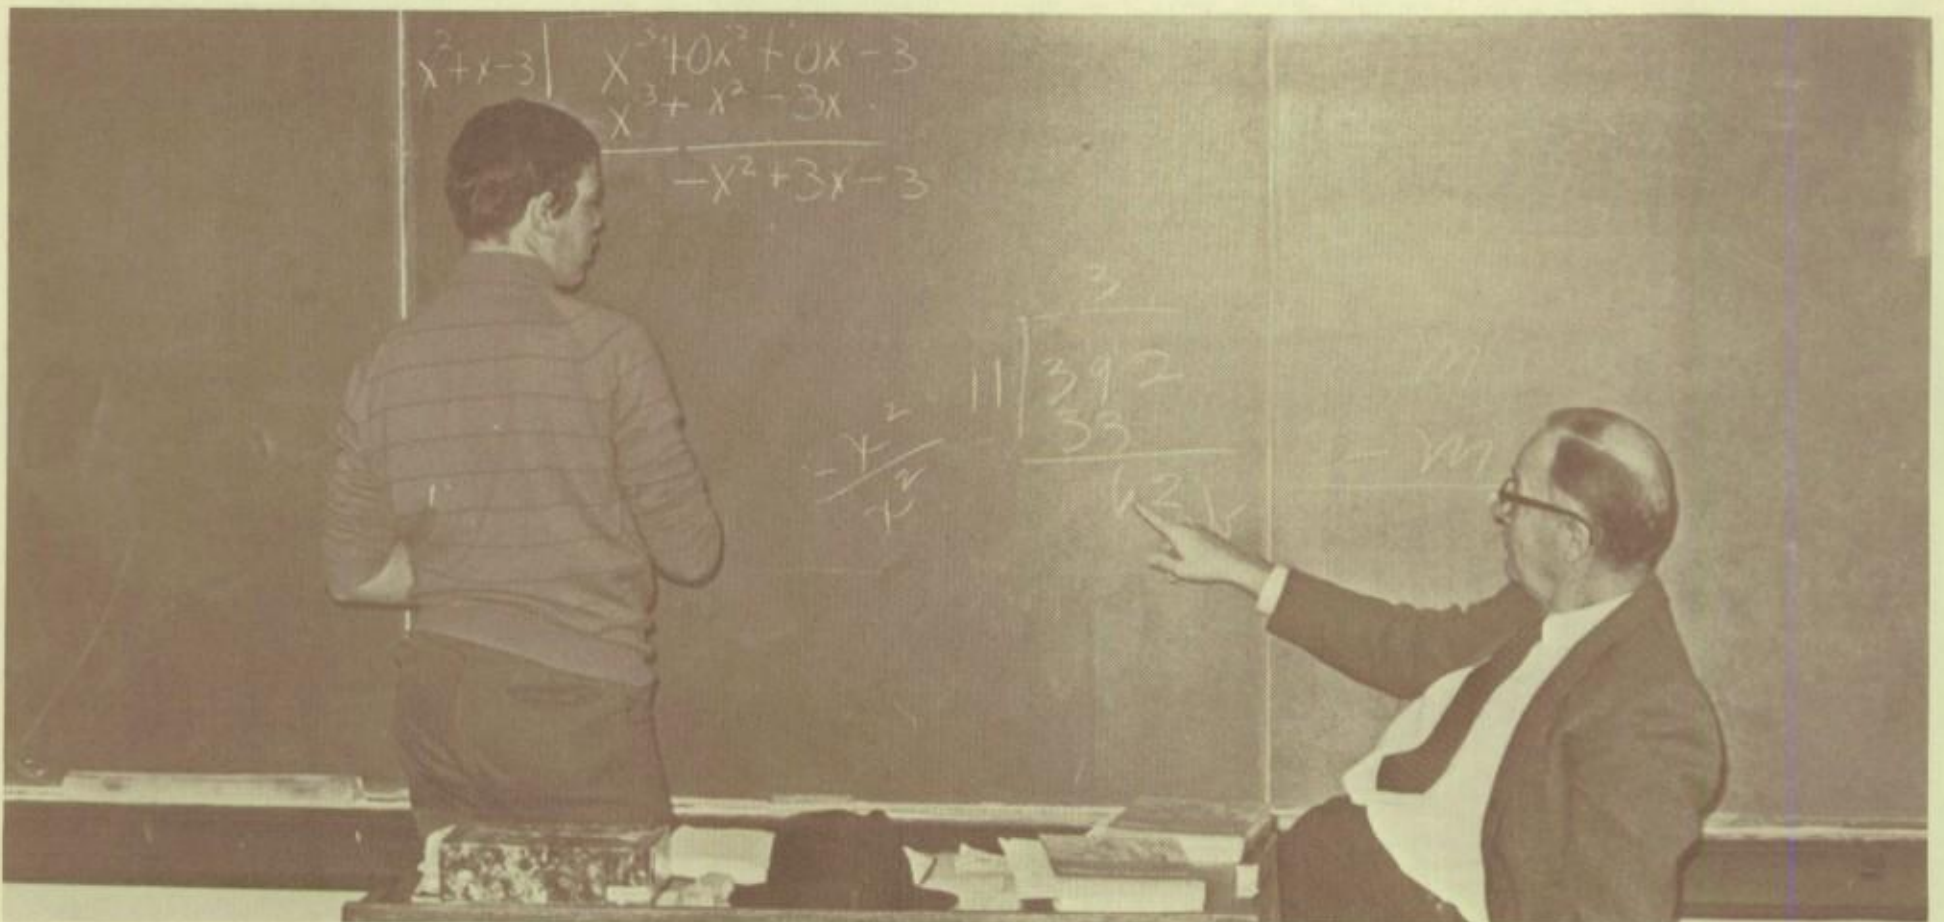

Sometimes helping each other results in a better understanding of the problem.

Happiness is understanding the explanation in Pre-Algebra II.

Mr. Pfeffer explains an Algebra I problem to Steve.

Terry and Jane perform an experiment in Biology.

## Science Helps Students

### Learn by Observation

Physical Science gives students an introduction to chemistry, physics, and the fundamental tools of science, such as the metric system and the scientific method.

In Biology the students study the intricacies of the life around them. They probe into an entirely different world with the use of microscopes. In this world they study algae, protozoa, molds, and bacteria. The students then proceed to the higher orders of plants and animals, where they study environments, biological systems, and genetics.

Chemistry deals with the composition, structure, and properties of elements and compounds and the way they react under specific conditions. To discover these changes, the student must perform many experiments and derive conclusions from these experiments.

Advanced Biology involves the study of microorganisms. The students study these microorganisms, the diseases they can cause, and the environments in which they exist. They take a field trip to the hospital at Scott Air Force Base and do a survey on the extent of the pollution in Silver Creek.

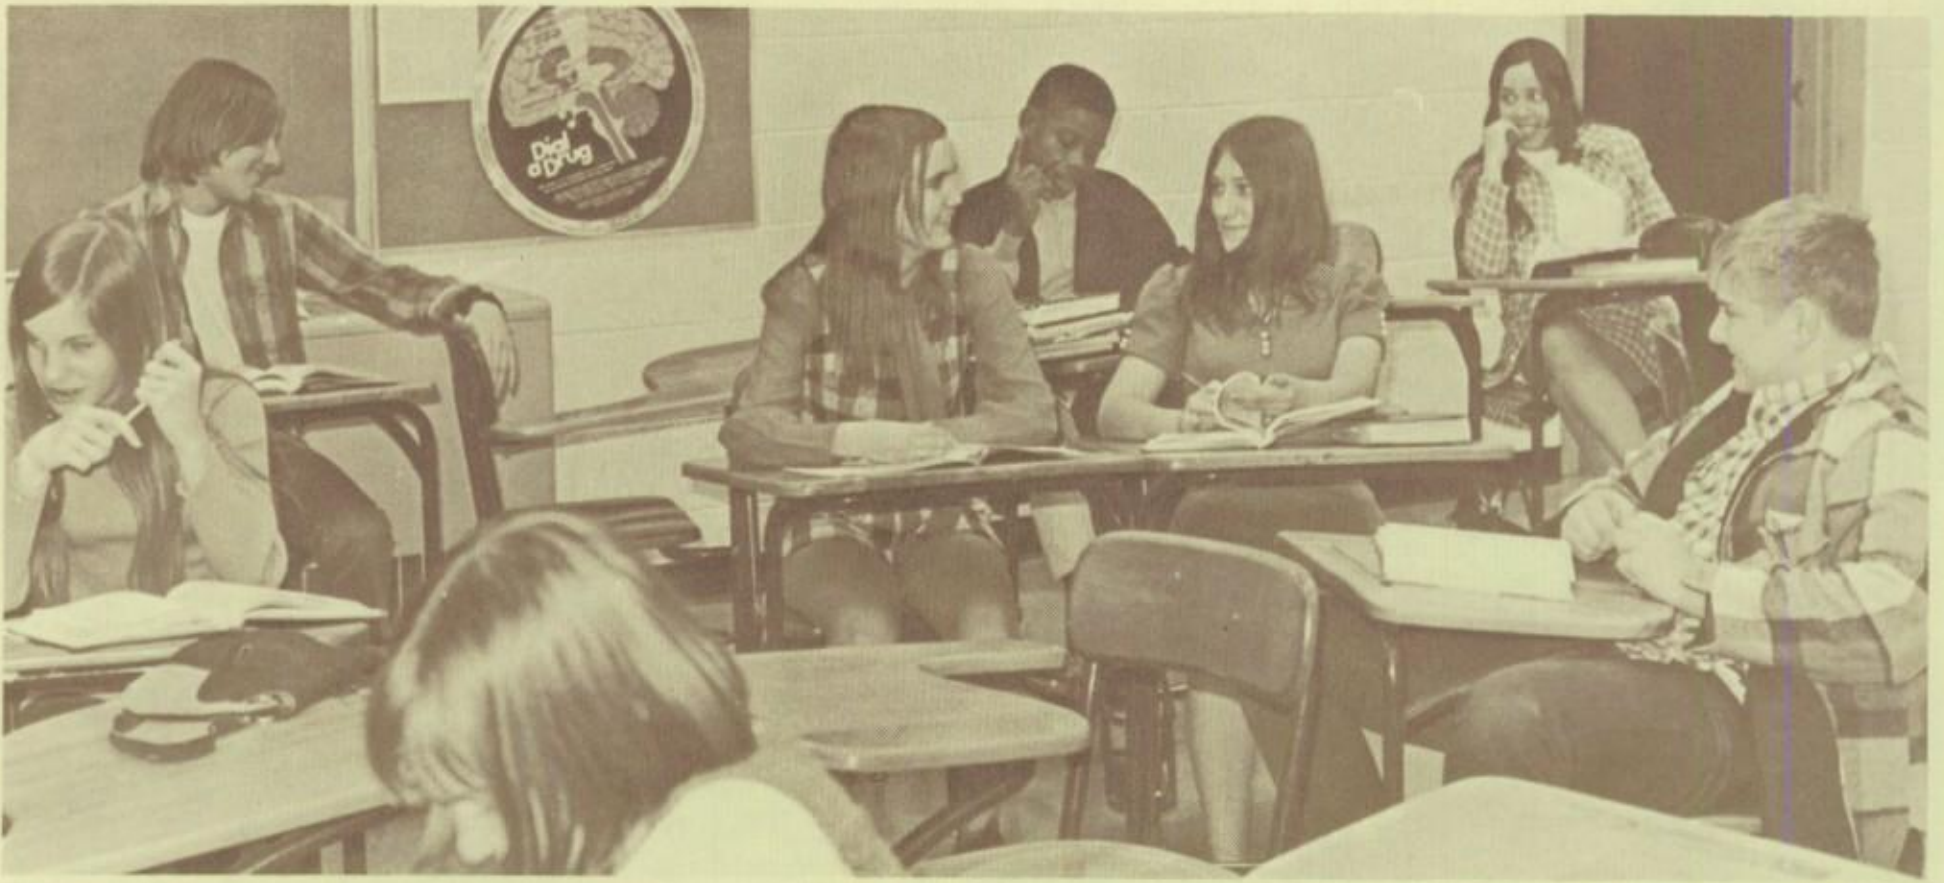

Physics students research problems in electricity, light, sound, heat, motion, mechanics, and nuclear phenomena. A strong mathematic background is important in this course.

Learning to avoid such hazards as drugs, alcohol, and poor diets, is a vital part of Health. Another part of this course is the study of Anatomy.

Kathy and Dale pour and inoculate plates for experiments in Advanced Biology.

Health teaches students the functions of the body and proper procedures in caring for the body.

Physical Science familiarizes students with the basics of chemistry.

Before executing the experiments, the chemistry class must know the fundamental laws of chemistry.

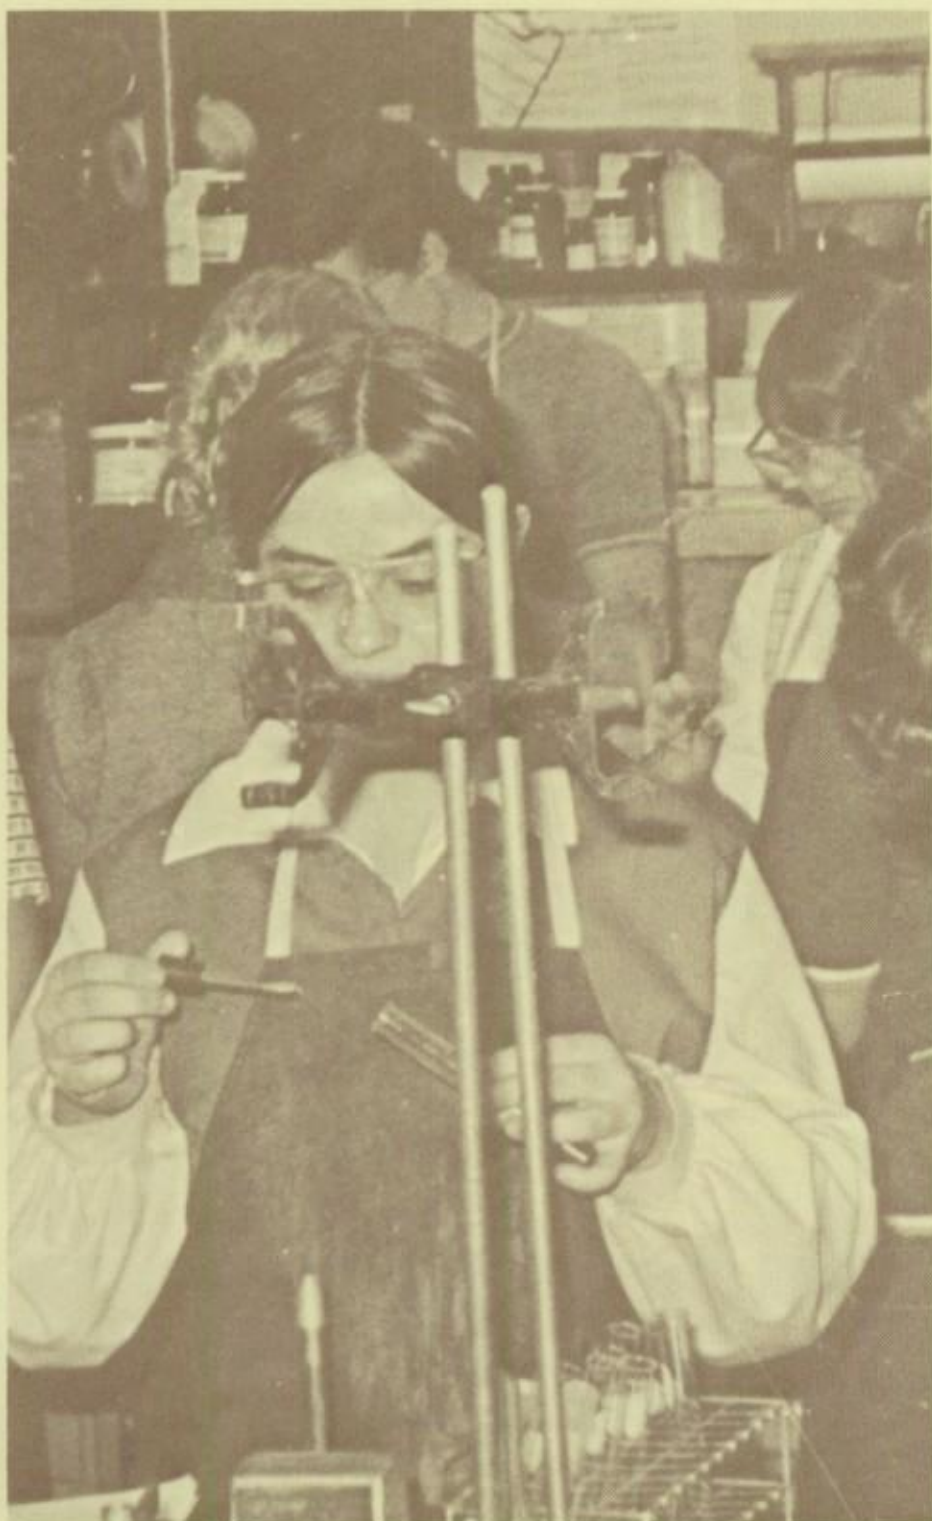

Pupils listen attentively as Mrs. Brown lectures on ecology.

## Science Prepares Students for Our Technological World

Angela is involved in her lab work.

Darlene seems amused as an experiment is done in Physical Science.

Sophomores investigate the phenomena of the biological world.

## Social Sciences Inspire Awareness

Students discuss today's problems.

The U.S. History class finds this aspect of our country's history laughable.

The Global History class learns the facts of man's progress.

Social science is the study of political, social, and cultural issues dating from the earliest civilizations up to the present state of our world.

Social Studies helps students understand the various cultures, governments, and economic conditions of different countries.

Although there are differences in the courses, a student can take either World History or Global History to get a knowledge of the history of the world.

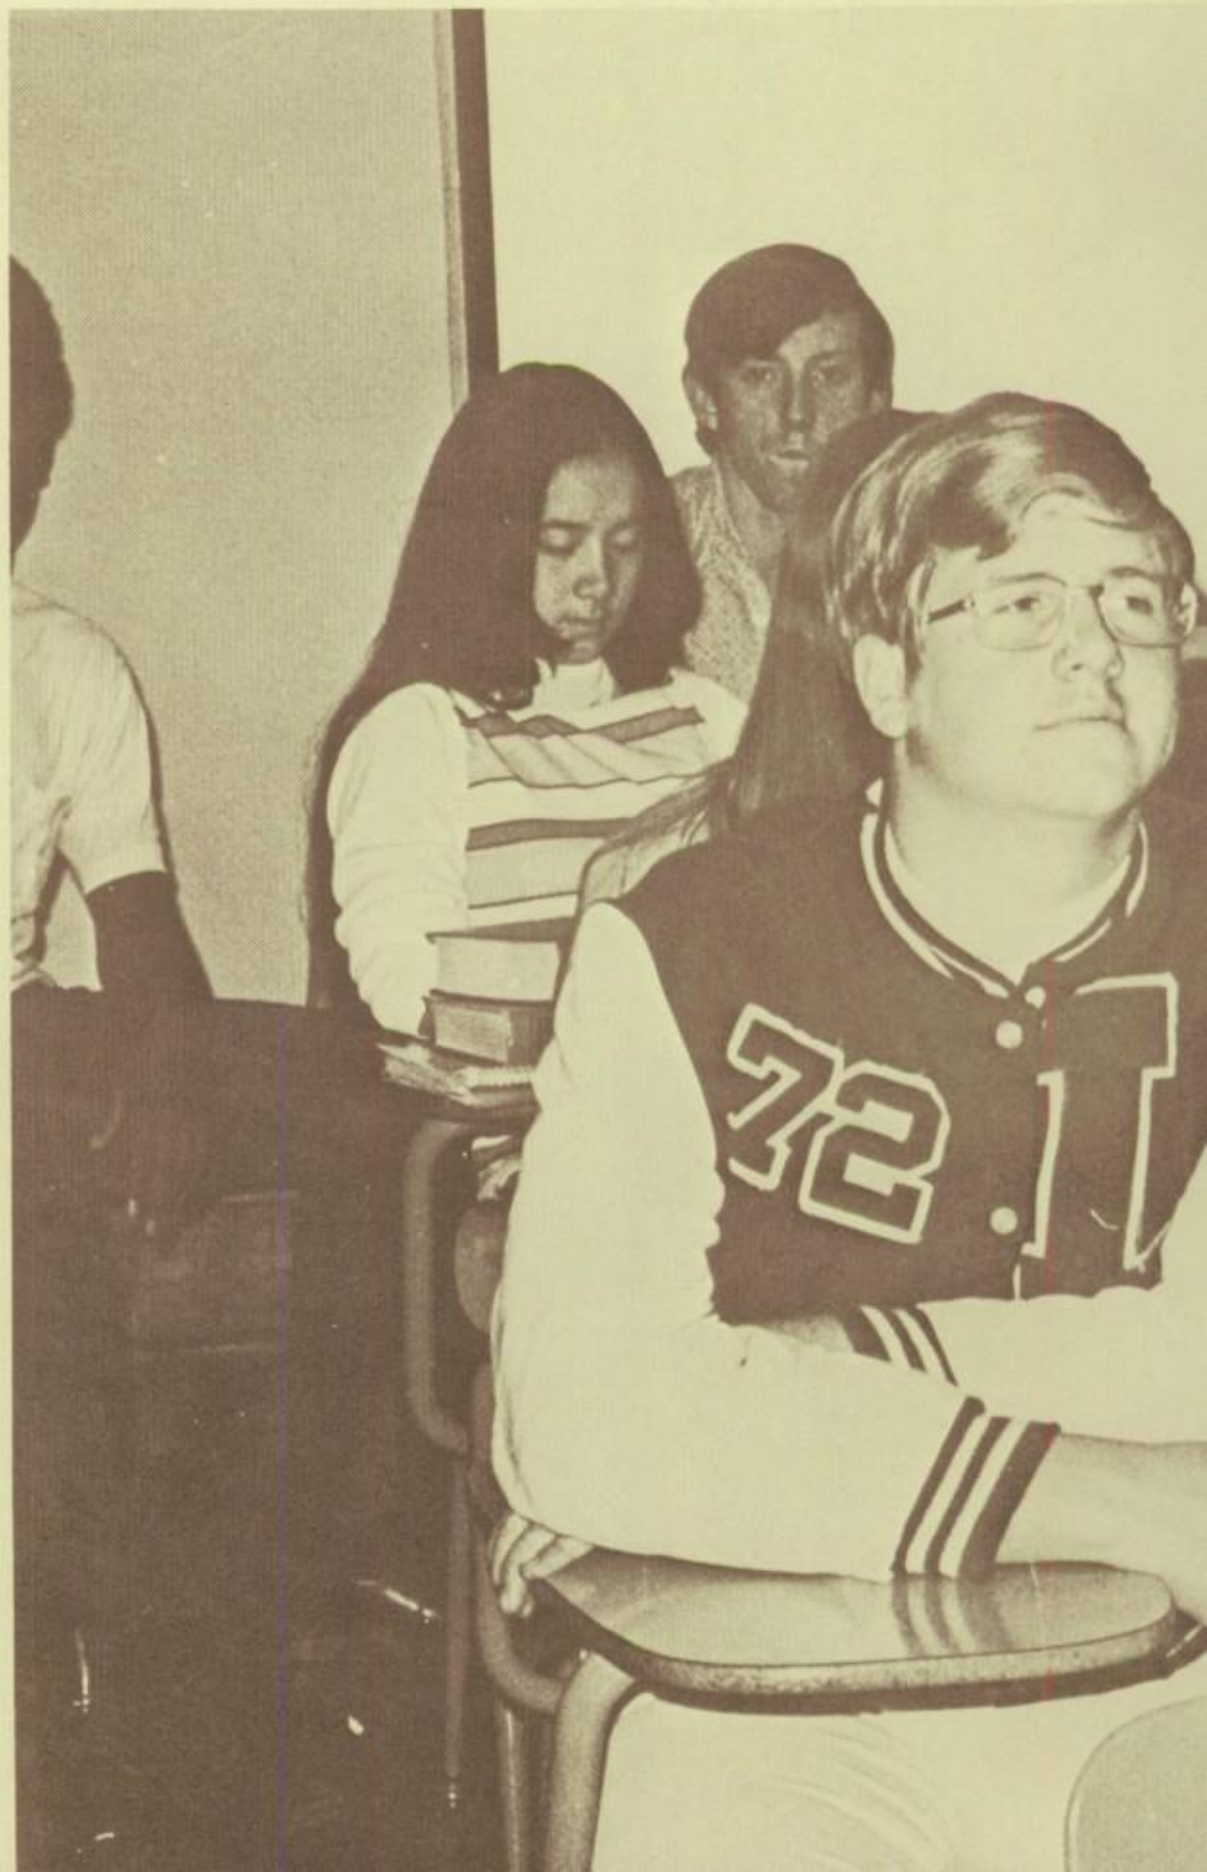

Social Problems equips students with an awareness of the world around them. In this class they study and discuss the problems of our society, such as poverty, family troubles, and politics.

U.S. History, a required course, acquaints students with the formation of our country, our government, and our social and economic conditions.

Students contemplate one aspect of society.

Vince, Helen, and Tom listen to a lecture in U.S. History.

As students start a new chapter, Mr. Crews explains the fine points.

## Business Requires Concentration

The Business courses at LHS, which include General Business, Bookkeeping I and II, Shorthand I and II, Typing I and II, and Office Practice, provide a vivid background for further education in business, for employment in many fields, and for daily applications in the home.

General Business teaches students the basic fundamentals of the business world.

Typing students, in addition to the skill that they acquire, learn the proper form for business letters, forms, and manuscripts, invoices, and other types of papers.

Bookkeeping familiarizes pupils with the various areas of accounting and enables them to keep accurate records.

Shorthand and Office Practice are beneficial to the students who plan to seek secretarial positions.

Mary Ann and Jill sharpen their filing skills in Office Practice.

Students concentrate on typing an assignment.

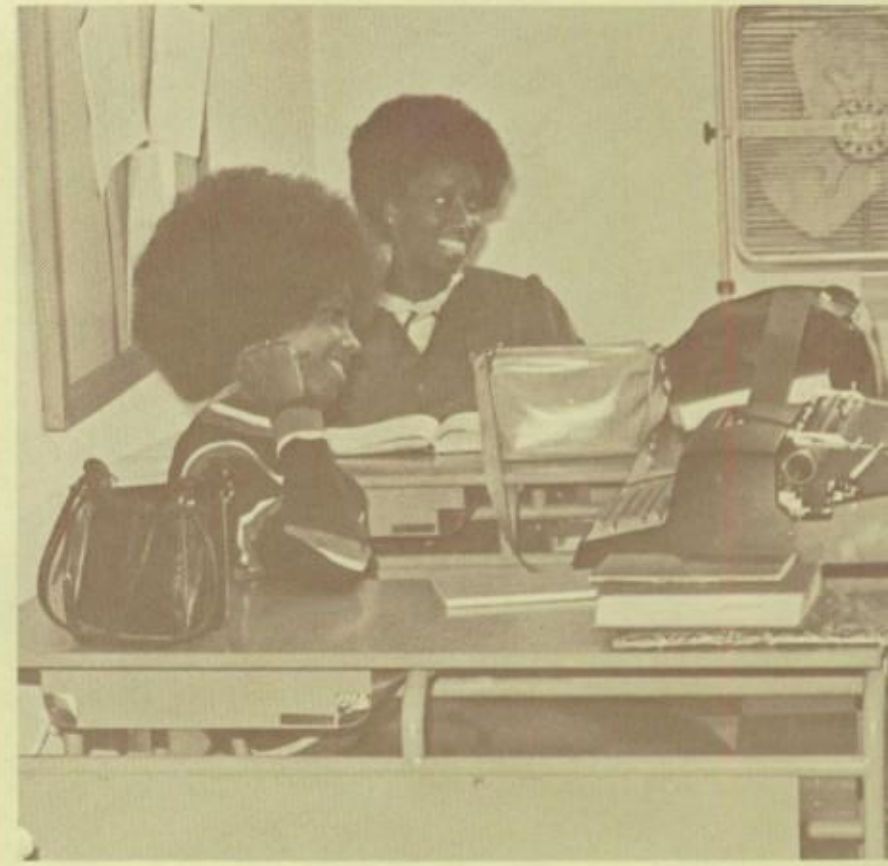

Bookkeeping I challenges students.

Kurt and Janet busily type their assignment.

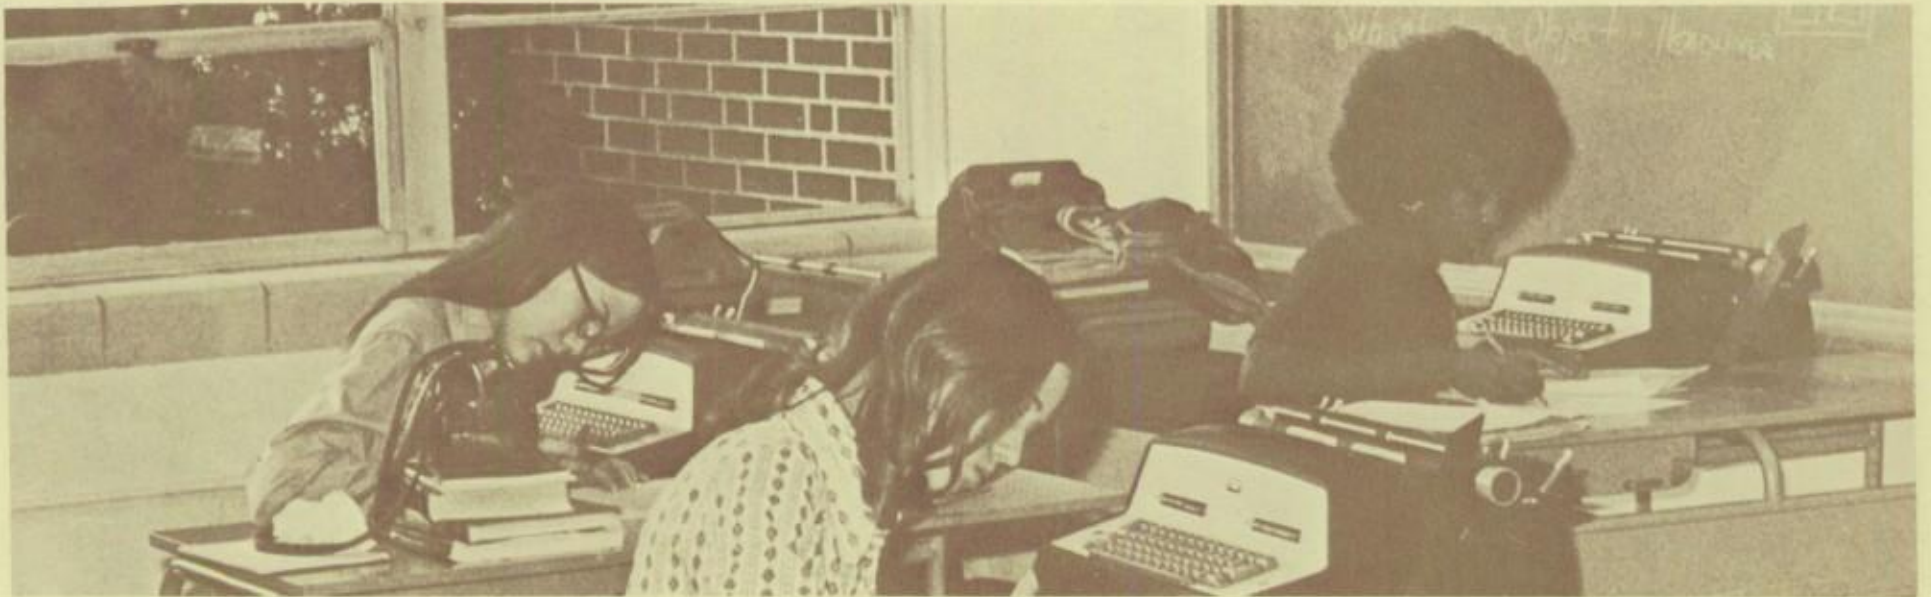

Girls in Office Practice prepare for secretarial positions.

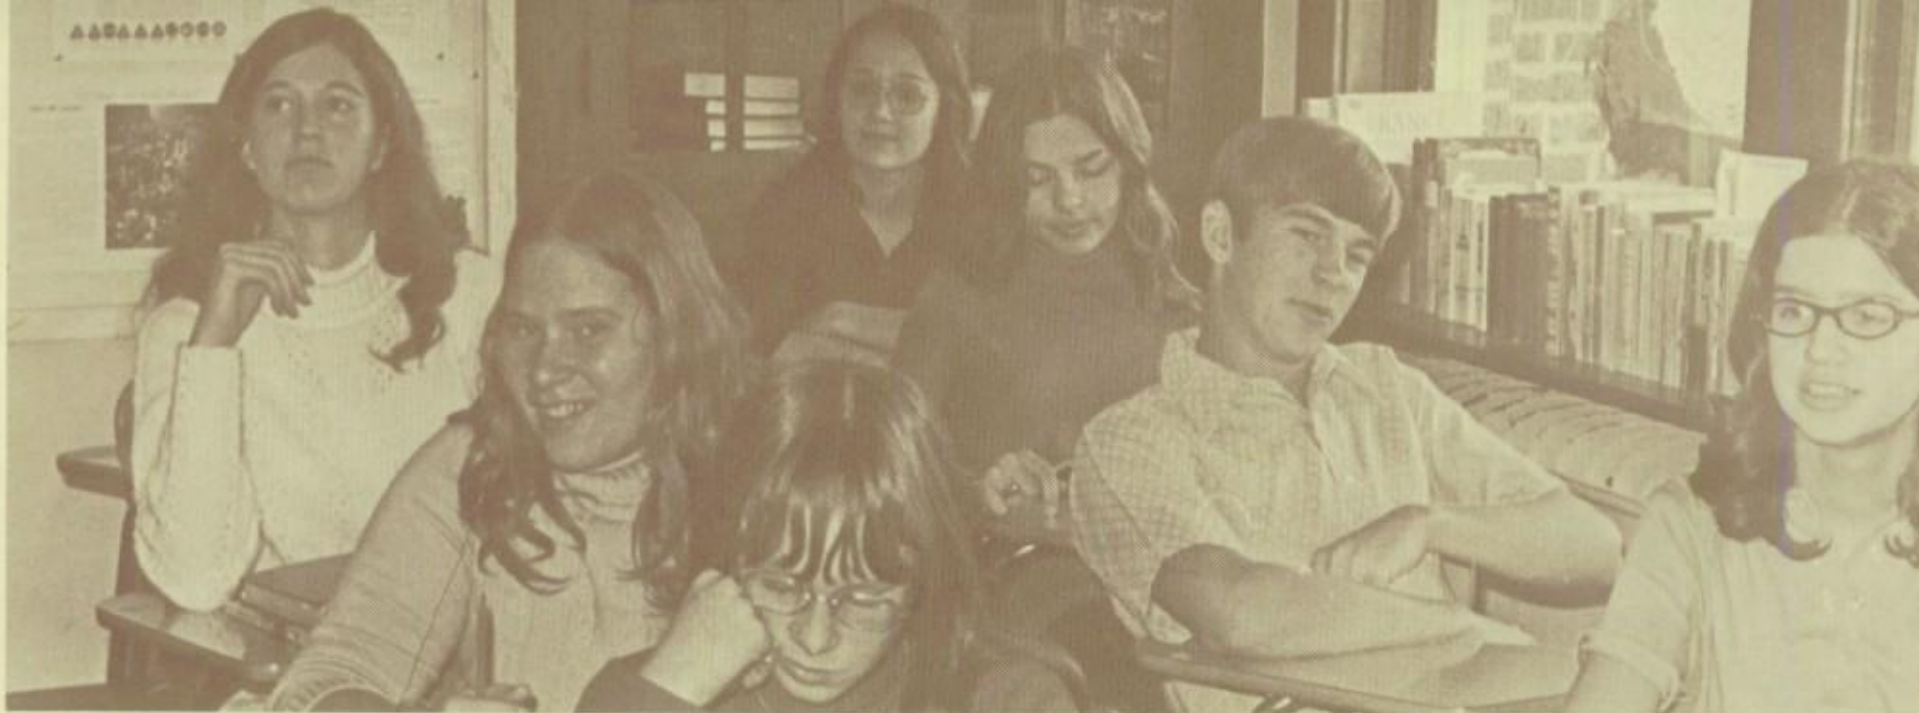

Fran and Josalyn smile during one of the brighter moments in Shorthand I.

Typing II sharpens students' skills and enables them to type complicated forms.

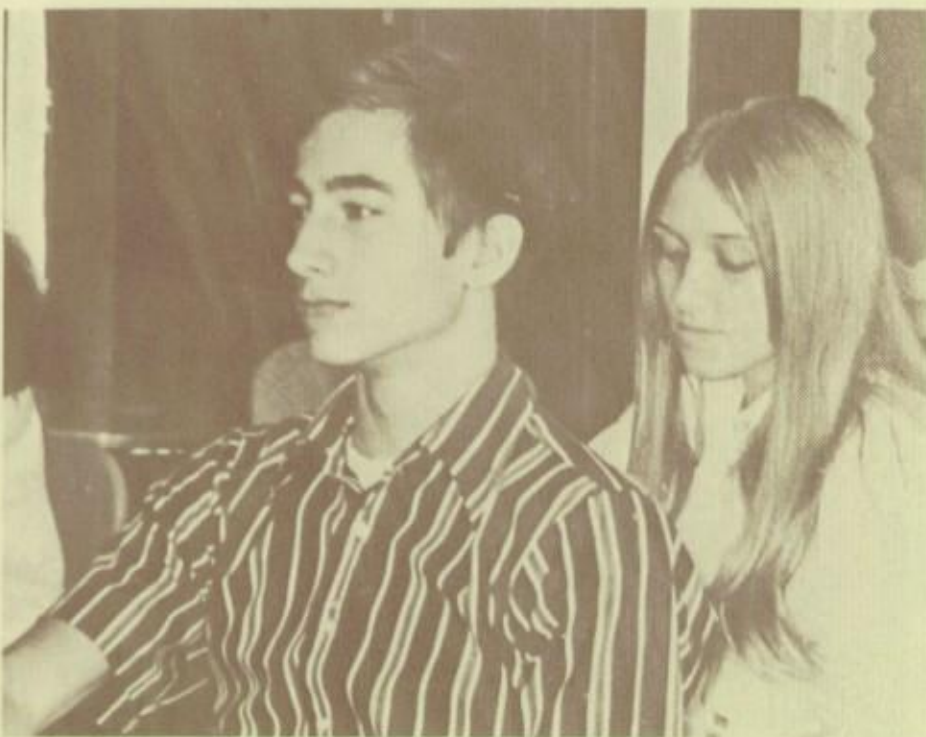

French I students learn the basics of reading, writing and pronouncing French.

## Foreign Languages Facilitate Communication

Suzie and Bruce listen intently to a recorded conversation.

Bruce and Mark must really enjoy French since they have stuck with it for three years.

French and Latin are the two languages taught at Lebanon High School. The study of these languages is challenging, but the time spent on these subjects is greatly beneficial to the hard-working students.

Three years of instruction in French are available to the determined pupils. In these years the students read, write, and speak conversational French and read French literature. Many students correspond with pen pals in France.

Latin I and II teach pupils the basics of this language. The students read Caesar's accounts of his various military campaigns and are acquainted with some of the customs and legends of ancient Rome. The study of Latin gives a firm background for other languages and is a great aid in English vocabulary and grammar.

Students' faces show mixed emotions about their assignment in French II.

# Home Economics Confronts Student with Home Life

JoAnn discusses one of the many controversial subjects in Personal Living.

Mrs. Alden shows Shirley and Paula how to alter a pattern.

Despite the aid of modern conveniences, managing a home and family is a time consuming and involved task. Personal Living and Home Economics give students a general knowledge which enables them to cope with problems that will confront them in home life.

Home Ec. I teaches students the fundamentals of sewing, cooking, and managing a budget. In addition to these skills they learn to knit and to shop wisely and economically.

Home Ec. II, although similar to Home Ec. I, is a more detailed and involved course. The students participate in special projects, such as a Christmas tea, a special supper, and a fashion show.

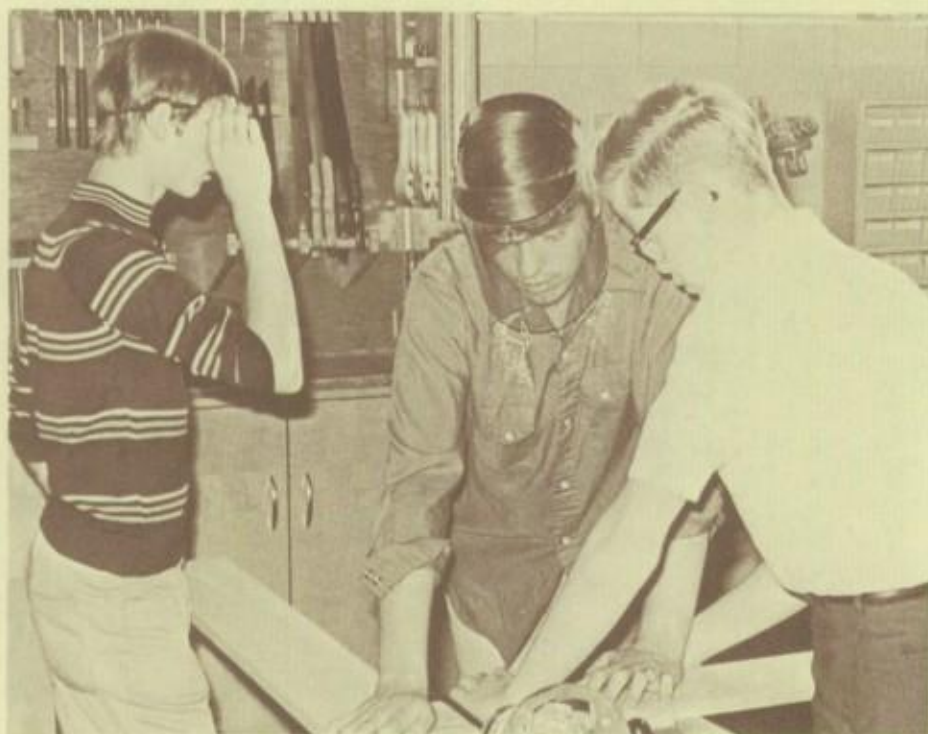

Personal Living includes a study of oneself, dating, marriage, and child rearing. These topics prepare one for situations in life.

Home Economics I teaches these girls that sewing can be fun.

## Students Develop Technical Skills in Industrial Arts

These boys work on a project in Industrial Arts II.

Paul and Tom concentrate intently to insure precision.

The best way to learn to work with wood, metal, plastic, leather, and concrete is to take Industrial Arts. This course, which is divided into four years of study, also teaches the students skills necessary to use shop machines and to prevent the damage that can result from careless use.

Industrial Arts I teaches students the fundamentals of drafting and woodworking. Shop safety is greatly emphasized in this course.

If a student wishes to learn more about woodworking, he can take Industrial Arts II which develops more advanced techniques. In this course, metal work is also introduced.

Industrial Arts III acquaints students with different types of plastics, such as polyethylene and vinyl. Another phase of this course deals with leather. The third part instructs students in the preparation and use of concrete.

The final year of Industrial Arts involves making molds for plastic. The second part of the year consists of instruction in welding.

Roger works diligently on his drafting project.

To do well in Industrial Arts it is important that the students enjoy the course.

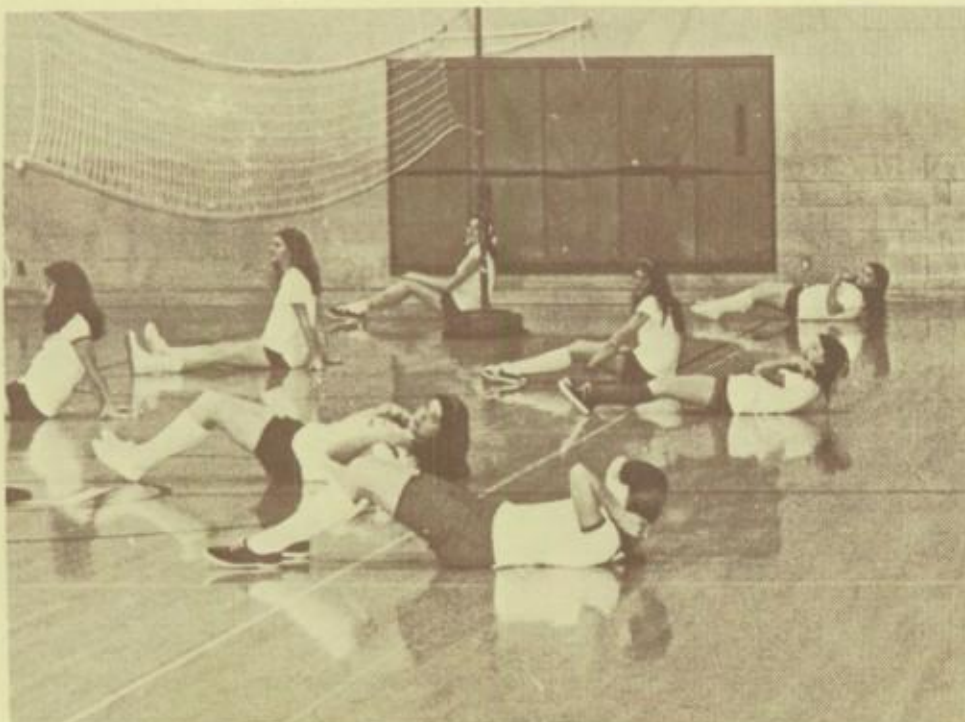

Softball is a spring and summer favorite for girls' classes.

## Physical Education Produces Healthy Bodies and Alert Minds

Exercising conditions the students for the sports in which they participate.

Girls experience a moment of strain in Physical Education class.

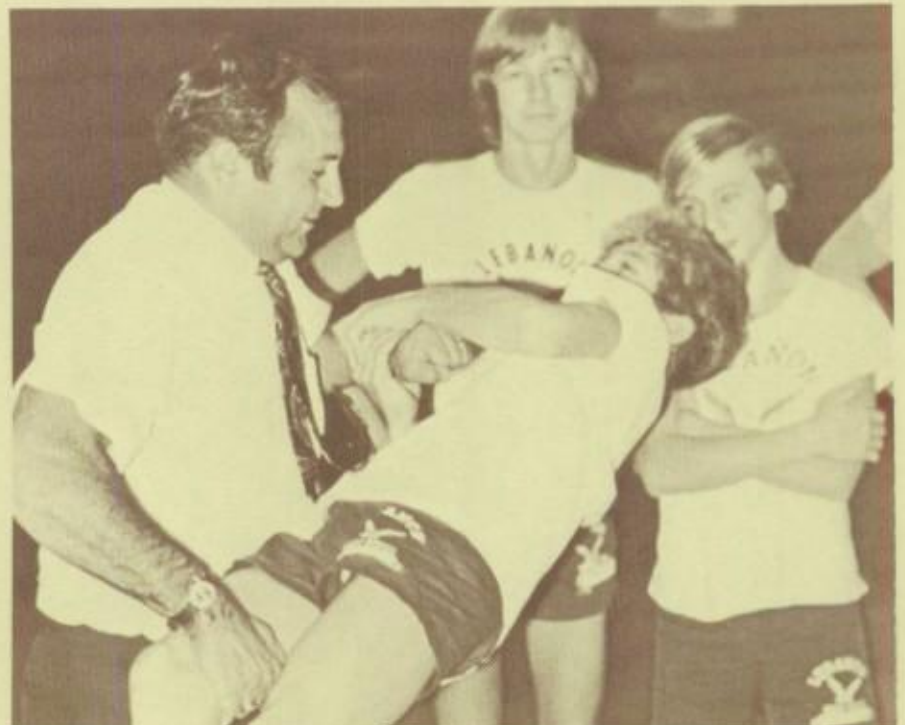

In order to have an aware mind and a fit body, a student should participate in P.E. classes. P.E., an exhilarating and fun subject, also requires much concentration.

The boys' classes are extremely challenging. The competition causes much tension and frustration. They play such games as football, basketball, dodgeball, volleyball, and softball.

Girls, in addition to playing such games as volleyball, softball, and basketball, are required to take written tests. They also dance, tumble, and learn stunts on the balance beam.

Mr. Schieppe takes a moment off to liven up the boys' Physical Education class.

## Students Learn Specific Skills at Vocational School

This year LHS students were given the opportunity to learn specific skills in Collinsville. The students went to the vocational school during regular morning classes. Then they took other standard courses such as English and history here at LHS.

The courses that students from our school were involved in were nursing, horticulture, drafting, mechanics, commercial art, business machines, and computer programming. They offer students excellent backgrounds in fields in which they are interested, and this training provides good job opportunities.

Betty arranges plants in her horticulture class.

Norman is engaged in completing his project for drafting class.

Bill and Walter increase their knowledge and skill in their automotive mechanics course.

Joe and Steve find enjoyment in their electronic course.

Paul, Rick, and Bob work hard to complete their project.

In safety class, students discuss various first aid treatments.

"If you don't know it, don't do it." This is a basic rule of Safety. First-aid is important to everyone because it makes a person alert to hazardous conditions and teaches him how to cope with emergencies.

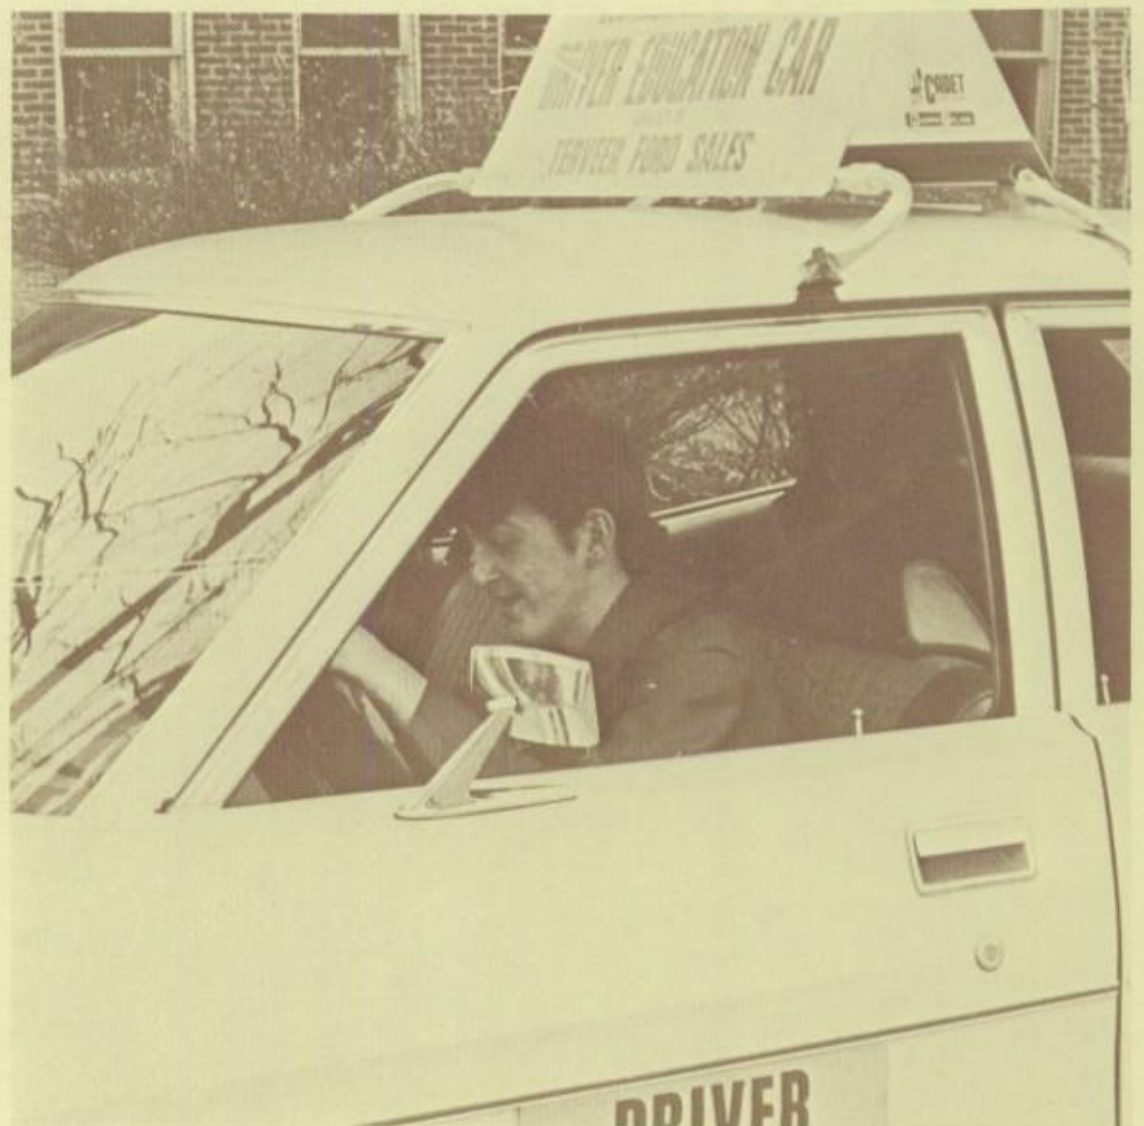

The students learn to make temporary bandages and splints, to perform mouth to mouth resuscitation, and to carry an injured person properly.

## Safety Teaches Students First Aid

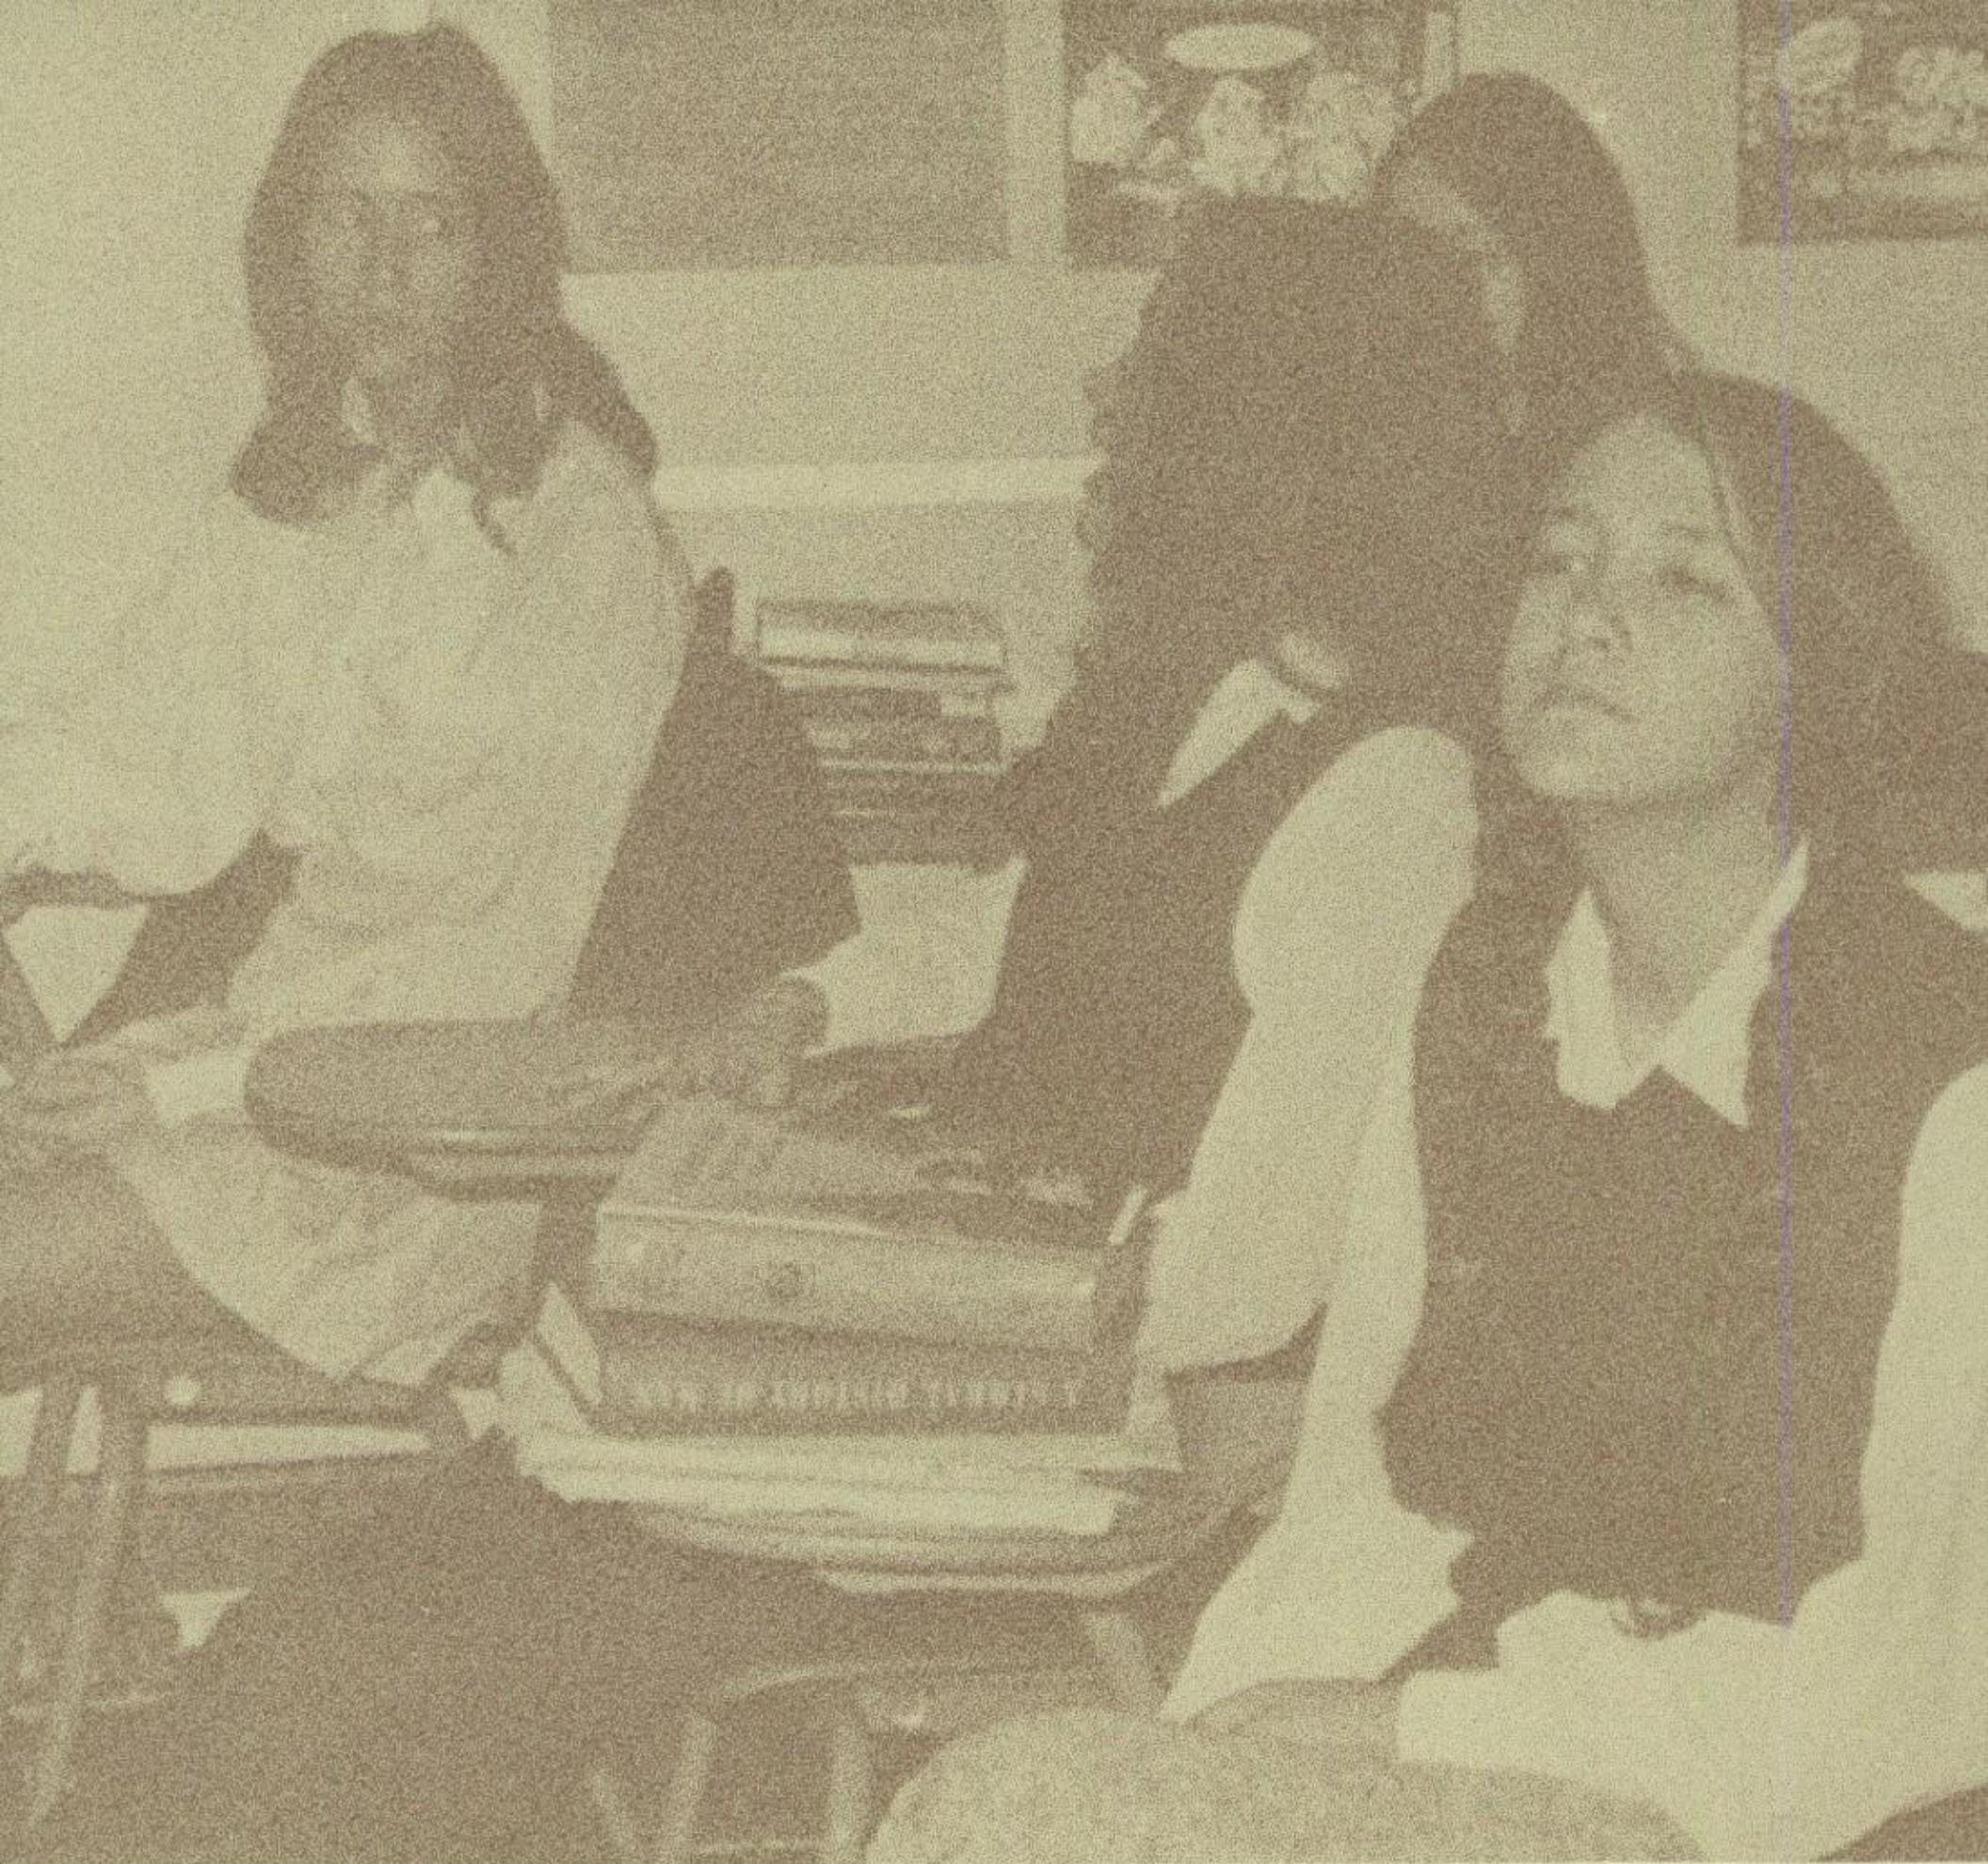

Tom seems delighted being behind the wheel.

## Drivers Education is a Smashing Success

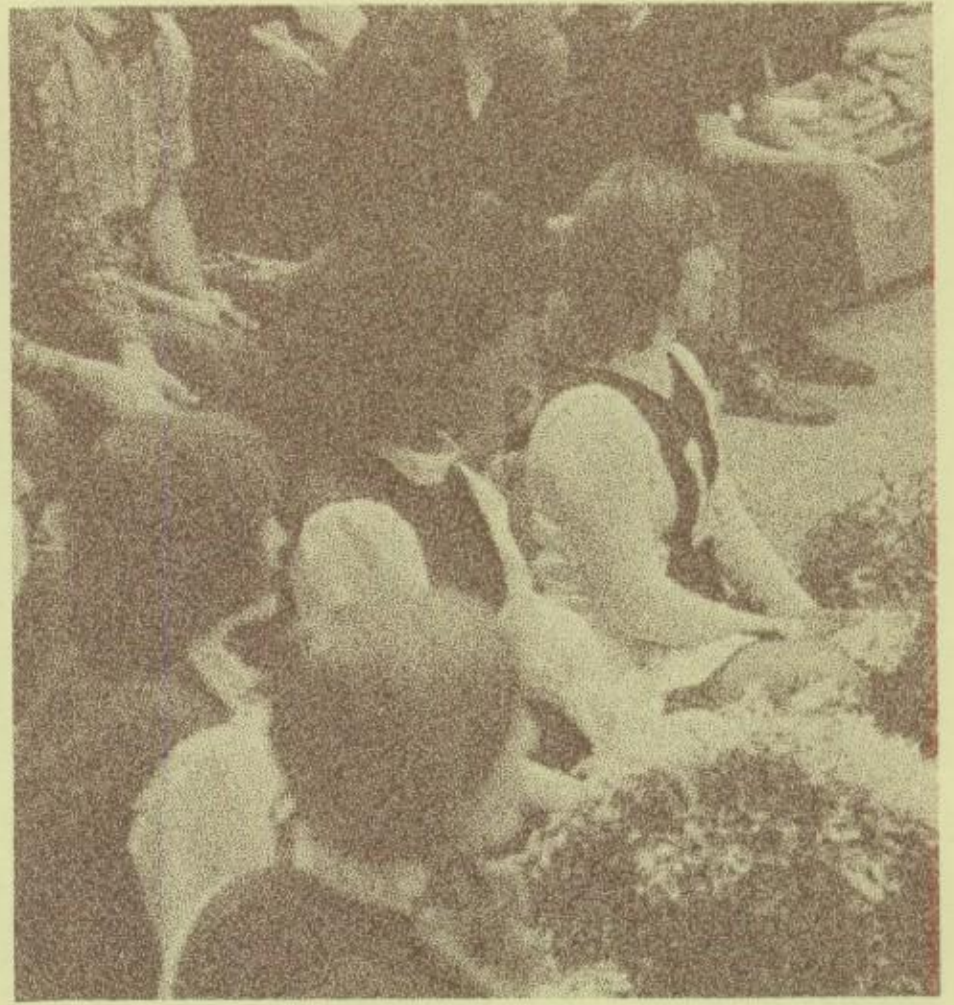

Driver's Education has become an essential part of a student's curriculum if he intends to obtain his license at the age of sixteen. The first step in Driver's Education is to learn the basic rules of driving. After these long weeks of being in park, the students are finally allowed to shift into gear.

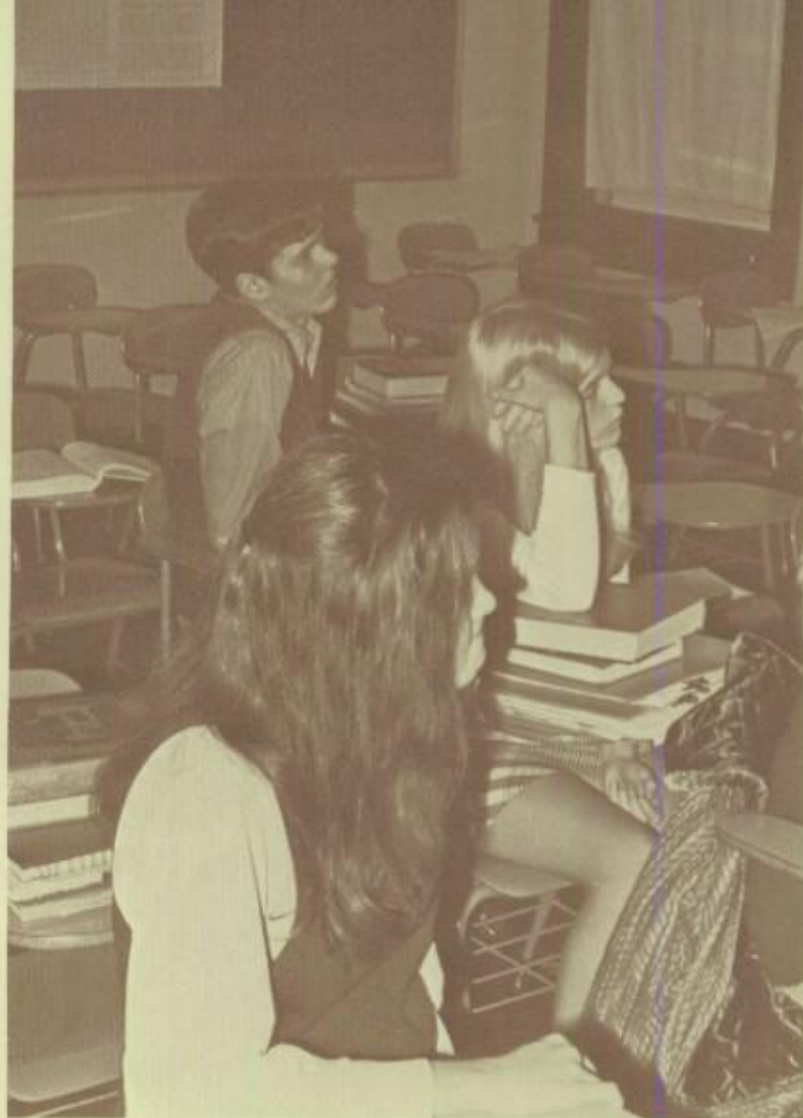

## Organizations

The members all agreed to sponsor an anti-smoking campaign.

Members of the National Honor Society are chosen because of their superior scholastic abilities, and their outstanding character and leadership qualities. This year the National Honor Society sponsored an anti-smoking campaign, at the climax of which they presented a play. The contributions were given to the Cancer Foundation. Early this spring they inducted the newly chosen Juniors and Seniors into the Society.

When Mark speaks, everyone listens.

## National Honor Society Molds Scholars

Members of the N.H.S. chose as their officers; president-Mark Cain, vice-president-Steve Bennet; and secretary-treasurer-Debbie Erwin.

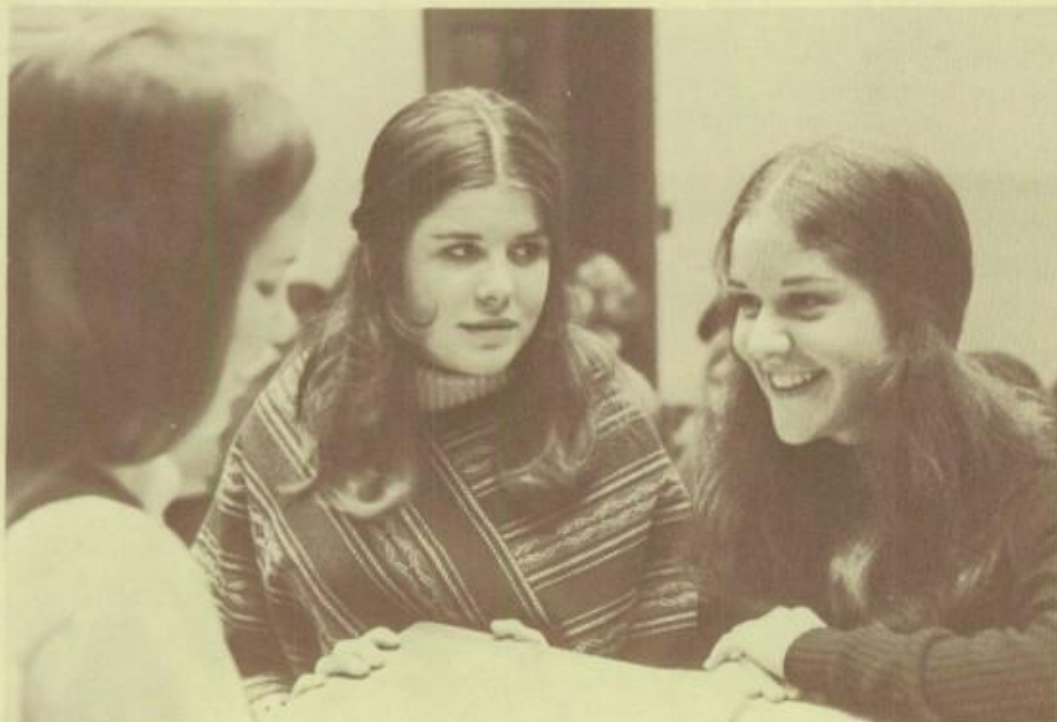

These students were elected to represent their fellow classmates. The officers are: president, Mary Jo Christ; vice-president, Debbie McAllister; secretary-treasurer, Mary Henman.

## Student Council Represents the Students

The students elected to represent their classmates did a great deal this past year. Through the combined efforts of the members of the Student Council, they presented one of the finest Queen's Balls in the history of LHS. To raise the funds, the members sold litter baskets and airline student passes. To help keep the students informed of the activities sponsored during the school year, the Student Council published a monthly calender. Mr. Symer donated much time to help the students and their representatives.

Mary Jo, Roxanne, and Nancy discuss plans for the Queen's Ball.

While John looks on, Mary reads the minutes of the meeting.

## Librarians Aid the Students

All Sophomore, Junior, and Senior girls are eligible to become librarians. These girls must be prepared to work hard and to learn certain library skills needed by every librarian. Some of their many tasks are shelving books, keeping records of all books, checking in magazines, and giving assistance to anyone who needs it.

The audio-visual assistants are a new addition to the library staff this year. These boys are in charge of such AV equipment as movie projectors, cassettes, and record players. This year's staff had the pleasure of being the first to work in the new library.

Patty Vest works quickly to shelve the books before the bell rings.

Keeping the cards in order and stamping books are jobs of Pam.

These students work diligently during their study halls to keep the library in order and to assist the students with all the library materials.

The Varsity Club officers are: president, Bruce Winterrowd; vice-president, Bill James; treasurer, Suzie James and Tom Weber; and secretary, Pam Seketa.

## Varsity Club Promotes Sportsmanship

Dana busies himself filling popcorn bags for the hungry spectators.

Mike eagerly sells Brice a hotdog.

The Varsity Club includes the varsity cheerleaders and those athletes who have received a letter in any sport at LHS. These students worked hard to raise funds to buy equipment for the athletic department. They purchased a nameboard which was placed next to the scoreboard and a hotdog steamer which they used to cook hotdogs to sell along with popcorn at basketball games. They attended athletic functions at other schools and universities.

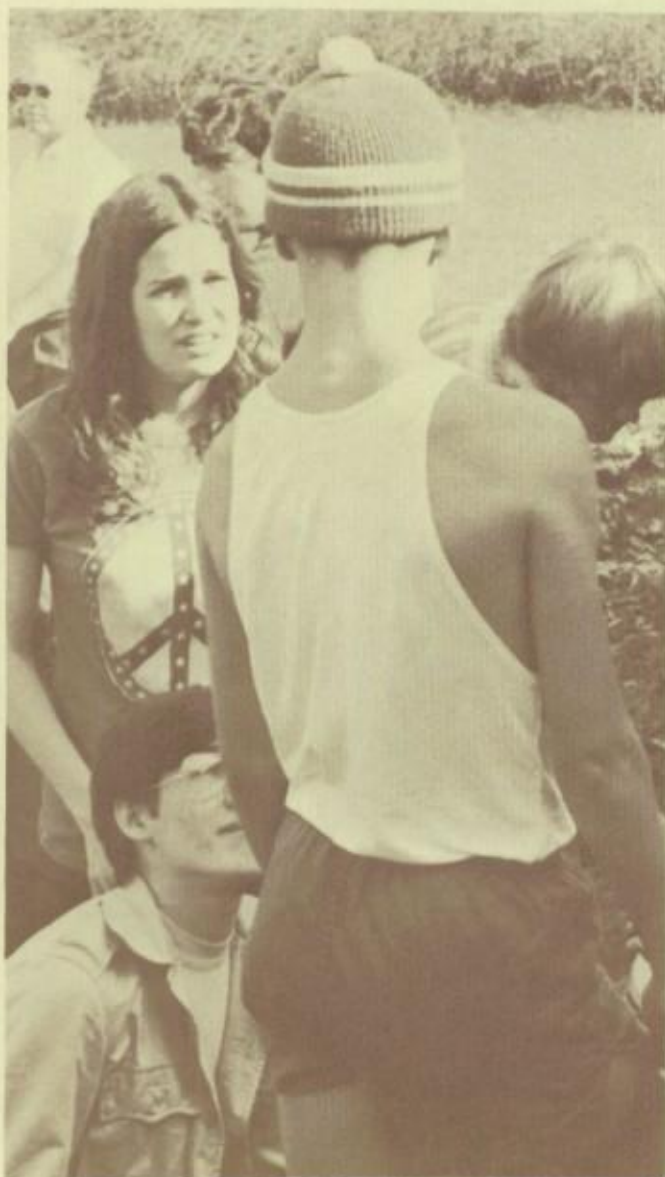

The Pep Club, the largest organization in the school, helps to promote school spirit and team confidence. The president is Jill Weil; vice-president, Theresa Fohne; and secretary-treasurer, Jo Ann Weik.

## Pep Club Shows Enthusiasm

The Pep Club sponsored fan buses for the District, Sectional, and State meets.

Members of the Booster Club practice new cheers.

Pep rallies heighten enthusiasm.

## Booster Club Adds Support

By selling pom poms for funds, the Pep Club was able to sponsor buses to cross-country meets and basketball games. The members of this large organization do much to boost athletic morale.

This year some of the most spirited students banded together to form a new group, the Booster Club. Members of the Booster Club are required to know the school song, all cheers, and must attend games on a regular basis.

During a pep rally some of the members of the Booster Club play charades to emphasize their spirit.

The newly-formed Booster club proved quite a success.

## Greyhound Cadets Are at Their Best

The Drill team performs pom pon routines during an assembly.

This year's Drill team diligently practiced dance and pom pon routines and precision marching. They also participated in competition against other girls for the first time and placed well. In addition to this they sponsored many fund raising projects, the profits of which were used to send the girls to summer camp and to buy new uniforms. Under the supervision of Miss Lucy these girls proved to be an outstanding group of dedicated individuals.

The girls anxiously await their cue.

The Drill team officers are; captain, Patty Vest; co-captain, Jan Leiber; lieutenants, Vickie Bush, Shirley Cordie, Linda Mueller; secretary-treasurer, Grace Owens; historian, Florinda Boone; reporter, LaRay Brooks.

This year's Science Club members and officers; president, Mark Cain; vice-president, Dale French; secretary-treasurer, Jenny Pfeffer; publicity manager, Kathy Milledge.

## Science Club Promotes Interest

Lorin and Mark prepare an experiment.

The Science Club is a group of students who are interested in learning the practical uses of the sciences in today's world. They tried to promote these interests by holding monthly meetings to which they invited a guest speaker to talk about a particular field of interest. They also sponsored various ecology projects and planned for a nature retreat in the spring. Under the supervision of Mrs. Wicks this group learned many of the aspects of the sciences.

Science Club members review plans for future meetings.

## Teaching Assistants Gain Experience

Lorin instructs students in a biology class.

Anna Waller, one of the social workers, helps pre-schoolers with their coloring.

The Teaching Assistants perform various tasks for the teachers as well as the students. Their duties involve typing and mimeographing papers, running errands, and grading tests.

A new program, the social workers, was started this year. Every Tuesday and Thursday after school and on Saturday mornings the workers instruct pre-schoolers.

The Teaching Assistants perform chores for the teachers in and out of the classroom.

These six dedicated girls donated their time to help in the General Office. They are (front row) Jill Weil, Pam Vrell, Linda Mueller (back row) Linda Lysakowski, Angie Chrisos, and Joan Rithman.

## Office Workers Execute Tasks

Mr. Symer's secretaries are (standing) Fran Kohler, Josalyn Slaughter, Mary Henman, (seated) Nancy Brunjes and Joan Zimmerman.

Pam, Linda, and Jill hurriedly mimeograph the absentee list.

The girls, many of whom were enrolled in secretarial courses, gave much of their time to help Vicki Mueller in the office. They took turns in delivering absentee slips, taking messages, collecting money, typing tests and programs, and duplicating materials on the mimeograph machines.

Fran points out quite clearly that she is right.

Lorin, Gina, and Kathy are enthusiastic Thespians.

Becoming a Thespian is an honor a student achieves by earning points based on his work on and off the stage. A future member can achieve these points through hours of hard work and participation in workshops where they learn new techniques concerning the theater.

This year the Thespians raised funds to buy makeup to supplement what they had in the kit.

## Thespians Urge Involvement

The Thespian's officers are: president, Fran Kohler; vice-president, Lorin Cuoco; secretary-treasurer, Kathy Milledge.

The members of the Drama Club acquaint themselves with the basics of acting, constructing props, and applying make-up. The Drama Club officers are: president, Fran Kohler; vice-president, Lorin Cuoco; and secretary-treasurer, Kathy Milledge.

## Drama Club Learns Theatrical Skills

Nancy's acting debut was a success.

The Drama Club organization is open to all students interested in acting or helping with various productions. Besides participating in workshops and speech contests, they also produced the Christmas play, "The Ladies in the Tower." The club's successful year is partially attributed to its new director and coach, Mr. Willyard.

The Junior class produced a Christmas play, "Cornelia Makes Christmas."

## Greyhound Keeps Students Informed

Nancy and Carolyn proofread the Greyhound.

The Greyhound staff consists of about 32 members. Each month these individuals faithfully perform their duties so that they can publish a four-page school newspaper. In this paper they gave interesting and informative accounts of subjects pertinent to the situations we faced during our 1971-72 school year. Mr. Willyard is the sponsor of the Greyhound.

Debbie, Suzie, Ann, and Martha work diligently to meet the deadline.

These are the people who create the Greyhound. The Editor-in-Chief and Assistant Editor-in-Chief this year are Suzie James and Mitchell Loch.

These people compiled the memories of the 1971-72 school year. This year's co-editors are Mary Jo Christ and Frances Kohler.

## Cedarian Staff Records Memories

Some staff members ponder over layouts.

Many people aren't aware of the time and effort that goes into the making of a good yearbook. It requires hours of dedicated work doing such things as writing copy and captions, drawing layouts and taking pictures. This all requires much organization and originality. Special recognition is given to the members of the Cedarian staff who possess these qualities, especially the following:

Sponsors  
Mr. Crews  
Mrs. Boller

### Section Editors

Academics .....	Debbie Erwin
People .....	Sherry Winterrowd
	Ann Baer
	Debbie Henkens
Happenings .....	Martha Freshour

Typist and Index Editor  
Melissa Peterson

Photographer  
Kevin Bennet

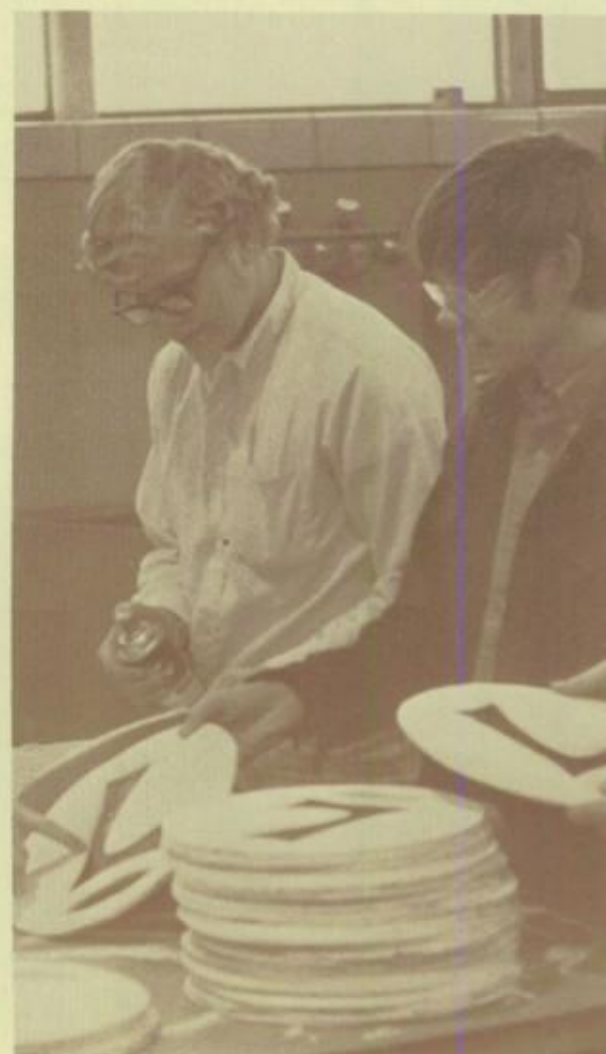

President, Joe Hogg; vice-president, Rick Kloos; secretary, Kevin Newsome; treasurer, Dale Streif; reporter, Bob McCabe are the officers of the Industrial Arts Club.

Tom Schwaegal and Gary Reeves paint props for the Drill Team.

## IAC Establishes Know-How

The Industrial Arts Club is an organization that provides an opportunity for its members to improve their mechanical skills and abilities. To be a member you must take one of the Industrial Arts classes. The club enables members to work as a group and to help others when machine work is needed. This organization has several money making projects such as selling soda at home basketball games, selling key chains, and doing odd jobs around the school. The Industrial Arts Club is involved in such sports as basketball, bowling, and softball. The club also provides speakers to talk about jobs, schools, and hobbies.

Joe Hogg, Dale Streif, and David Clem take their turn at selling soda for the club.

## FHA Hosts Rally

The FHA has spent the past year building skills and techniques that will be useful in future years of homemaking. While under the careful supervision of Mrs. Alden these girls have been busy this past year. Their first big project was hosting the annual section 4B rally, which took many long hours of hard work after school.

The FHA has also tried many money making projects such as selling caramel apples after school at the beginning of the year and sponsoring a Christmas bazaar and bake sale.

Preparations for the rally involved time and extra effort.

Theresa Fohne and Barb Kohler go over last minute details on rally plans.

The FHA officers are: president, Theresa Fohne; vice-president, Debbie Henkens; secretary, Barb Kohler; treasurer, Barbara Wittmer; vice-president of public relations, Bonita Frisby; vice-president of degrees, Patti Vest; historian, Peggy Vest; recreation, Paula Cowley.

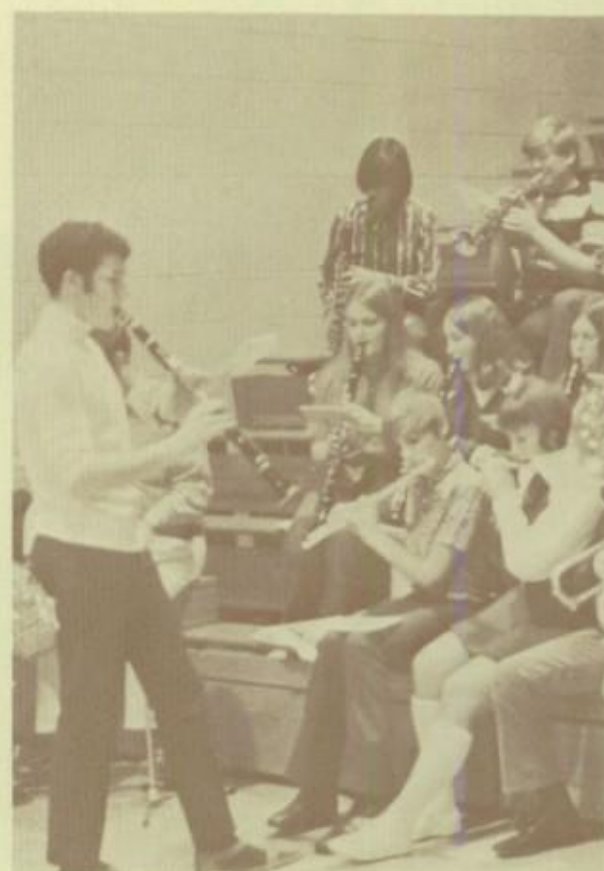

Practice makes perfect.

Mr. Russell Rigden led the band through a very busy year. In the early autumn they played at the Beautification Committee's Fall Festival. To make money they sold pens on which dates of home basketball games were printed. The success of their annual fall, Christmas, and spring concerts was due to the outstanding ability of its members. The band played at some of the Greyhound's home games. They also had special invitations to march in McKendree's Homecoming Parade and to play at one of McKendree's home games against SIU.

Mark leads the pep band while they play at a basketball game.

## Band and Chorus

The officers of this year's band are: president, Mark Cain; vice-president, Jeanine Harris; secretary-treasurer, Debbie Erwin.

Members of the chorus have made numerous appearances throughout the year.

## Improve Musical Ability

Sing out sweet voices!

As a result of long hours of practice and determination, the LHS chorus had a very successful year. Three members represented them at the S.I.U. Choral Clinic early last fall. The chorus and band teamed together to present a festive Christmas concert. Under the skilled leadership of Mrs. Zamrazil, they again produced another successful musical. In the early spring they participated in the all county festival. Some of the more active girls of the chorus form the Ensemble, which sang at the Senior graduation in May.

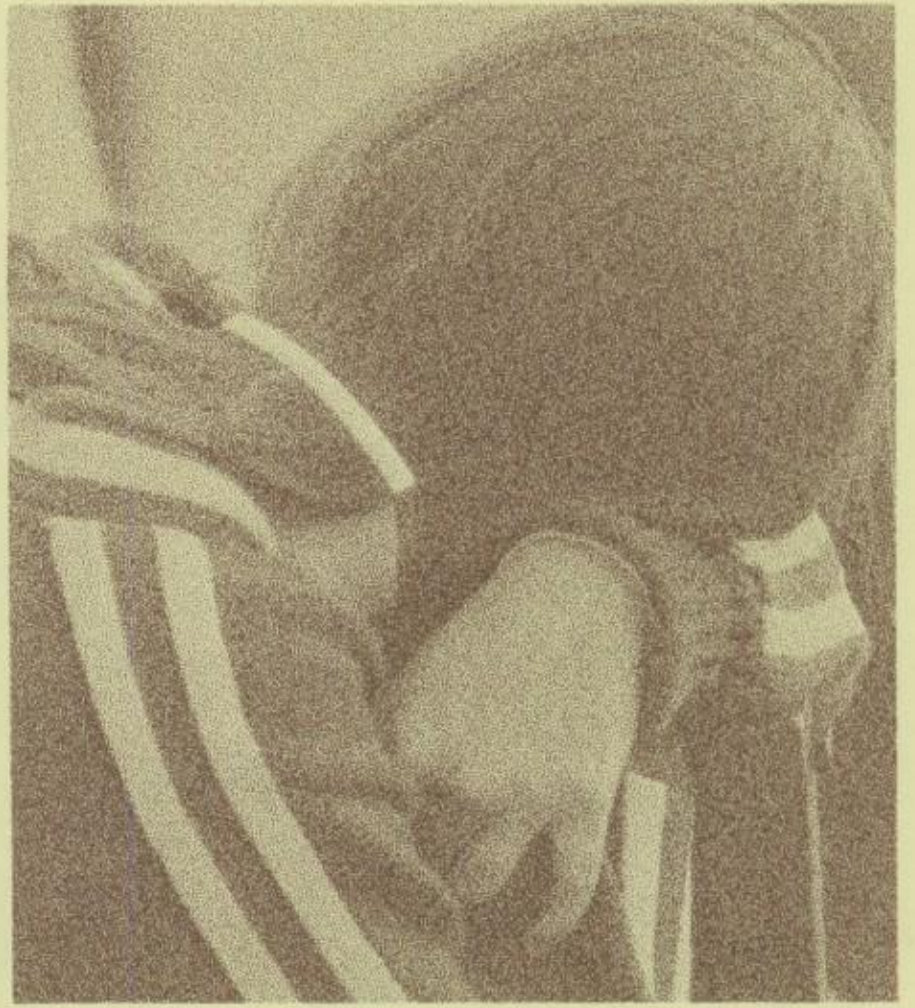

Members of the Ensemble are Kim Cornell, Pat Vest, Gina Smurro, Roxanne Reeder, Dixie Giger, Carolyn Dickman (accompanist), Ann Pier, Debbie Millatti, Karen Schmitt, and Christine Baer (absent).

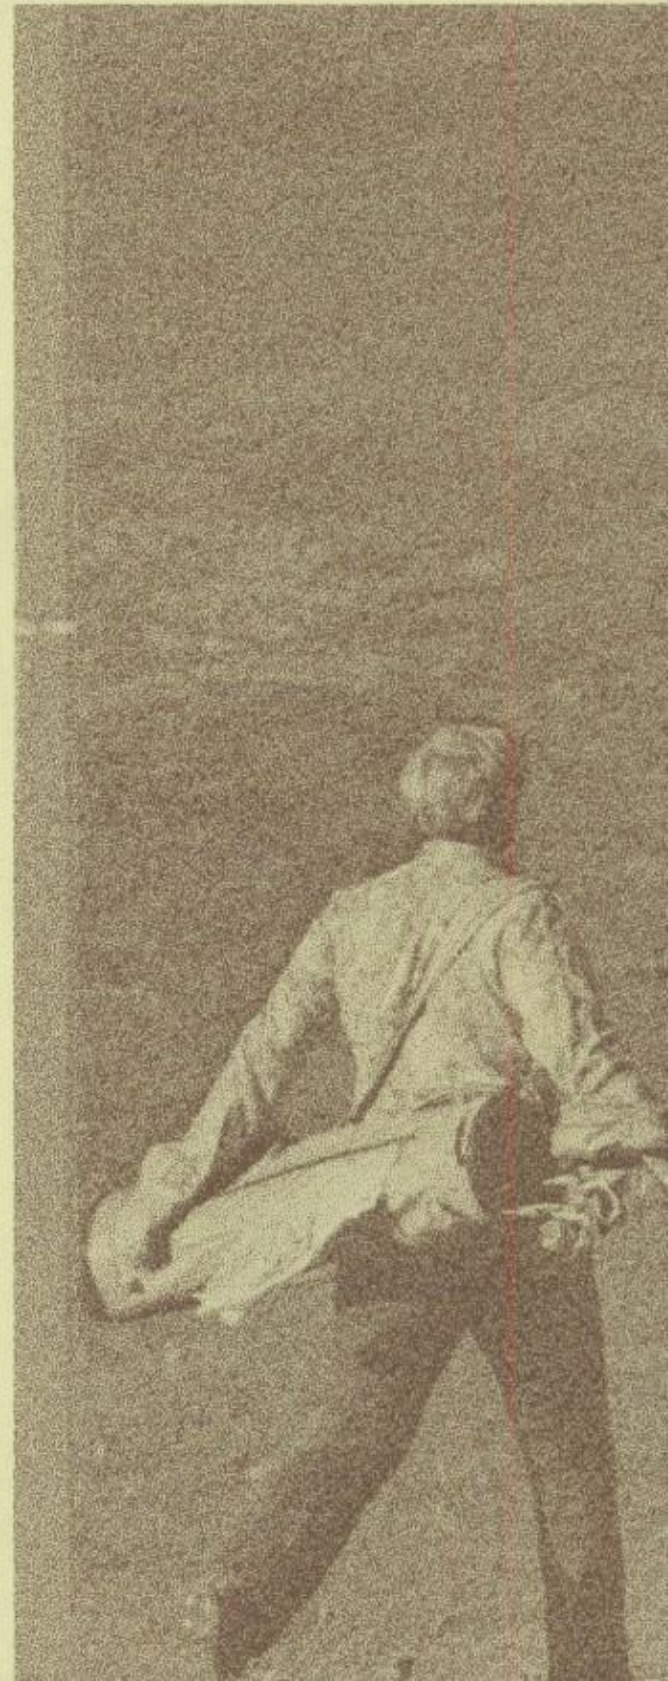

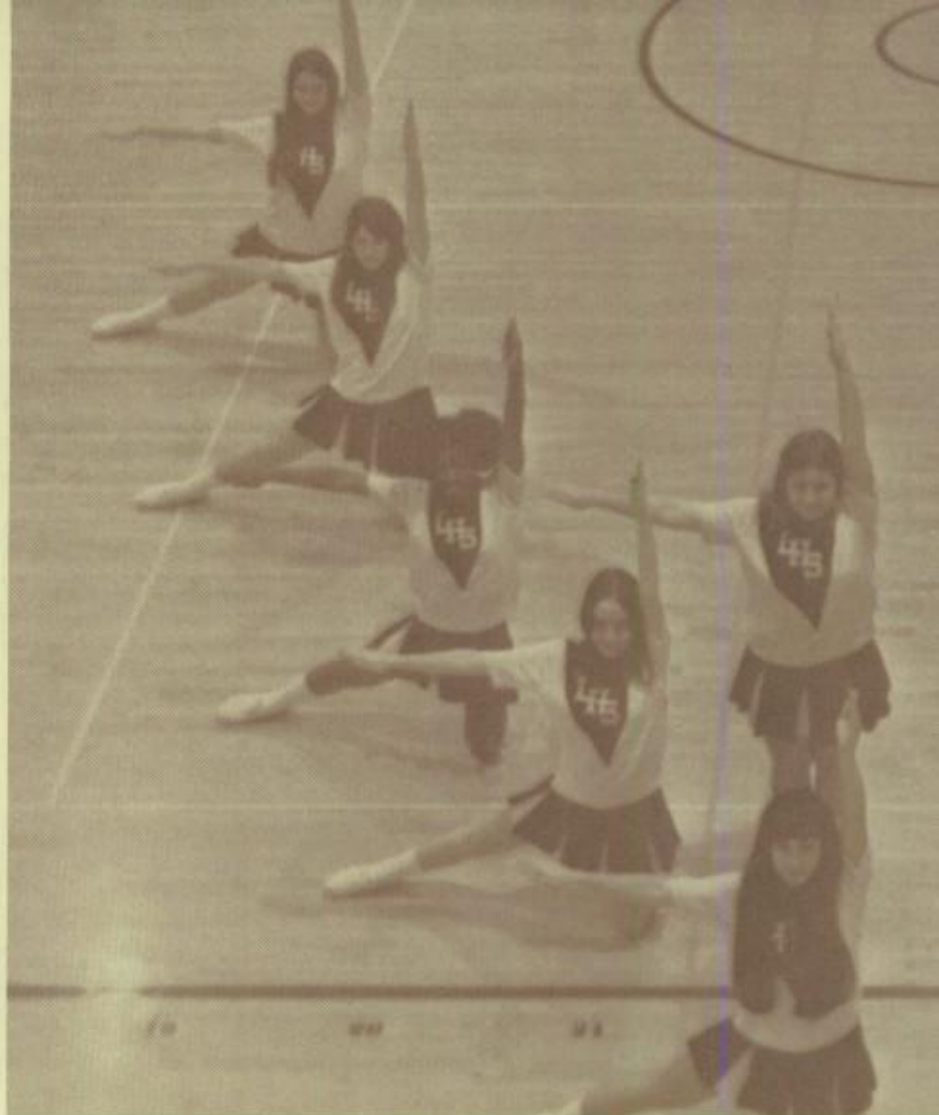

# Sports

Suzie, captain of the Varsity Cheerleading squad, shows the enthusiasm she has had for the past four years.

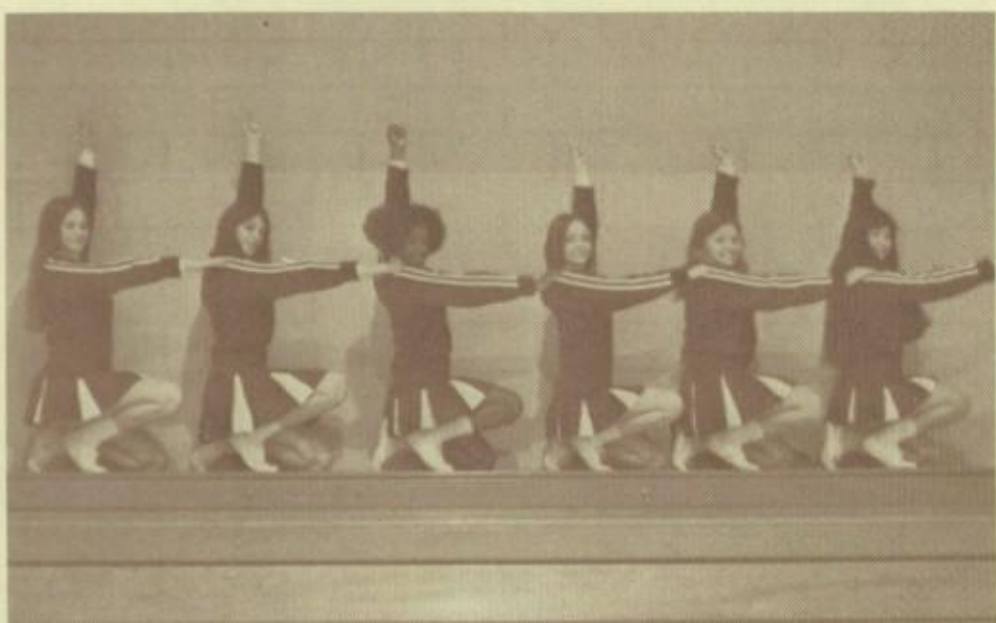

Varsity Cheerleaders from left to right are: Mary Henman, Pam Seketa, Angie Calvin, Mary Dent, and Suzie James (Varsity Captain).

## Spirit is Heightened

Practice, conversation, and thought occur among the cheerleaders before the game.

The Varsity Cheerleaders pose in perfection.

The Junior Varsity Cheerleaders practice mounts.

Junior Varsity cheerleaders from left to right are Barbara MacMinn, Nancy Loch (J.V. Captain), Pat Shipley, Kathy Atkinson, Regina Cornish, and Ann Hogg.

A variety of expressions appear on the cheerleaders's faces while watching a baseball game after the conference meet.

## LHS Cheerleaders

"Practice makes perfect" is the motto of the Varsity cheerleaders.

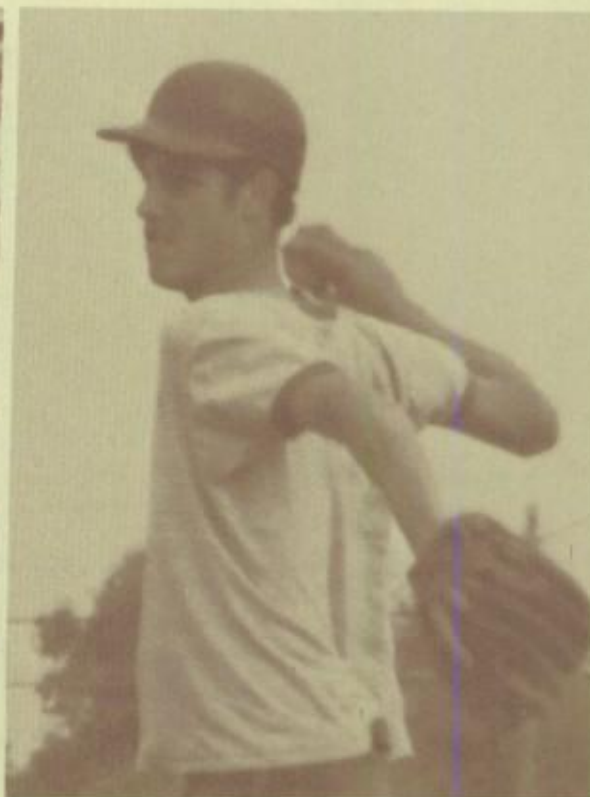

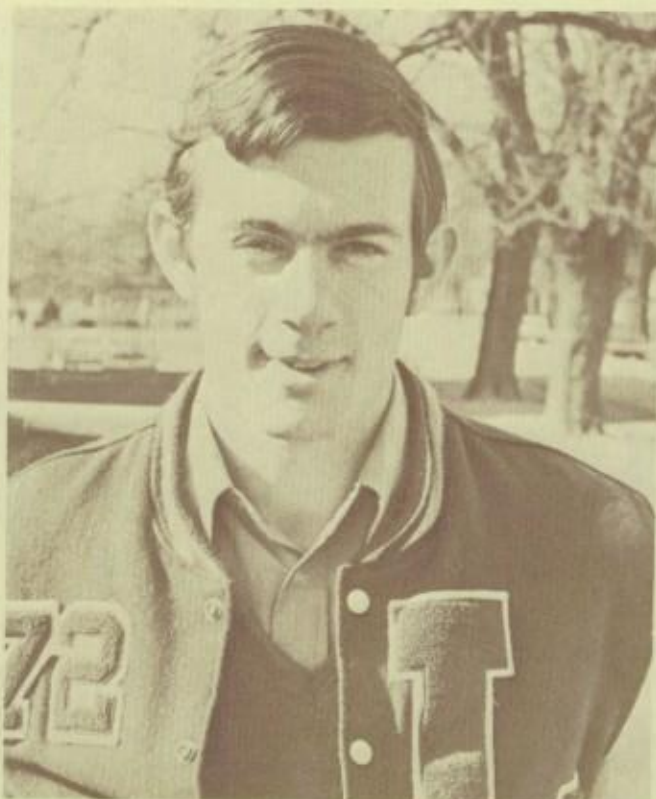

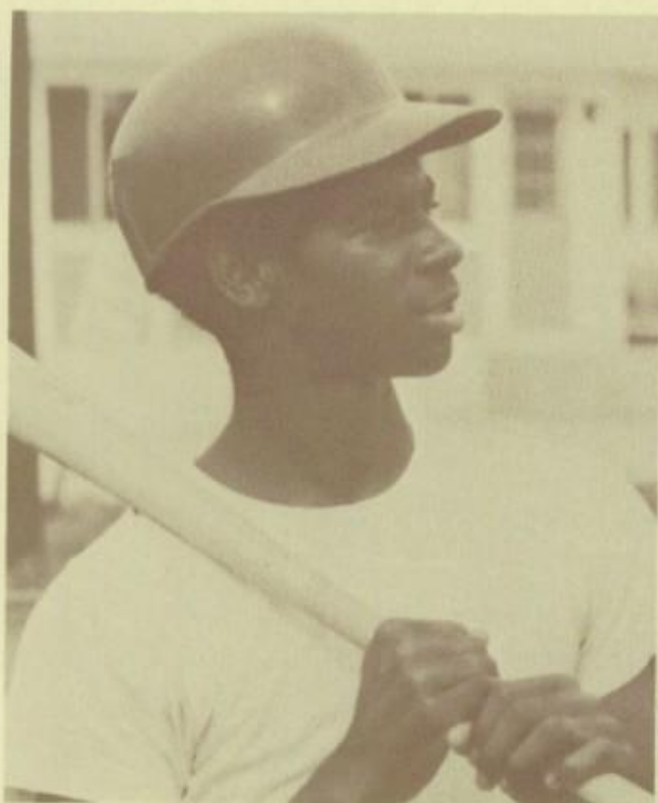

READY! . . . let's go! . . . apples and cookies for the guys . . . arms straight . . . perfection . . . spirit . . . waiting for the team . . . animal noises . . . bus rides . . . stand up-give a cheer . . . Pon Pom routines . . . keep those toes pointed . . . Greyhounds Great . . . Stretch . . . V-I-C-T-O-R-Y . . . Back flips . . . throw your arms back . . . one more time . . . I.S.U. cheerleading clinic . . . two first . . . two seconds . . . spirit stick . . . PRACTICE.

In position, Kathy, Regina, and Nancy lead the crowd in a cheer.

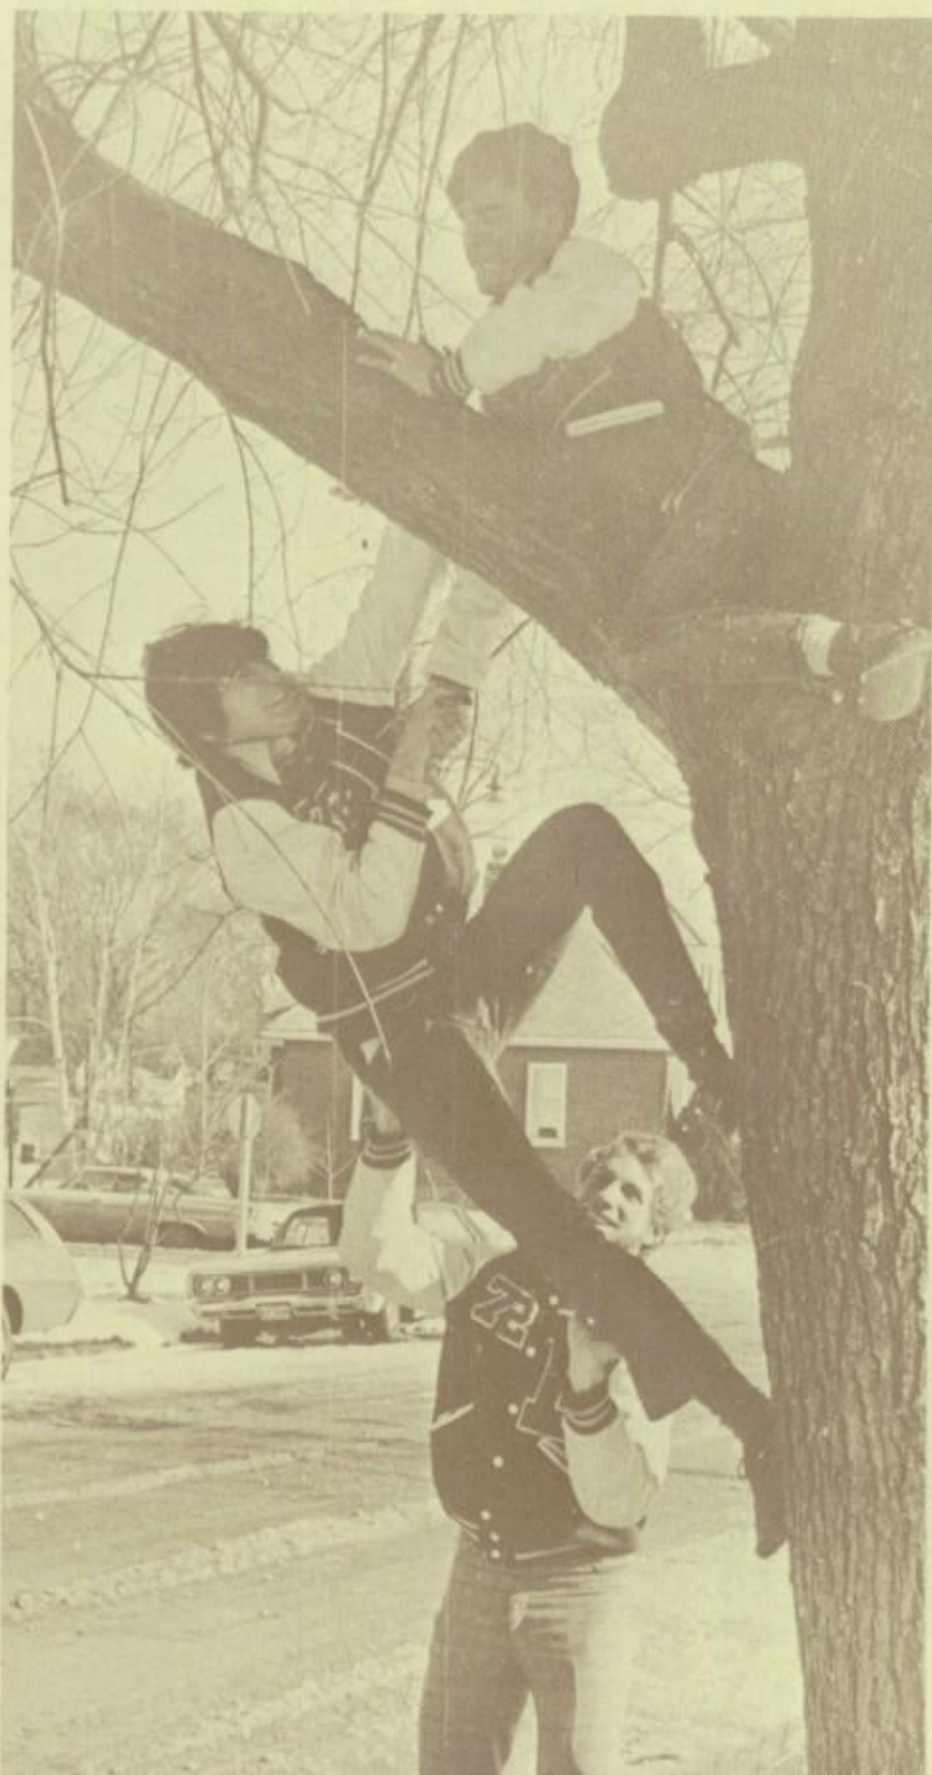

Kenny Cato, Bill Dunning, and Brad Flinders realize that trying harder at Baseball makes winning gratifying.

Cross Country is fortunate to have Dana Frisby, Joe Hohrein, and Greg MacMinn on the team.

## Senior Athletes Earn Recognition

Larry Kunz and Lennie Whitehouse believe initiative is important in Basketball.

Bill James and John Brownfield are the top two men on the Tennis team.

RECOGNITION! . . . accomplishment . . . glamour . . . The crack of the bat . . . glory . . . competition . . . Sound of the buzzer . . . praise . . . time to show off . . . intrigue . . . The feel of the racket . . . Determination . . . good reflexes . . . Agile . . . Completion of the race . . . roar of the fans . . . grandeur . . . Swing of the club . . . precision . . . prestige . . . Bang of the starting pistol . . . Admiration . . . Physically fit . . . hard work and long hours of practice . . . Victory and Defeat . . . GOOD GOING!

Kenny Fohne, Tom Weber, and Bruce Winterrowd are outstanding members of the Varsity Basketball squad.

Larry Reeder and Tom Wolfslau contribute their drive to the Golf team.

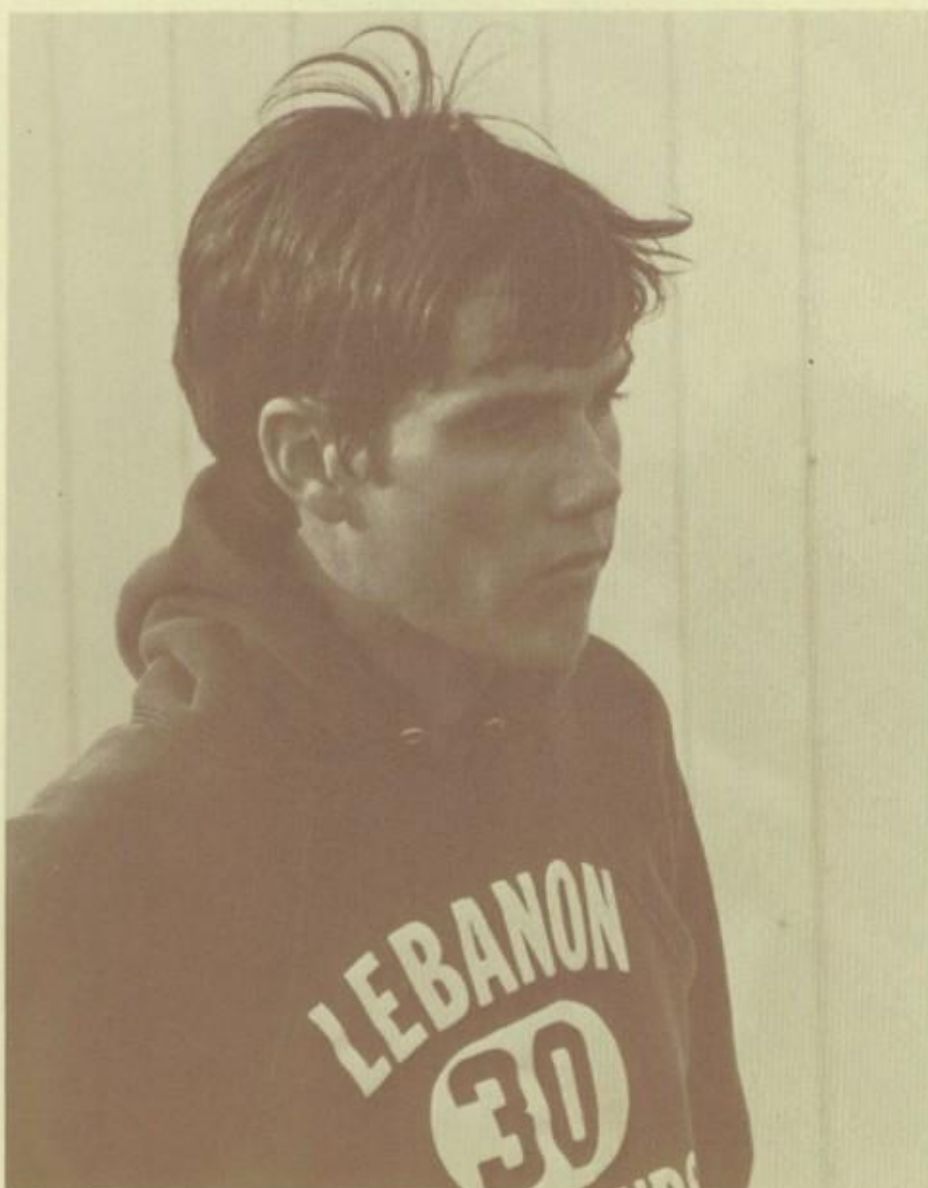

Varsity Cross Country from left to right are Greg Smith, Mike Wertz, John Wertz, Craig Vargin, Dana Frisby, Bob McKee, Greg MacMinn, Rich Youngs, Ken Fohne, Joe Hohrein.

## Improved, Determined, Successful Defines Our Varsity CC

Craig quietly awaits the outcome of the race. This year he won first place in the state cross country meet.

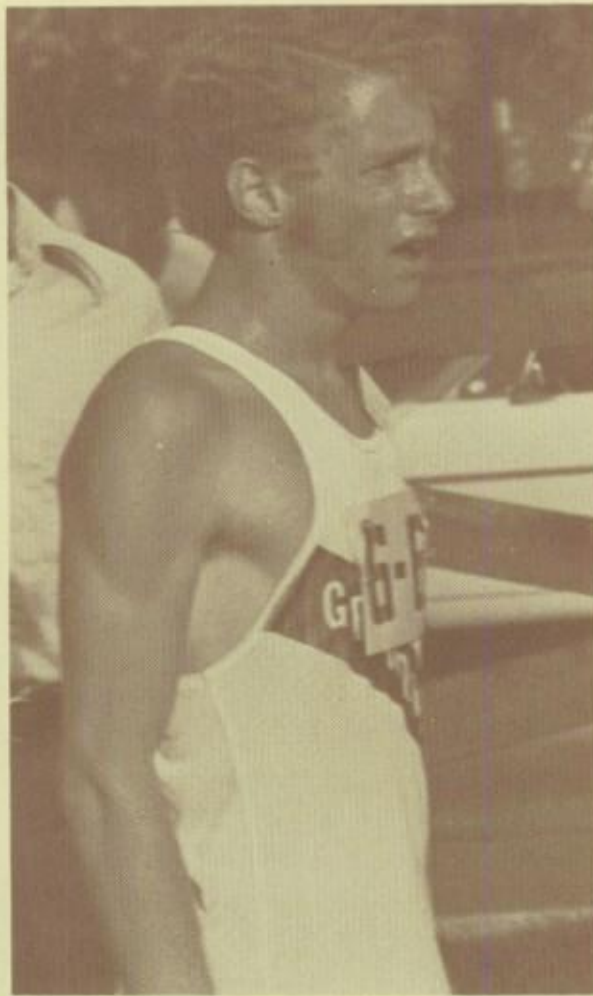

Another win, let's head for home.

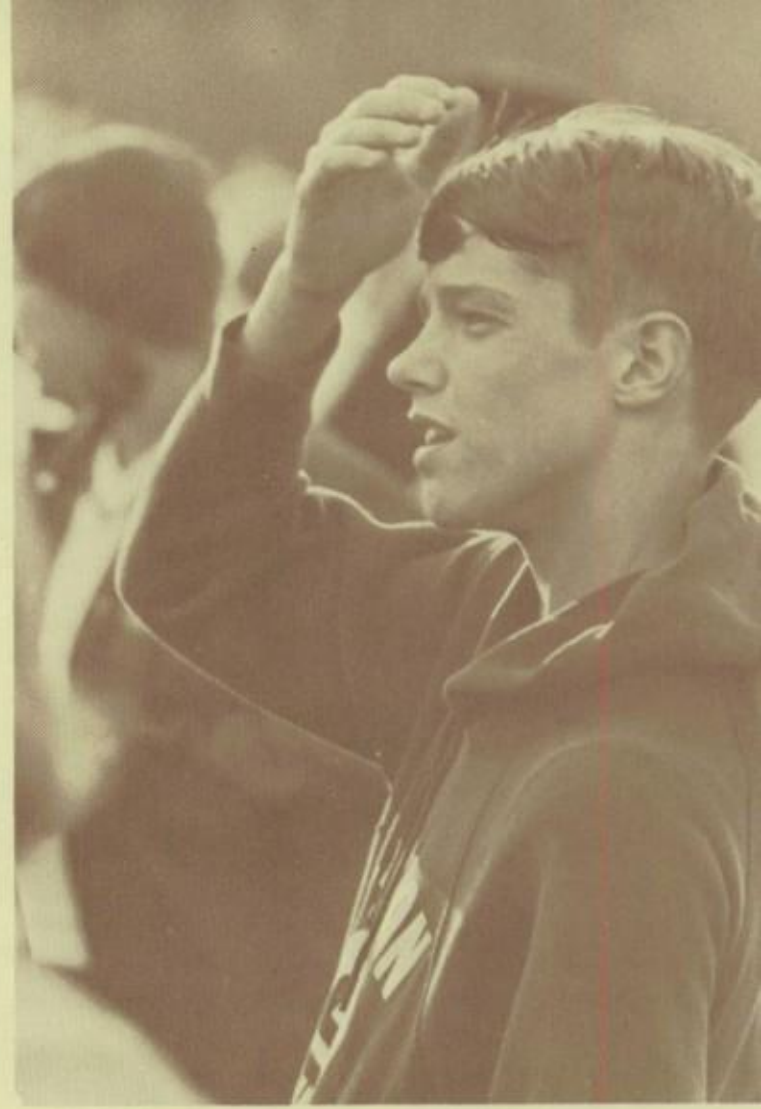

Determination pushed Mike as the chute comes into view.

Now Greg can have that long awaited rest.

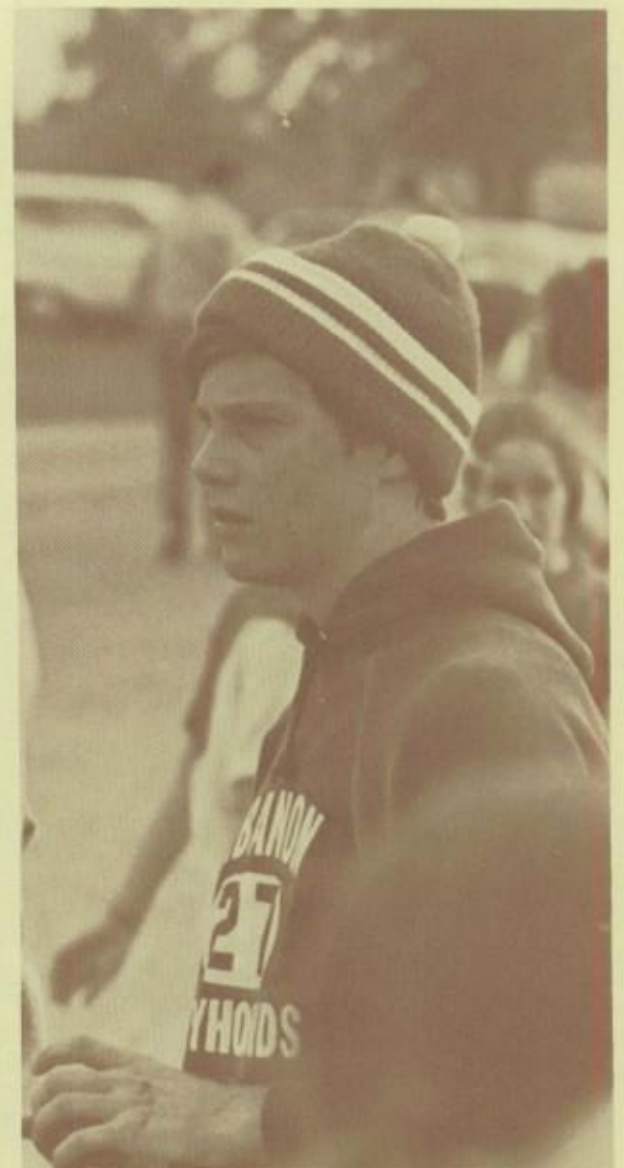

Bob shades his eyes as he scans the track.

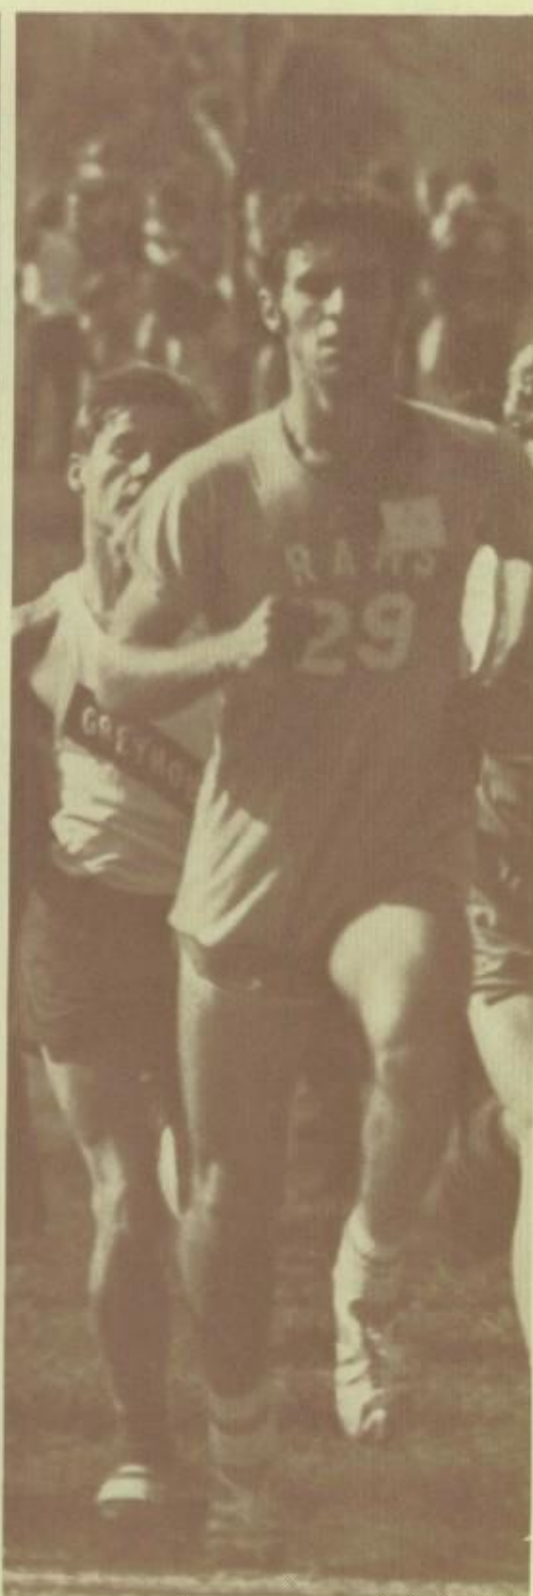

THE CHOSEN FEW . . . you get what you pay for . . . sweat, determination, will-power . . . the country square . . . five under 1:30 or no count . . . runners take your mark . . . let's bring home the hardware . . . way to pour it on! . . . 2nd Sectionals . . . District Champs . . . County Champs . . . Conference Champs . . . Invitational Champs . . . State Finalists . . . 10-1 record . . . five more miles! . . . hockey in the showers . . . ENDURANCE.

Preparing himself emotionally, John ponders the oncoming race.

Kenny and Dana are pouring it on.

Greg is happy to belong to a successful team.

Mike and Dana push to overtake other runners in the last few yards of the race.

Rich's expression mirrors his determination.

A happy expression on Joe's face is a sign of victory.

An atmosphere of concern looms over a few of the fans as they await the final scores.

## Junior Varsity CC Burns Paths to Success

If practice can bring about a smile, it can't be that bad.

IT TAKES A DIFFERENT TYPE OF ATHLETE. . . . Hurt, pain, agony . . . If you don't want to work you don't belong . . . Alright! . . . Watch your pace . . . Way to go you guys! . . . sore muscles . . . Atomic Bomb! . . . Go! . . . Sprint . . . Lets get it done . . . 2nd St. Paul Frosh-Soph Inv. . . 4th County Meet . . . 10-1 record . . . GOOD SEASON.

Bob is apparently giving it all he's got, while Ira verbally expresses his feelings at a meet.

The members of the Junior Varsity Cross Country Team are from left to right Tim Harrop, John Hogg, Melvin Edison, Greg Busch, Ira Hughes, Bob Burns, Bill Perkins.

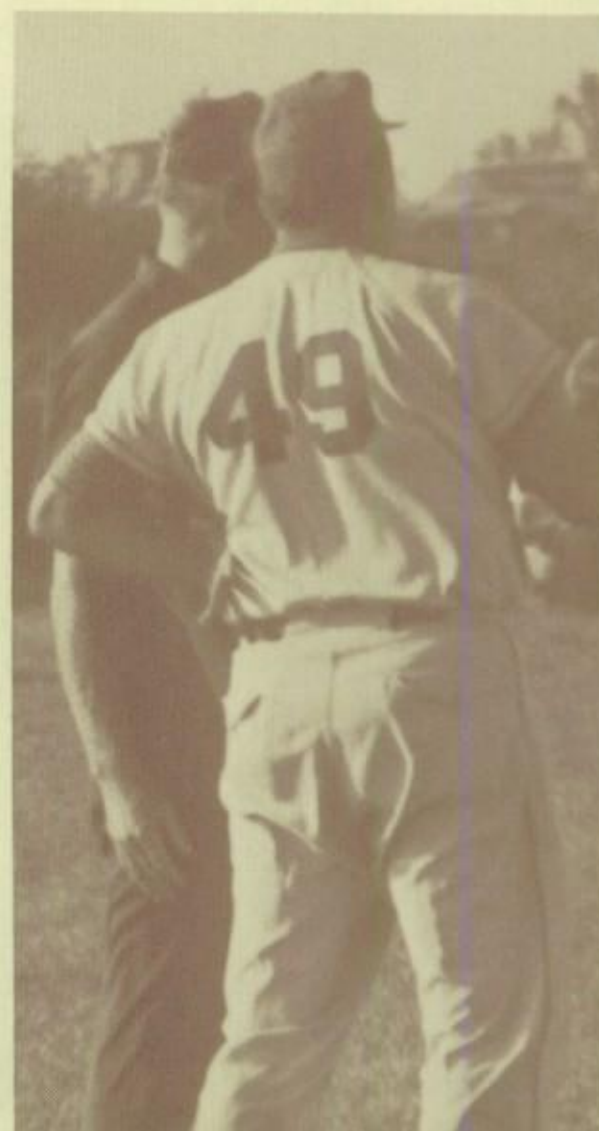

## Good Sportsmanship Makes Winners

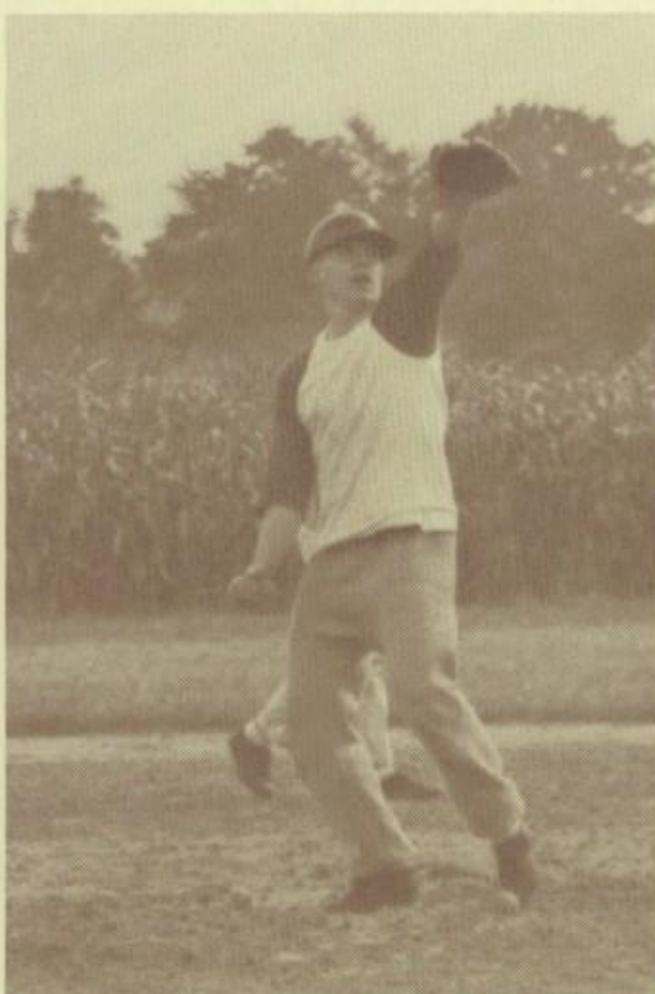

The Varsity Baseball team from left to right are Brad Flinders, Kenny Cato, Tom Weber, Bill Dunning, Bob Burns, Coach Schieppe, Don Riels, Bennie Acton, Bruce Winterrowd, Tom Wright, Tyronne Burns, Bruce Norris, Coach Korte, Kenny Morris, Joe Vozar, John Pehle, Richard Mitchell, Mike Rutherford, Morgan Loch, Ross Millatti, and Kim Munie.

Coach Schieppe questions an umpire's call.

Kenny, Tom, and Ken make ready for the next game.

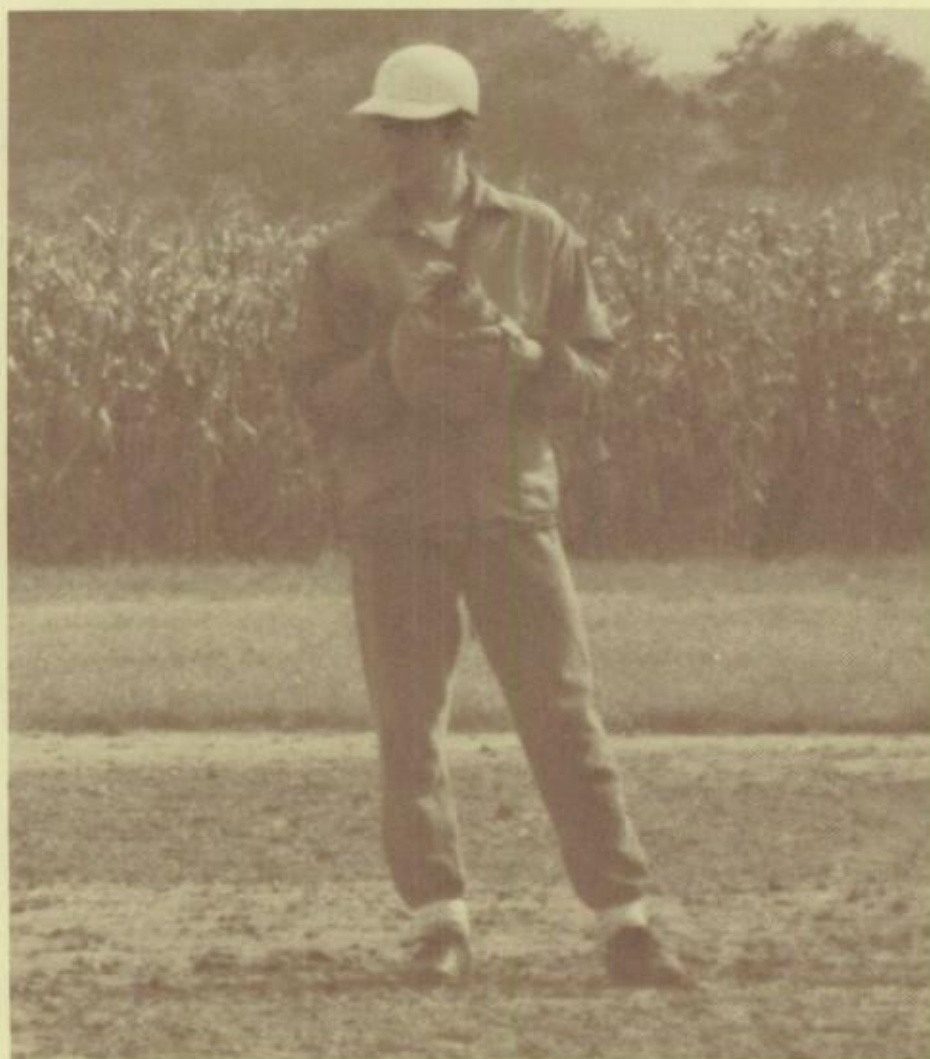

Don confidently awaits the ground ball.

CRACK OF THE BAT . . . coach, the sun was in my eyes . . . slide! . . . accuracy, skill, muscles . . . foul ball . . . settle down and throw the ball . . . No pressure kid . . . grounder . . . ball two! . . . safe! . . . talk it up . . . watch the signal . . . good pitching . . . warm up . . . kill the Ump . . . what's the inning? . . . It's mine . . . steal! . . . GRAND SLAM.

Bill warms up in a state of complete concentration.

Brad positions himself to throw the ball.

Bob demonstrates a good follow-through.

Kenny pays attention as Mr. Schieppe gives advice.

Bob, what happened? The ball's lying behind you.

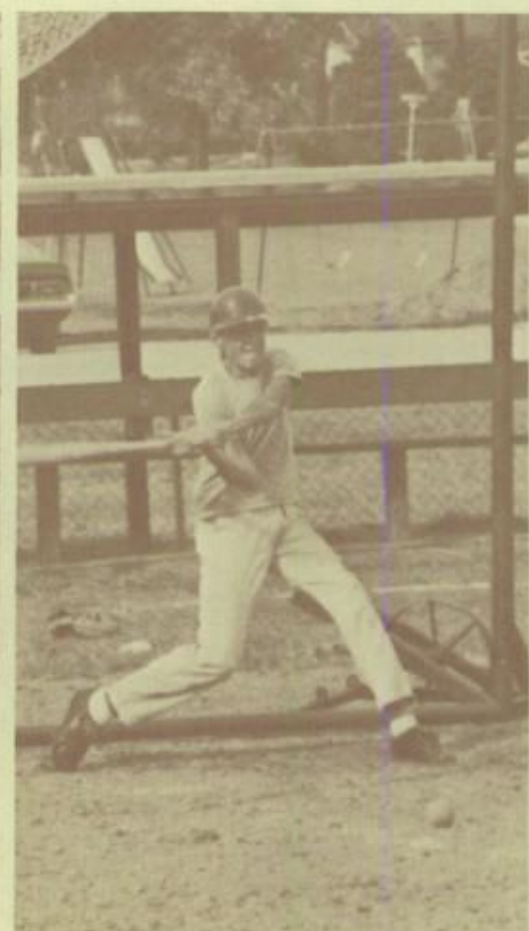

Bruce's feelings seem to change as the ball draws near.

GET A MOPPER CHOPPER . . . hours and hours of practice . . . No pressure just get a hit . . . you're out! . . . Double . . . take a shower . . . fly ball . . . I got it — at least I thought I did . . . come on ba-abe come on m-a-an . . . outfield . . . homerun . . . in the cornfield . . . Good Eye . . . Be Tough! . . . Bunt . . . Have a good day . . . Hot Dog . . . spit ball . . . A walk's as good as a hit . . . 8-2 record . . . Conference Champs . . . GUTLESS WONDERS.

Expressions tell the story as Mike practices batting.

Tom and Bill look on as Kenny makes his try at stopping the play.

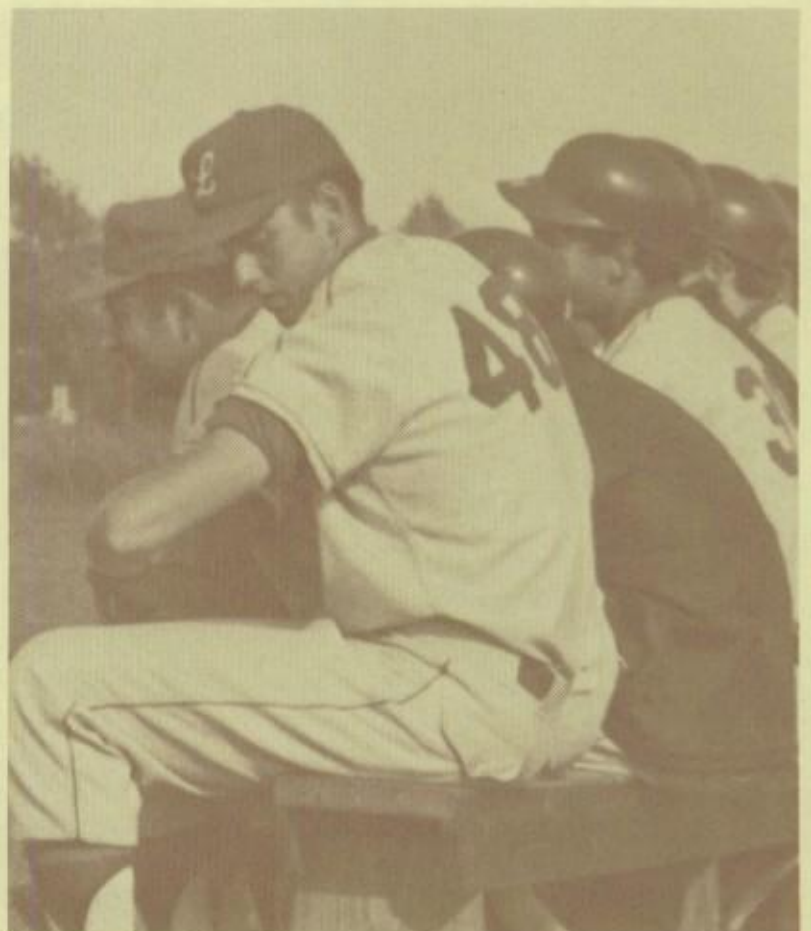

Tom's powerful swing misses, but he's sure to hit the next.

## Baseball Team Exceeds Expectations

Kenny awaits the pitch.

Something distracts Mr. Korte, but the others watch intently.

Freshman basketball players are from left to right: Manager Jeff Cowley and Kendall Newsome, Melvin Edison, Bobby Goodman, Lee Miller, Al Kunz, Terry Wolff, Bryce Ford, John Hogg, Kerry Allen, Brad Hovatter, Tom Wright, Marvin Edison, Dorsey Norman, and Coach Korte.

Dorsey easily outreaches the other guy.

## Freshman Basketball Team Improves Skills

The Frosh strive to regain control of the ball.

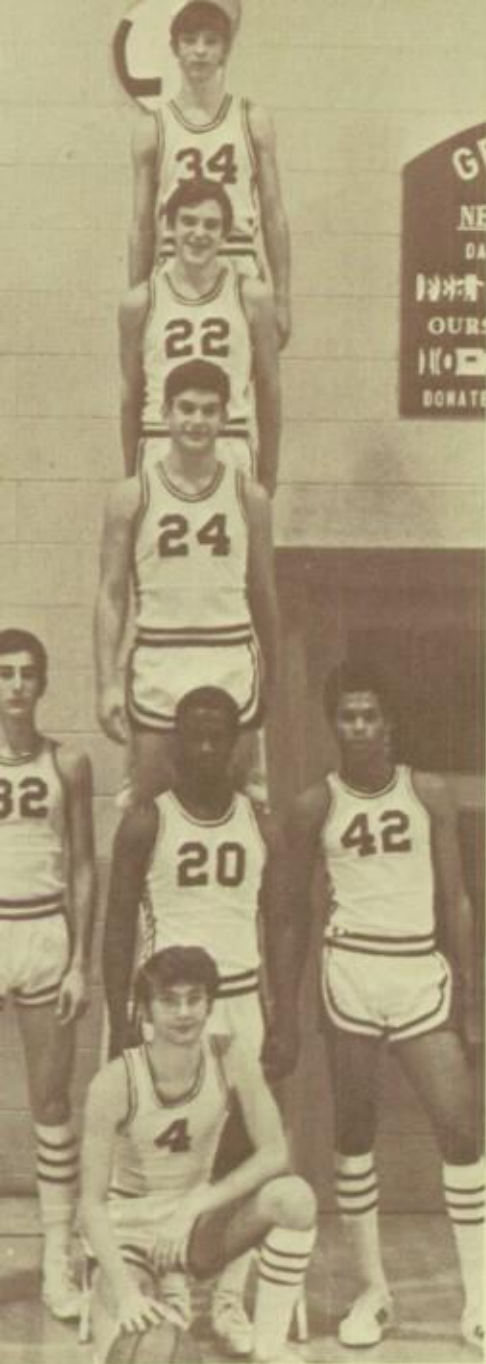

Expressions along with glances at the scoreboard show the game must be close.

The Freshmen's fast plays keep the other team completely off balance.

Junior Varsity Basketball players: Joe Vozar, Bruce Norris, Kenny Morris, Bob Burns, Kim Munie, Stewart Erwin, Roger Ahrens.

Buck receives excellent coverage while making a shot.

Hot and tired, the boys come in for a time-out while Coach Schieppe mentally decides the next approach.

## "Successful" Describes Our J.V. Team

CROWD PLEASERS . . . Ability . . . lay up . . . The last of the winter sports . . . half time . . . Don't smile, just do it . . . Spirit . . . more laps . . . unforgettable expressions . . . You can't make a cherry pie out of mud piles, you have to be willing to work . . . long hard hours . . . concentration . . . sound of the buzzer! . . . who's starting coach? . . . practice mistakes-make mistakes . . . zoning . . . defense . . . we may lose but we'll be in shape . . . time-out . . . You gotta catch the ball to be able to pass it . . . DEDICATION.

Junior Varsity Basketball players: Tyron Burns, Roger Wolfe, Walter Cornish, Bill Perkins, Joe Schmitt, Terry Walsh, Mike Rutherford.

The J.V. runs through another fine play.

When too many strive for the ball, pushing and falling are often the result.

## Varsity Basketball

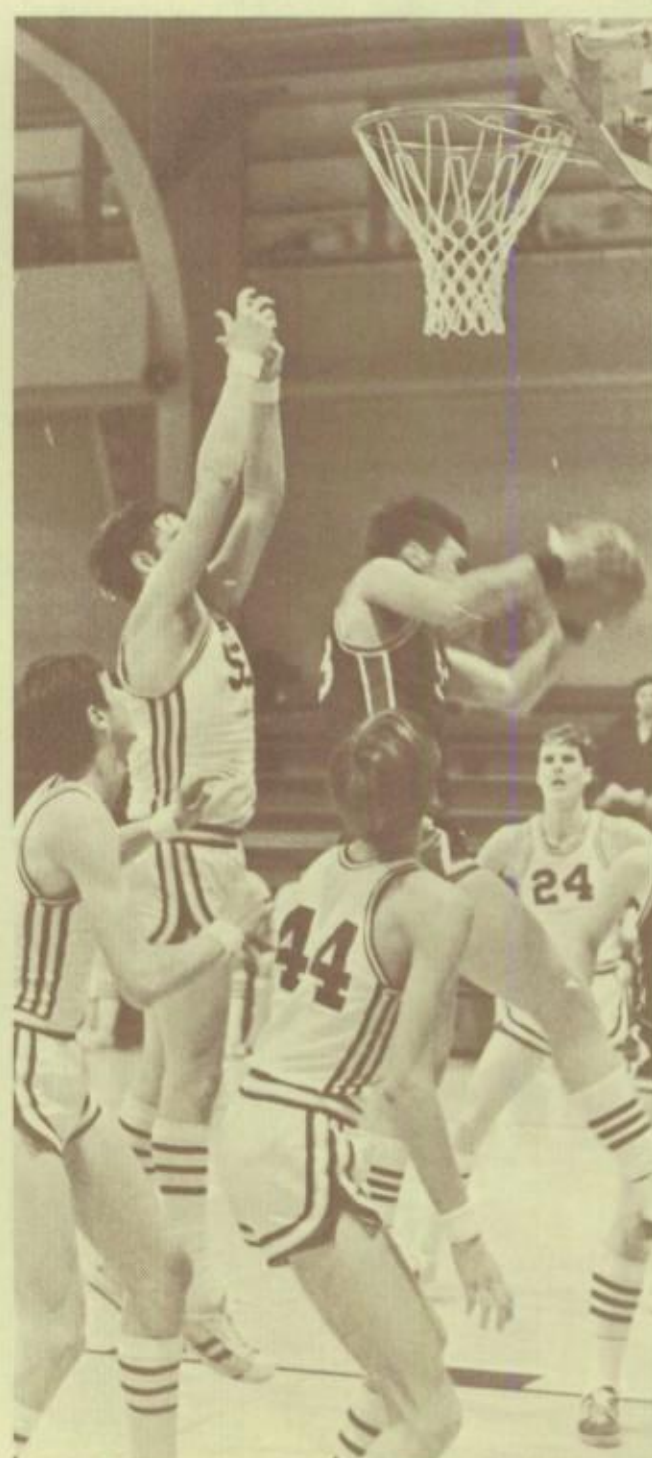

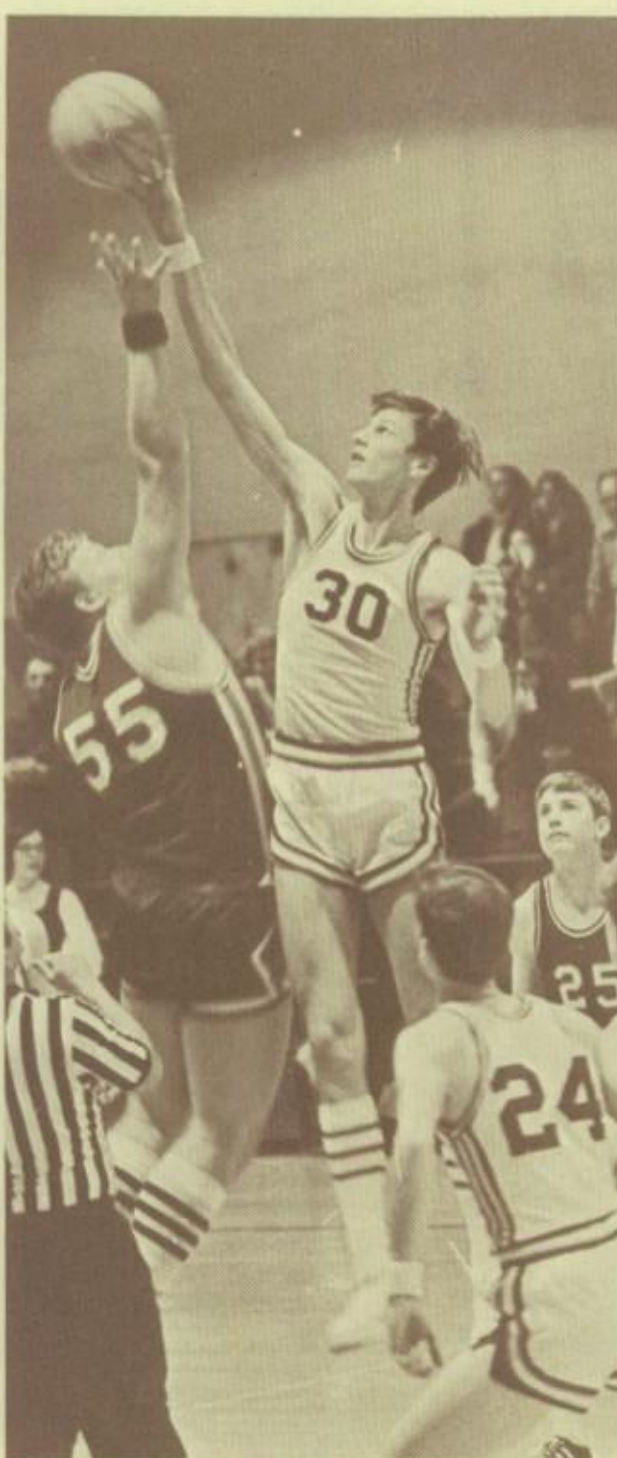

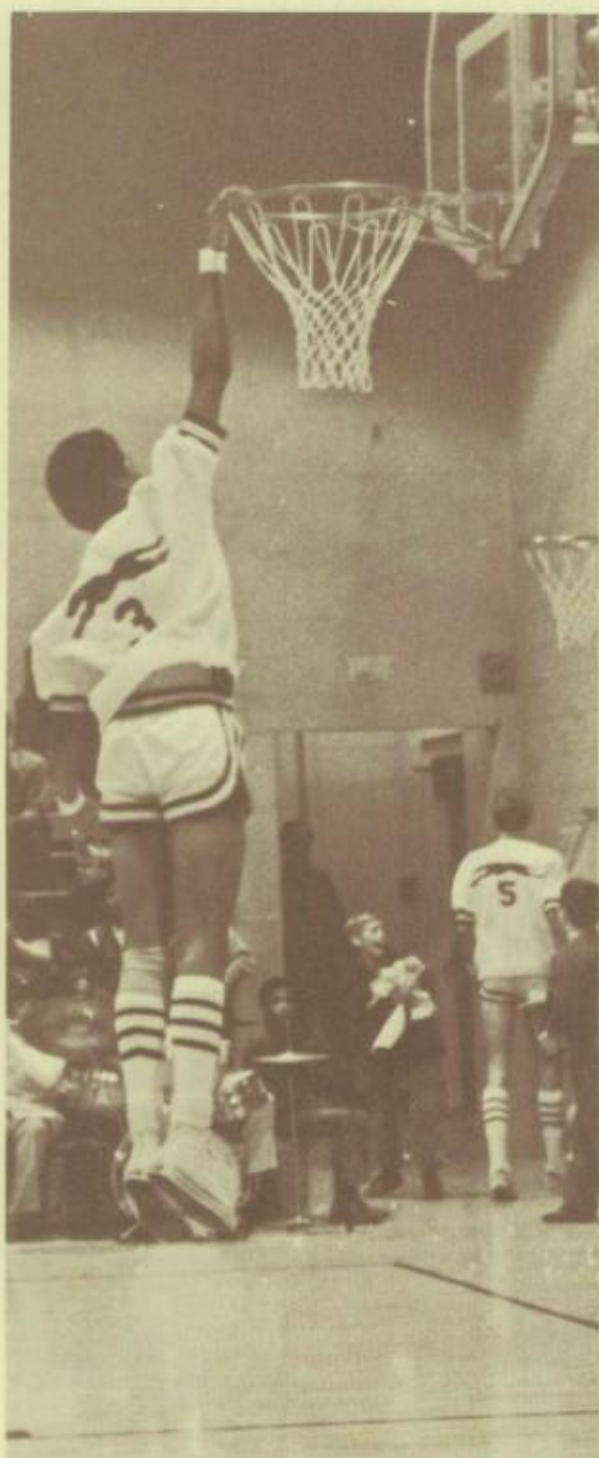

Lennie's doing a good job of overpowering the defense.

Varsity Basketball players are from left to right: Bruce Winterrowd, Joey Schmitt, Tyrone Burns, Brad Flinders, Bruce Norris, Bill Perkins, Ken Fohne, Lennie Whitehouse, Larry Kunz, Bob Burns, Bill James, Tom Weber, Bill Dunning. Standing behind are Coach Feldt and Coach Schieppe.

The jumping ability of the players was an asset to this year's Varsity Team.

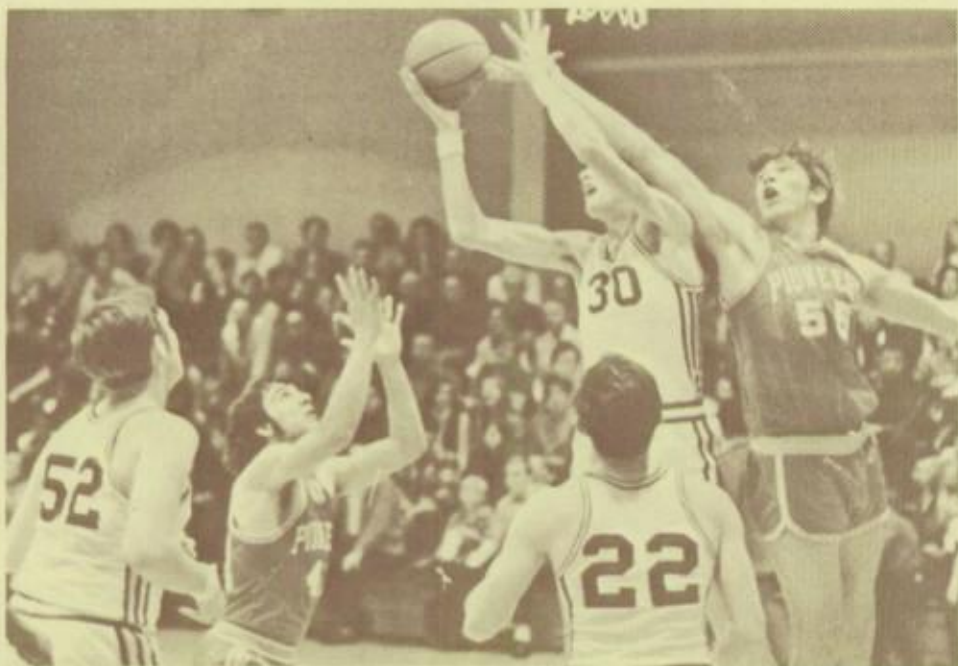

# aches New Heights

WILLINGNESS TO WIN . . . half time . . . Managers! . . . Don't think . . . no more than candy apple passes . . . on the line . . . free throw . . . 8 minutes . . . teamwork . . . potential, desire, pride . . . are you guys practicing to lose . . . hustle . . . coming up from behind . . . two, one, two . . . coordination . . . out of bounds . . . foul . . . time out . . . put 'em up and line 'em up . . . steal it . . . here's the out of bounds play . . . MIGHTY GREY-HOUNDS.

Kenny pulls down another one of his many rebounds.

Time out is important for deciding the next means of play and resting a few muscles.

Looking down over the game, Greg, Tom, and Larry keep accurate records of the plays.

Being statisticians creates profound involvement in the game.

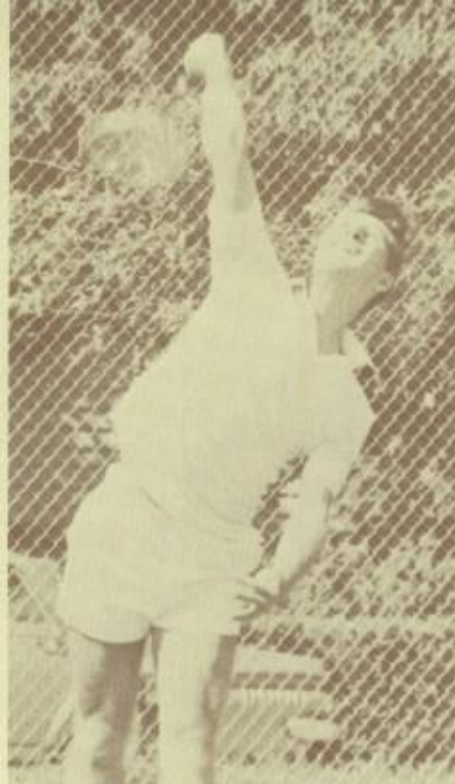

With Bill's height, holding the ball over his head is a sure way to keep it from his opponents.

Jim shows good form in making his swing.

Bill makes an over-head shot and directs the ball back toward his opponent.

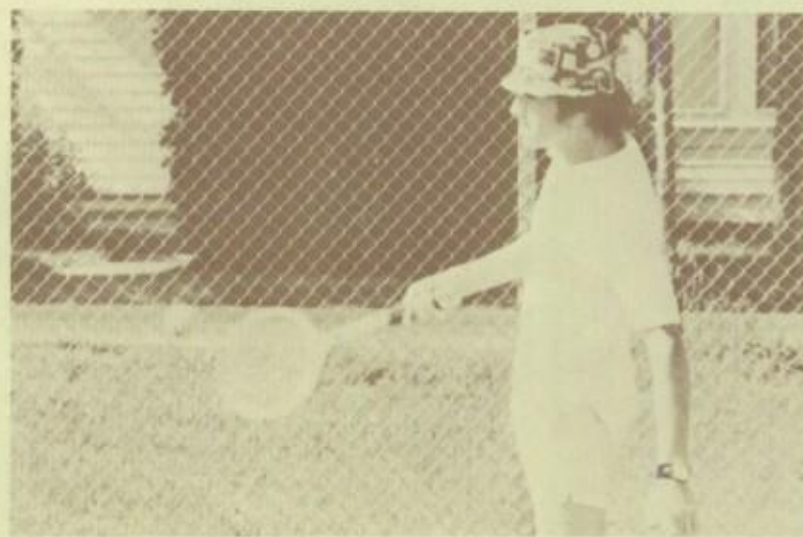

## Tennis Team Achieves Title of Conference Champs

John showing his skill, returns the ball effortlessly.

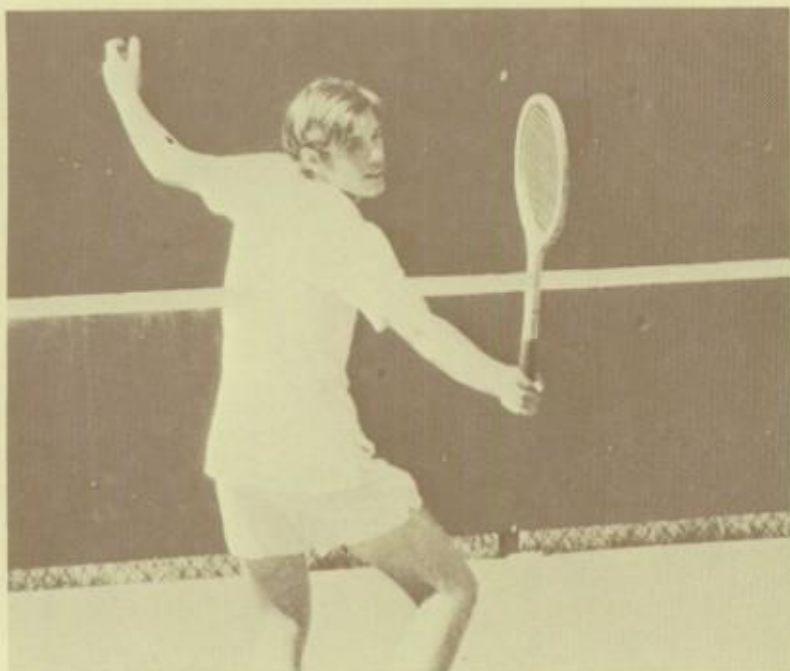

Peter Gallemore, Bill James, John Brownfield, and Jim Appleman practice sportsmanship as well as tennis skills.

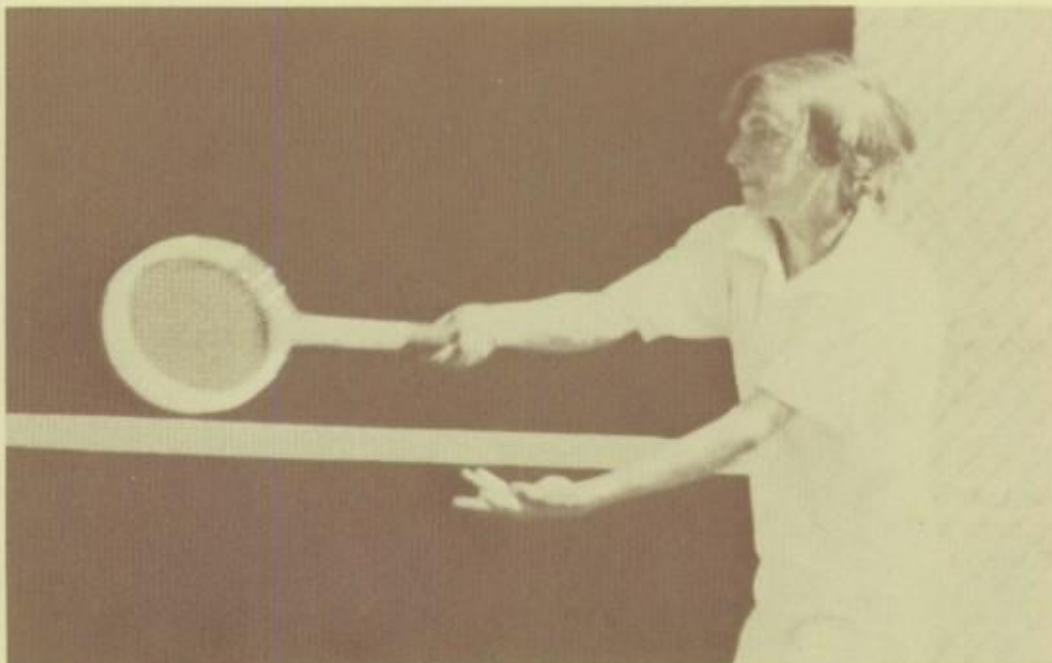

Bob swings, and it looks like a good one.

With his eye on the ball, Peter positions himself for the swing.

Jeff practices his serves.

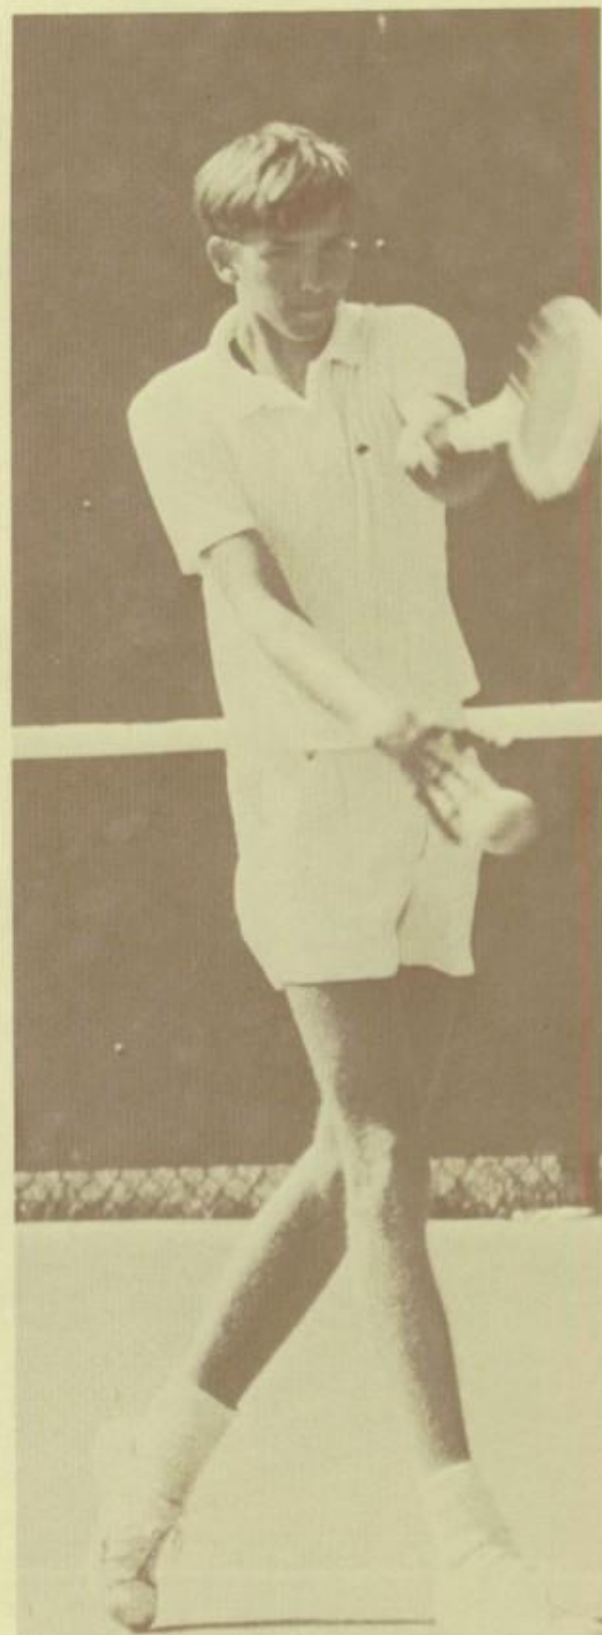

Lennie, Bob, Jeff, and Gary play to the height of their potential.

Gary demonstrates one of the many difficult positions used in Tennis.

#### PRACTICE IN THE SNOW

... doubles ... Concentrate! ... gut ... net  
serve ... up and down the  
steps ... What form! ...  
Windy days ... backhand  
... it wasn't my fault ...  
lob ... forehand ... 5  
points ... duce ... love ...  
Coach, calm down ...  
Double fault ... set ...  
nice shot ... six zero ...  
Districts ... Conference  
Champs ... GOOD  
MATCH.

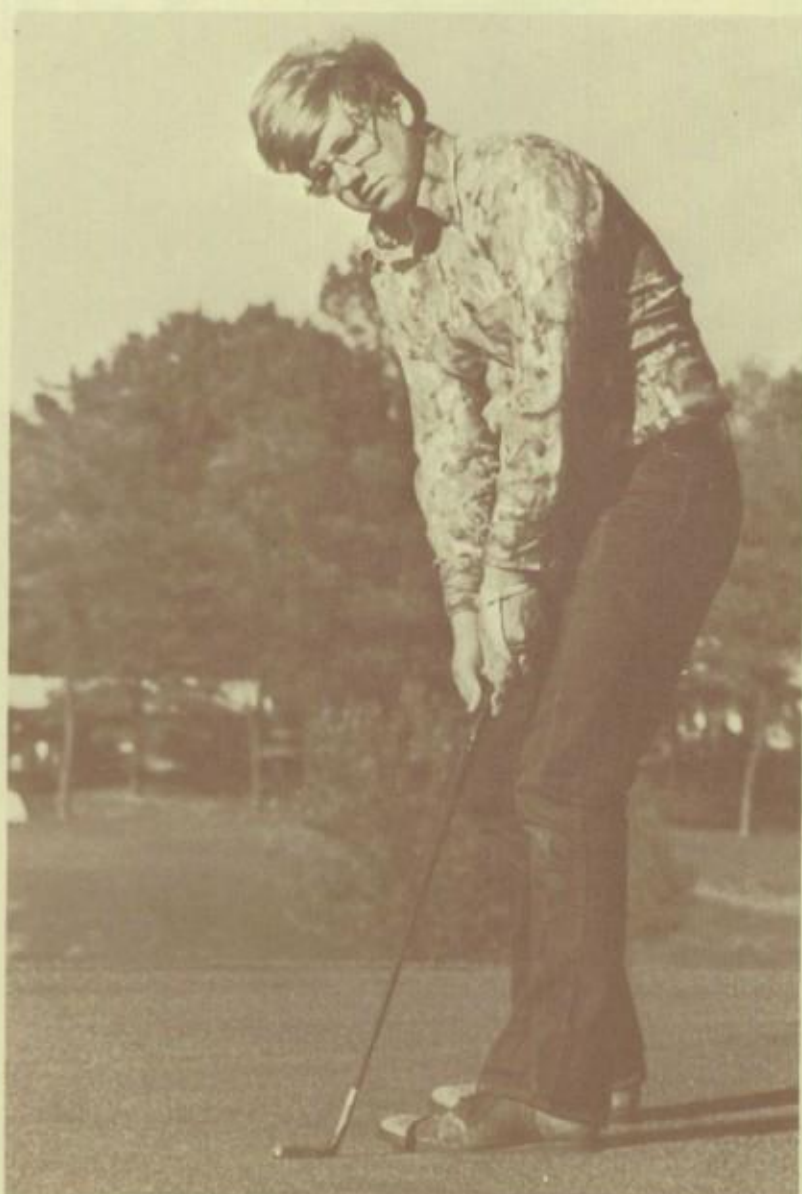

Members of the Golf team are from left to right: Mr. Pfeffer, Jeff Harris, John Youngs, Randy McAllister, Tom Wolfslau, David Fairburn, and Joe Hohrein.

THE QUIET SPORT . . . tee-off . . . hole in one . . . concentration . . . lake ball . . . under par-over par . . . driver . . . fore . . . watch your form . . . double bogie . . . putt . . . divet . . . handicap . . . birdie . . . sand trap . . . can we play through? . . . slice . . . eye on the ball . . . REALLY GREAT!

Tom awaits the outcome of his putt.

Dave demonstrates good form and a good swing.

The team moves on to the next green.

Almost isn't quite good enough.

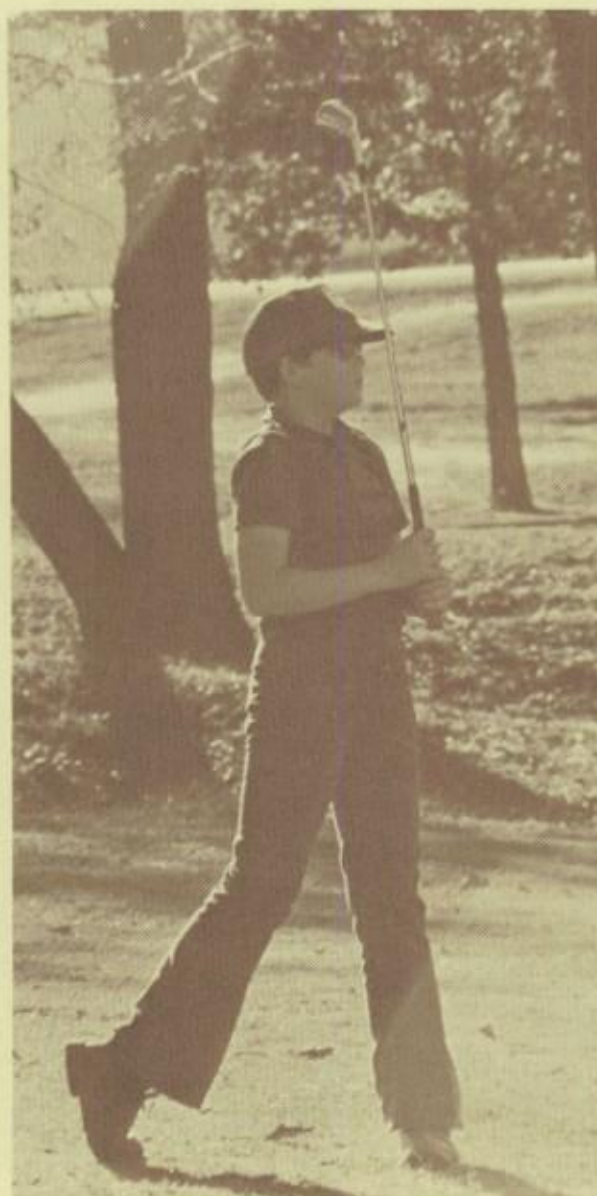

John keeps an eye on the hole for the final swing.

Randy finds trouble in the sand trap.

## Golf Team Puts It All Into Swing

Jeff knows the swing was good; now he must concentrate on the location of the ball.

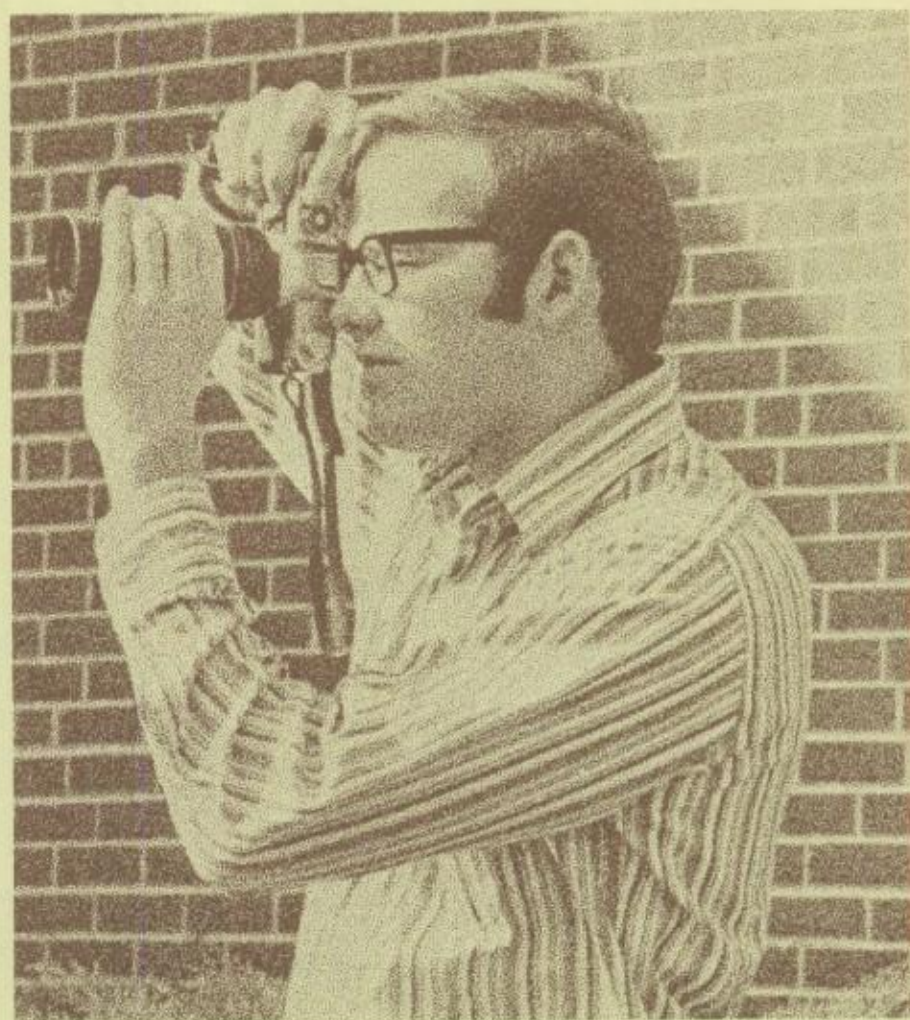

Randy patiently watches for the ball to drop.
